PREAMBLE

The purpose of this Agreement is to achieve and maintain harmonious relations between Home Care Services, LLC (“the Employer”) and SEIU 775 (“the Union” or “SEIU”),(collectively: “the Parties”) to provide for equitable and peaceful adjustment of differences which may arise, and to set forth the understanding reached between the Parties with respect to wages, hours of work, and terms and conditions of employment.

Home Care Services, LLC and SEIU 775 share a common goal of maintaining and promoting the quality of in-home care in Montana. Both organizations are committed to developing a stable and well-trained workforce, promoting the financial viability of Home Care Services, LLC’s home care business, expanding home care services in the state of Montana, and building public respect for the long-term care profession. We intend to develop a productive working relationship focused on problem solving for mutual benefit. With this mutual interest understood, the Parties commit to further developing and modifying the Alliance Agreement to Improve Home Care in Montana to reflect on-going legislative efforts. The Parties recognize that the appropriate setting for these discussions may be the Home and Community-Based Industry-wide Communications Committee covered in Article 11.1.4 of this Agreement.

We also share a vision that SEIU 775 and Home Care Services, LLC (COI) will grow together through working in a cooperative manner and unite all long-term care workers to become a powerful voice for the long-term care industry, in order to achieve economic justice for all workers in our industry.

The Employer and the Union will work to build a relationship that, acknowledging limitations imposed by state and program funding, will strive to maintain competitive compensation for home care workers to provide a high quality work environment and enhance an ongoing relationship of trust and respect. The Parties recognize our obligation to serve clients with the highest quality of care. The Parties further recognize the importance of raising standards throughout the home care industry and agree to work together to achieve this goal.

ARTICLE 1: RECOGNITION

The Employer, Home Care Services, LLC (and its successors and assigns) recognize SEIU Healthcare 775NW (and their successors and assigns) as the sole and exclusive bargaining agent for all employees who are employed by the Employer in the State of Montana, any other State, Province or Country in the position of home care worker, who perform home care and personal care services, or work in any position related to delivery of such in-home services, including but not limited to: home care workers, caregivers, homemakers, personal care assistants, Certified Nursing Assistants (CNA or NAC), Nurse Aide Registered (NAR), and any other similar job title or classification; excluding all employees not employed in the in-home services or programs delivered by the Employer, managers, confidential employees, office clerical employees, professional employees, and supervisors as defined in the National Labor Relations Act.

ARTICLE 2: UNION MEMBERSHIP AND UNION SECURITY

SECTION 2.1: UNION MEMBERSHIP

All bargaining unit employees shall, as a condition of employment, become and remain members of the Union tendering periodic dues and fees as determined by the Union. Each new employee shall be required to become and remain a member of the Union no later than the thirtieth (30th) day of employment. Per the terms of Section 2.3 of this Article and the side letter dated June 10, 2009, any employee who fails to satisfy this obligation shall be discharged by the Employer, and the Employer shall provide written notice to the Union of such discharge within thirty (30) days.

SECTION 2.2: RELIGIOUS EXEMPTION

It is the intent of this Agreement that the provisions of this Article safeguard the right of employees to remain non-members based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Any employee who claims a right of non-association based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member shall provide written notice of that claim to the Union, and shall arrange with the Union to make alternative payments in lieu of the payments required for Union membership to a nonreligious charitable organization (a 501 (c) (3) organization as defined by statute) of the employee's choice. Such employees shall pay an amount of money equal to the periodic dues and fees uniformly required under Section 1 of this Article. Failure to satisfy this alternative payment shall result in discharge from employment, pursuant to Section 2.3 of this Article. The Employer shall not be financially liable for any failure of the affected employee or the Union to remit payments to the nonreligious charity.

SECTION 2.3: DISCHARGE FOR FAILURE TO MEET OBLIGATIONS

The Union may demand the discharge of any bargaining unit employee who is delinquent in payments required in this Article or refuses to become and remain a member of the Union. Provided, however, in no case will the Employer be required to discharge an employee in violation of state or federal law.

The Union shall communicate delinquency to the affected employee and to the Employer within thirty (30) days of delinquency. The notice to the delinquent employee shall include a) the fact that the Union has no record of the employee's membership or religious exemption and b) the action required by the employee in order to satisfy requirements of this Agreement. This notice shall include: the amount needed to pay delinquent dues in full, a membership form, and/or any other action needed on the part of the employee to satisfy obligations of this Agreement. The Union shall, at the same time, notify the Employer of the name and reason for delinquency of any employee.

Should the employee fail to satisfy obligations of this Agreement, within fifteen (15) days from the date of the original notice of delinquency, the Union may demand in writing that the Employer discharge the employee. Following receipt of such demand, the Employer shall discharge the employee within seven (7) calendar days of the date of the Union's demand. Provided, however, in no case will the Employer be required to discharge an employee in violation of state or federal law.

SECTION 2.4: BARGAINING UNIT INFORMATION

Employees covered by this Agreement are required to maintain up-to-date personal phone number(s), and a home address on file with the Employer. The Employer shall provide a roster of all bargaining unit employees to the Union on a monthly basis. To the best of the Employer's available information, the roster shall include each employee's name, social security number, home address, mailing address, email address, home phone number, alternative phone number (if any), office or unit where the employee is assigned, job classification(s), FTE status, shift, rate(s) of pay, gross pay, hours worked in the month (or month-to-date in the event of twice-monthly pay), total hours accrued as an employee of the Employer or hours credited towards a wage scale step year-to-date, amount and rate of any special differential pay, date of hire, and date of termination. The Union will indemnify the Employer and hold it harmless from any claims demands, damages or liabilities that may result from the provision by the Employer of any of the requested information to the Union, including the cost of defending against such claim or obligation.

The Employer shall facilitate reconciliation of these employment records with the Union, including clarifying whether workers are inactive because of paid or unpaid leave or other reason. Both Parties agree to work together to ensure that all records are as accurate as possible. All information required to be transmitted under this Agreement shall be transmitted in a common electronic format agreed upon by the Employer and the Union.

SECTION 2.5: PAYCHECK DEDUCTIONS

The Employer agrees to deduct from each bargaining unit employees' pay all authorized dues, fees, and assessments as determined or required by the Union. The Employer shall make such deductions from the employees' paycheck following receipt of written authorization, and periodically thereafter as specified on the written authorization, so long as such authorization is in effect, and shall remit the same to the local Union within thirty (30) days after the end of the last full pay period in each month. The Union will furnish all the membership forms necessary to be used for this written authorization and will notify the Employer in writing of dues, fees, or assessments to be assessed within five (5) days of execution of this Agreement, and thirty (30) days before the effective date of any change. The Employer reserves the right to ensure that the authorization of payroll deductions complies with applicable Federal and State laws regarding deductions from wages. The Employer may require an additional authorization form as per its policies and procedures, to confirm the specific authorization for continued paycheck deduction.

The Union will hold harmless the Employer against any claim or obligation which may be made by any employee by reason of the deduction of Union membership fees, including the cost of defending against such claim or obligation.

SECTION 2.6: UNION MEMBERSHIP MATERIALS

For new employees, union membership materials shall be distributed with the basic employment paperwork required by the Employer. All membership forms for the Union completed by a new

employee of the Employer will be forwarded to the Union no later than the thirtieth (30th) day of the new employee's employment with the Employer.

SECTION 2.7: POLITICAL ACCOUNTABILITY FUND/COMMITTEE ON POLITICAL EDUCATION (COPE) DEDUCTION

The Employer shall deduct the sum specified from the pay of each member of the Union who voluntarily signs and executes a written Political Accountability Fund (COPE) wage assignment authorization form. When filed with the Employer, the written authorization form will be honored in accordance with its terms. The authorization form will remain in effect until or unless revoked in writing by the employee. The amount deducted and a roster of all employees using payroll deduction for Political Accountability Fund (COPE) contributions will be promptly transmitted to the Union by separate check payable to the Union and identified as Political Accountability Fund (COPE) deductions, at the same time as the monthly remittance of dues.

Upon issuance and transmission of a check to the Union, the Employer's responsibility will cease with respect to such deductions. The Union and each employee authorizing the written assignment of wages for the payment of Political Accountability Fund (COPE) contributions hereby undertake to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that may arise against the Employer for, or on account of, any deduction made from wages of an employee.

ARTICLE 3: UNION RIGHTS

SECTION 3.1: ADVOCATES OR WORKER REPRESENTATIVES

For purposes of representation, communication and mutual administration of the contract, the Union will designate advocates or worker representatives from among its members employed by the Employer. The advocate position is the worker representative position responsible for handling grievance and disciplinary issues with the Employer. The Union will notify the Employer when an advocate or worker representative has been designated.

SECTION 3.2: ADVOCATE OR WORKER REPRESENTATIVE RECOGNITION

Subject to the availability of reimbursement from the Employer's state funding sources, the Employer agrees to compensate designated advocates or worker representatives at their regular rate of pay for their involvement in certain limited labor relations activities. These activities are defined as participation on the Labor-Management Committee while during regular working time; actual time spent in grievance meetings provided that the advocate or worker representative notifies the immediate supervisor(s) in advance and the supervisor(s) approve; and other approved and regularly scheduled committees and work groups that benefit both the Union and the Employer by prior mutual agreement. Advocates or worker representative shall have the obligation to inform their supervisors in advance when they will be utilizing time as an Advocate, and shall follow all usual scheduling procedures to ensure client care coverage.

Both Parties will endeavor to advocate for state or other sources of funding for advocate or worker representative activities.

SECTION 3.3: BULLETIN BOARDS AND KIOSKS

The Employer shall provide a bulletin board, in an area accessible to employees in each office for union postings. The Employer shall provide, where feasible, a computer terminal and printer or kiosk with internet access for the use of employees during non-work times.

SECTION 3.4: NEW EMPLOYEE ORIENTATION/IN-SERVICE MEETINGS

Worker representatives shall have a maximum of thirty (30) minutes before or after each orientation of new employees or worker in-service meeting to make a presentation about the Union and answer questions. The Union shall have the right to include written information on any orientation video tape or other basic written employment materials produced by the Employer for the purposes of new employee orientation. Should a newly hired employee or Union representative be unavailable to attend an orientation at which a worker representative is present, the Employer and the Union shall work in partnership to ensure that the Union will be able to contact such employee in the future. The Employer will endeavor to notify the Union/Worker Representative(s) at least two (2) days before the orientation.

Management or supervisory personnel may not be present during Union presentations unless mutually agreed to by the Union and the Employer. Such meetings shall not disrupt the in-service schedule. The Employer agrees to inform the Union of in-service training dates, times and locations one (1) month in advance, if possible. The Union must inform the Employer of its desire to address the bargaining unit members at a scheduled in-service training two (2) days in advance.

SECTION 3.5: ACCESS TO EMPLOYER PROPERTY: OFFICE

The Employer welcomes the authorized representative(s) of the Union to use its local office meeting rooms with advance notice. The Union may use designated meeting rooms of the Employer for meetings, conducting Union business and adjusting grievances, provided that space is available.

SECTION 3.6: ACCESS TO EMPLOYER PROPERTY: PERSONNEL FILES

The employee and/or his/her representative shall have the right to examine the employee's permanent personnel files, upon the employee's request.

SECTION 3.7: EMPLOYEE COMMUNICATIONS: PAY ENVELOPES

The Employer and the Union agree to work together to facilitate the highest level of communication possible for caregivers. These efforts shall include:

- a) Union inserts in pay envelopes
- b) Joint communications (newsletter/flyer) from the Union and the Employer
- c) SEIU promotional items

In order to facilitate communication relating to this Agreement, the ongoing work of the Labor Management Committee, and any other Union business, the Employer shall provide access in the pay envelopes covered under this Agreement, provided that:

- a) All literature submitted for insertion be clearly identified as Union-produced material and shall include information on how to contact the Union by phone. At the request of the Employer, the Union shall indicate clearly that the communication in question is not provided by nor does it necessarily represent the views of the Employer.
- b) In the event that the insertion of Union material in pay envelopes increases the postage cost of mailing the paycheck envelopes, the Union shall reimburse the Employer for the additional cost.

Should the Employer switch to an electronic-only method of paying employees such as direct deposit or debit cards and discontinue the use of pay envelopes, it may disregard the requirements set out in sections 3.7(a) and (b) above.

Should the Employer establish a newsletter directed at employees, or employee mail boxes at the office(s), the Union shall have the right to submit information for inclusion or distribution. The Employer shall provide a literature box in a convenient location for the use of the Union. Should the Employer establish a website, a link to the Union's website will be included in any page or section directed at employees.

SECTION 3.8: PAYCHECK DISTRIBUTION

Union representatives may be present at in-person paycheck distributions. The Employer will not be expected to pay Union representatives for their time/presence at in-person paycheck distributions.

ARTICLE 4: EMPLOYER RIGHTS

SECTION 4.1: RETENTION OF GENERAL RIGHTS

The Employer retains all the general and traditional rights to manage its business as well as any rights under the law or agreed to by the Parties. These rights rest exclusively in the Employer who is the sole decision-maker regarding the operation of the business. The following list of Employer's rights is not intended to be all-inclusive, but simply sets forth some of those rights considered to be the general rights of management. The fact that a particular right is not set forth here does not mean that the right does not exist.

SECTION 4.2: WORKFORCE ISSUES

Employer retains the right to determine the number of employees required at any place from time to time for any of its operations. Employer retains the right to determine the jobs, content of jobs, and to modify, combine or end any job, department or operation; to hire, classify, transfer, promote, demote and layoff employees; to determine employee qualifications, evaluate performance and assign and

direct the workforce; to maintain order and discipline; and to reprimand, suspend, discharge and otherwise discipline for just cause.

SECTION 4.3: WORK POLICIES AND PROCEDURES

The Employer has the right to create and administer rules, policies and procedures. This includes the right to establish or revise attendance, work, substance abuse, drug and/or alcohol testing and safety rules. The Employer has the right to establish or revise a disciplinary policy to address violations of these rules. The Employer shall notify the Union of policy changes which impact bargaining unit Employees at least one (1) month before implementation.

SECTION 4.4 WORK HOURS

The Employer retains the right to determine work schedules, including but not limited to the number of hours and shifts to be worked, to determine when overtime work is necessary and to assign overtime; to choose clients; to utilize part-time and temporary employees; to choose where or when training on a particular task or job is required and the right to move or retrain employees.

SECTION 4.5: NON-WAIVER OF EMPLOYER RIGHTS

Employer's failure to exercise any right reserved to it, shall not result in a waiver of the right or prevent Employer from exercising its rights in the future or in some other way not in conflict with the express provisions of this agreement.

SECTION 4.6: CONFLICTING PROVISIONS

The exercise of these rights alleged to be in conflict with any other provision of this agreement shall be subject to the grievance and arbitration procedures set out in this agreement.

SECTION 4.7: JOINT POLICY DEVELOPMENT

The Employer and the Union have a mutual commitment to jointly developing policies, procedures and other relevant workplace solutions in the Labor Management Committee as referenced in Article 11. This does not abridge the Employer's rights set forth in this Article.

ARTICLE 5: NO DISCRIMINATION

The Employer and the Union have a mutual commitment to social justice in our society, therefore the Parties agree that qualified applicants for employment will be considered without regard to race, ethnicity, physical and/or mental disability, marital status, national or tribal origin, citizenship status, ancestry, gender or sex, sexual orientation, perceived sexual orientation, gender identity, gender expression, age, religion, veteran status, political affiliation, union membership and protected activities, or other characteristics or considerations made unlawful by federal, state or local law or by Department of Public Health and Human Services (DPPHS) agency regulations. The Employer further agrees that it shall not discriminate in terms or conditions of employment on the basis of the aforementioned characteristics (except for bona fide occupational qualifications or client preference). All employees share the responsibility of maintaining a work environment that is supportive of equal employment

opportunity. Employees shall be treated fairly and with dignity and respect.

ARTICLE 6: CLIENT RIGHTS

The Employer and the Union are committed to quality care of clients and ensuring the comfort and individualized care needed by clients. It is the right of clients, in the privacy of their home, to choose the caregiver with whom they feel the most comfortable.

The Employer will uphold and support client rights. If a client wishes to change caregivers, for any reason, the Employer will respect the right of the client to do so. If a client chooses to change caregivers, the caregiver who is being unscheduled shall be eligible for another client(s) or equivalent hours as available. The Employer will make a good faith effort to provide support for a successful caregiving relationship, if in the sole judgment of the Employer the regularly scheduled caregiver might succeed with the client if either or both the client and/or caregiver is guided with some coaching. At the discretion of the parties, the Employer and the Union may explore through the Labor Management Committee methods of coaching, counseling or mediation to assist generally in the resolution of client/worker conflicts to help ensure consistent service delivery with minimal worker reassignment.

ARTICLE 7: PROBATION

The first three (3) months of employment or re-employment shall be the probationary period for all new and returning employees. During this period the Employer shall provide specific orientation to the job performance expectations, to the Employer and to the Employer's services and programs, and to the people/clients served by the Employer. Supervisors shall monitor performance during this time and will provide appropriate feedback to the employee, to help the employee successfully complete the probationary period. Such feedback shall be documented. If requirements of the job are not being met, the Employer may seek to counsel the employee to correct the defined deficiencies. If satisfactory improvement does not result, the probationary employee may be disciplined or terminated in the sole discretion of the Employer without further notice or recourse to the grievance procedure. The discipline or discharge of an employee who is in probationary status shall not be in violation of this Agreement. Probationary employees are covered by the terms and conditions of this Agreement except as specifically noted and retain the same legal rights as other employees under the National Labor Relations Act and applicable local, state and Federal laws.

ARTICLE 8: DISCIPLINE AND DISCHARGE

SECTION 8.1: JUST CAUSE AND RIGHT TO REPRESENTATION

Just Cause and Progressive Discipline:

The Employer shall have the right to discipline and/or to discharge non-probationary employees for Just Cause only. Just Cause shall be defined to include the concept of Progressive Discipline. Progressive

Discipline shall be defined as a graduated system of discipline where the penalties increase (i.e. verbal counseling, written warning(s), unpaid or paid suspension and termination/discharge) upon repeat occurrences of the same kind. The Employer will endeavor to use this form of discipline to correct the behavior rather than to punish the Employee. Communications between supervisors and employees about disciplinary matters shall be respectful and discipline shall be, in general, directed at correcting performance problems. Progressive discipline will not be applied when the nature of the offense is just cause for immediate suspension or discharge.

Employees who are discharged will be sent a final paycheck by mail within five (5) days of the date of the termination of their employment. This final paycheck will include payment for all hours worked and not paid, as well as payment for any accrued personal leave.

Serious Misconduct:

In the case of serious misconduct, the Employer may in its sole discretion, for just cause, bypass any one or all of the steps of progressive discipline. Examples of serious misconduct include, but are not limited to, misrepresentation on employment applications, fraudulent timesheets, patient abuse, violence, theft, and “no call, no show.”

In the case of any form of discipline less than termination, the employee’s disciplinary action shall include a description of the conduct that is the basis for the disciplinary action(s). The Employer will strive to identify specific corrective action(s) that the employee is expected to take to improve his/her performance.

Factfinding:

Prior to issuing any form of disciplinary action to an employee, the Employer shall attempt to meet with the employee to investigate and gather facts. The Employer shall advise the employee of the purpose of the investigatory meeting and that the meeting could lead to disciplinary action, and shall advise the employee of his/her right to request the presence of an advocate or Union representative in the meeting. If an employee requests the presence of an advocate or Union representative, the Employer will make a reasonable attempt to schedule a meeting when the participating advocate or Union representative and employee are available to meet.

The unavailability of an advocate or Union representative for a meeting date shall not unreasonably delay or impede the Employer’s investigation or decision to take disciplinary action.

SECTION 8.2: NOTIFICATION OF FORMAL DISCIPLINARY ACTION/Written JUSTIFICATION FOR DISCIPLINE FOR CAUSE

In the case of any written reprimand (written warning), suspension, economic sanction, or termination/discharge for cause, the Employer shall give a copy of the disciplinary action to the employee, stating the reasons for the discipline. The document shall include a line for the

signature of the employee and the immediate supervisor or manager responsible for the decision to issue discipline, including the following notice: "Signing this document indicates that you have received a copy of the document but does not indicate that you agree or disagree with its contents. You may have the right to contest this action through filing a grievance, if you believe this action violates the Union contract. You may contact your advocate, worker representative or the SEIU 775 office at 1-866-371-3200."

The lack of the employee's signature on the notice shall not be grounds for nullifying or challenging the notice or any ensuing disciplinary action where reasonable evidence shows that the Employer attempted to inform the employee of the investigation, pending or actual discipline.

SECTION 8.3: SUSPENSION OR DISCHARGE

Within seven (7) calendar days after any suspension or discharge for cause, the Employer shall notify the Union in writing (by fax or email) of the suspension or discharge and the reason for this action and shall attach a copy of the disciplinary notice signed by the employee or provided to the employee.

Employees who are suspended may use any accrued, paid leave during their period of suspension.

SECTION 8.4: INVESTIGATION OF JUST CAUSE BY UNION

An advocate or Union representative shall have the right to interview employees and management personnel and gather information concerning specific and identifiable disciplinary matters. Such interviews shall not interfere in any way with the Employer's business activity. Should a client complaint be involved, the Employer will attempt to provide a copy of the clients' written complaint, if any, with all identifiers removed, so long as the removal of identifiers adequately protects the confidentiality rights of the client and the provision of the complaint does not violate federal, state, local laws or regulations.

SECTION 8.5: EMPLOYER RULES

The Employer may establish work rules necessary to regulate employees' conduct at work. Work rules shall be reviewed with new employees who will sign a form provided by the Employer to confirm their understanding of the Employer's rules, and made available to all employees and the Union. The Employer will advise the Union of any proposed changes to the work rules thirty (30) days in advance.

SECTION 8.6: PERSONNEL FILES

Any information about the employee may be included in the personnel file, including without limitation information regarding disciplinary action, such as client complaints, warnings, placements on probation status, and formal evaluation reports prepared by the Employer. This employee personnel file, or a copy of the same, shall be made available to the employee upon the employee's written request. The Employer shall allow an employee to examine his/her personnel file maintained in an office of the Employer, upon the employee's request. Employees who have a reasonable dispute with information in their personnel file may submit written comments, replying to any material in their file, which comments shall also be maintained in their personnel file. Employees may not submit additional written comments regarding disputes which have been resolved through the grievance process. Should the

employee maintain a good record for one (1) year, all identified negative materials shall be removed from his/her personnel files at the employee's request, unless otherwise required to be retained by state law or regulation. Files that are not removed after one (1) year shall be considered as if they had been removed.

SECTION 8.7: REGULATORY INVESTIGATIONS

SECTION 20.3: EMPLOYER CONTRIBUTIONS

Subject to the availability of reimbursement from the Employer's state funding sources, the Employer shall pay to the Trust the employee premium for health care coverage up to the maximum dollar amount allowed for reimbursement of benefit costs by the DPHHS (and less the employee deductible referenced below) for all employees who are eligible for coverage.

SECTION 20.4: EMPLOYEE CONTRIBUTIONS

Employees enrolled in a Trust plan shall pay a premium co-share of twenty-five dollars (\$25) per month for health care coverage. Employees wishing to enroll their spouse or eligible dependents in an available Trust plan(s) may do so at their own cost if such dependent coverage is available. Employees shall pay their employee deductible and dependent premium charges (if applicable) via payroll deduction if they so authorize in writing, or, if permitted by the Trust, directly to the Trust upon arrangement with the Trust.

SECTION 20.5: SAVINGS

Should state-mandated requirements for the DPHHS reimbursements change substantially, the Employer and Union shall meet to negotiate changes. The Trust shall be the policy holder of any insurance plan or health care coverage plan offered by and through the Trust. As the policy holder, and fiduciary agent, the Trust shall indemnify and hold harmless from liability the Employer from any claims by beneficiaries, health care providers, vendors, insurance carriers, or employees covered under this Agreement.

SECTION 20.6: ENROLLMENT INFORMATION AND COORDINATION

The Employer, the Union, and the Trust shall coordinate to provide information about the health care coverage options to employees and shall arrange for translation or interpretation to facilitate employee understanding of the plans if necessary. Employees may use any accrued paid time off for sick leave (subject to Section 19.4) single days off, or consecutive days of vacation. Employees must submit paid time off requests for vacation time off in writing at least two (2) weeks prior to the date of vacation requested. In the event that too many employees request paid time off for the same time period, and the Employer cannot ensure safe client coverage, paid time off approvals shall be granted by seniority within the office to which the employee is primarily assigned.

SECTION 22.3: CASH-OUT

Employees may elect to cash out their accrued, unused paid time off. Employees may exercise this cash-out option up to twice per year, however, the Employer will not unreasonably deny additional requests. If the employee does not exercise the cash-out option, then the full remaining unused paid time off shall continue to be carried forward.

The Employer shall notify employees of the cash-out option under this Agreement and shall provide a form for employees who wish to exercise their cash-out option.

Employees who terminate their employment shall be paid for all unused, accrued paid time off. Such cash out shall be made by the Employer at the time of the employee's final pay period and paycheck.

SECTION 22.4: UTILIZATION OF PAID TIME OFF AS SICK LEAVE

Employees who have accrued paid time off time shall be eligible for paid time off for any period of absence from employment which includes but is not limited to the employee's illness; injury; temporary disability; medical or dental care; or to attend to members of the employee's or the employee's spouse's immediate family or domestic partner or domestic partner's immediate family, where the employee's presence is required because of illness or as otherwise required by the state or federal Family Medical Leave Act or other State law.

SECTION 22.5: NOTICE AND PROOF OF ILLNESS

The Employer reserves the right to require reasonable proof of an employee's illness, if the absence from work last beyond three (3) consecutive scheduled work days. The Employer also may require a doctor's release in the event that the absence from work exceeds three (3) consecutive scheduled work days.

Employees who are sick shall make a good faith effort to provide as much advance notice as possible to the Employer. However, Employees shall personally notify their supervisor(s) of illness no less than three (3) hours prior to their first assignment of the day, unless there is a verifiable emergency preventing an employee from fulfilling this requirement.

The Employer will maintain a twenty-four (24) hour call or paging service for employees seeking to reach supervisors.

SECTION 22.6: COMBINATION WITH OTHER BENEFITS

Payment of accrued paid time off shall supplement any disability or workers' compensation benefits. The combination of paid time off payments and disability or workers' compensation benefits shall not exceed the amount the employee would have earned had the employee worked her/his normal schedule.

ARTICLE 23: WAGES AND PREMIUMS

SECTION 23.1: AVAILABLE FUNDING

SECTION 23.2: STARTING WAGES

Upon ratification of this Agreement, newly hired employees covered by this Agreement shall be compensated as follows:

Personal Care Attendants (Probationary Wage): \$10.24/hour.

Personal Care Attendants (Probationary Wage with PIB): \$10.63/hour.

Upon successful completion of their probationary period, wages for employees covered by this Agreement will increase to the following rates:

Personal Care Attendant (Regular Wage): \$10.50/hr.

Personal Care Attendant (Regular wage with PIB): \$10.63/hour

Employees receiving PIB ("Pay-in-Lieu of Benefits) shall only be eligible to participate in the Healthcare for Healthcare Workers' Initiative for health care benefits. Employees receiving PIB shall only include those employees who provide self-directed personal care services as defined by the Montana DPHHS.

SECTION 23.3: WAGE INCREASE/DIRECT CARE WORKER BONUS

The Employer and the Union have established a mutually agreeable process for the distribution of funds specifically appropriated by the State of Montana for Direct Care Worker wages and bonuses. These funds are referred to as the Direct Care Wage Initiative (DCWI).

The process for distribution of these funds which are received by the employer in lump sum payments shall be as follows:

The employer, upon receipt of DCWI lump sum funding, and with approval of the Union, will establish a per hour wage amount to be paid equally to all employees covered by this Agreement.

The DCWI hourly wage will be paid in addition to the regular wages referenced in Article 23: Wages & Premiums, Section 23.2 Starting wages.

The DCWI hourly wage will be disbursed through a specific payroll item (wage rate) called the DCWI Wage Differential. This DCWI Wage Differential amount will appear on all employee paychecks.

Any DCWI funds remaining at the end of each State Fiscal Year (SFY), June 30, will be disbursed in the form of an employee bonus based on the number of hours worked in a previous six (6) month period, and also based on the employee’s seniority.

In 2015, because this Agreement was ratified several months into the State Fiscal Year, an additional bonus of unspent DCWI funds for the period July 1, through the date of ratification will be made around the beginning of December.

Upon ratification of this Agreement, the following chart shows both Regular and DCWI wage rates:

Date of Ratification (approx. October 23, 2015)

Weekend Rate: \$29.00 per day

SECTION 23. 5: DIRECT CARE WORKER BONUS PAYMENTS

All Employees employed by the Employer during the eligibility period and still employed by the Employer as of the date of disbursement of a bonus shall receive the DCWI bonus.

The amount of bonus paid to each employee shall be determined using the following criteria:

Hours Worked During Eligibility Period

The Employer may determine the exact six month time period to be utilized, but will endeavor to use as recent a time period as possible.

The amount of bonus paid to each employee shall be determined using the following criteria:

- The number of hours worked in the six-month eligibility period prior to the distribution of DCWI bonus payments
- Seniority

Date of Hire Bonus Formula

Prior to 12/31/2004: \$.60 X total hours worked in 6 month eligibility period

1/1/2005 through 12/31/2009: \$.58 X total hours worked in 6 month eligibility period

1/1/2010 through 12/31/2012: \$.55 X total hours worked in 6 month eligibility period

1/1/2013 to current eligibility period: \$.50 X total hours worked in 6 month eligibility period

In the event that that these calculations produce a total bonus amount that is higher than available DCWI funding, the employer shall reduce individual bonuses by an even amount for each worker to match available funding. The Employer will notify the Union of any adjustments made to the disbursement process as far in advance as possible. The Employer and the Union may also agree to establish a minimum amount to bonus for each employee.

SECTION 23.6: CLIENT/SERVICE INACCESSIBLE PAY

If an employee is unable to provide service to a client due to the client's failure to answer the door, or if the client is not home, or if the client has cancelled service and the employee is not notified, the employee shall notify the Employer by telephone promptly. If the Employer is unable to provide a substitute assignment, the employee shall be paid at the straight time hourly wage rate for up to one-(1) hour show-up/no access pay. If this should happen with the same client on more than one occasion, the Employer shall pay the employee only the actual time spent waiting for the client but no more than one-half (1/2) hour.

SECTION 23.7: OVERTIME

Employees required to work in excess of forty (40) hours in a week shall be paid overtime for such additional hours at the rate of one and one-half (1 ½) times their regular hourly rate of pay. Paid time off

or union leave time or any other time that is not actual hours worked shall not be considered time worked for the purposes of this section.

ARTICLE 24: NO STRIKE OR LOCKOUT

There shall be no strike by the Union and no lock out by the Employer over the issues covered in this Agreement during the term of the Agreement. Should the Employer reasonably believe that the Union and/or its member employees are in violation of this Article 23, the Employer shall contact the President or Secretary-Treasurer of SEIU 775 or appropriate designee(s) to advise him/her of the situation. The officer so notified immediately shall advise employees and/or the Union representatives engaged in the objectionable activity that the activity is unsanctioned. In the event of an alleged violation of this Article 23, the Employer may commence expedited arbitration proceedings to seek a cease and desist order or other relief by contacting the Federal Mediation and Conciliation Service and requesting the immediate appointment of an arbitrator to hear the matter. A hearing of the matter shall be held within twenty-four (24) hours after the arbitrator's appointment. The sole issue at the hearing will be whether a breach of this Article 23 has occurred.

ARTICLE 25: MODIFICATION AND PAST PRACTICE

No provision or term of this Agreement may be amended, modified, changed, altered or waived except by written agreement between the Parties hereto.

Subject to the other provisions of the Agreement, all conditions relating to wages, hours of work, and other terms, conditions and benefits of employment shall be maintained as in effect at the signing of this Agreement. For the purposes of this Agreement, past practice will be considered those past practices applicable to members of the bargaining unit, as specifically contained in the Employer's written policies and procedures that are in effect upon the date of ratification of this Agreement, and which have not been altered or amended by this Agreement.

The Parties agree that all negotiable items have been discussed during the negotiations leading to this Agreement, and, therefore, agree that negotiations will not be reopened on any items, or as a result of new regulatory, legislative, or funding issues, whether contained herein or not, during the life of this Agreement, unless by mutual agreement of both Parties.

The Parties agree to abide by all applicable municipal ordinances and state and federal statutes and regulations, including but not limited to any and all statutes pertaining to discrimination in employment.

In the event any Article, Section or portion of this Agreement, or the applications of such provision to any person or circumstance is declared invalid by a court of competent jurisdiction or is in contravention of any applicable local, state or federal law, the remaining provisions of this Agreement shall not be invalidated and shall remain in full force and effect.

ARTICLE 27: SUCCESSORSHIP

SECTION 27.1: SUCCESSORSHIP

The Employer agrees to notify SEIU 775 in the event any transaction is contemplated which may affect the interests of SEIU 775 members.

Home Care Services agrees to notify any potential purchaser of its collective bargaining agreements with SEIU and will make acceptance of such Agreements a condition of any sale, purchase, or any other form of transfer of its business, in whole or in part, to any other person or entity.

SECTION 27.2: SUBCONTRACTING

The Employer will not subcontract any bargaining unit work. In the event the Employer enters into any business relationship which may impact SEIU members, the Employer will notify SEIU promptly.

ARTICLE 28: HOME CARE ADVOCACY DAY UNION LEAVE

The Employer agrees to grant up to fifteen percent (15%) of its bargaining unit employees, by the selection of the Union, at least two paid leave days each calendar year, for the general purpose of public action and advocacy to improve the quality of long term care. One of these days will be reserved for use as decided by the policy agenda created by Capital Opportunities, Inc. The other paid day will be designated by the Union. Employees participating in either day will access the use of Paid Bank Time referenced in Article 11.3. The Union shall designate in writing to the Employer the employees who are requesting such leave at least fourteen (14) calendar days in advance. Leave requests shall take client needs into consideration, but shall not be unreasonably denied by the Employer. The Employer shall communicate promptly with the Union concerning any difficulties in granting leave requests. Employees on paid leave for advocacy activities shall receive their regular rate of pay for the number of scheduled hours normally worked on that day. Such paid leave time shall not be counted for the purpose of overtime computation.

The Union shall submit a list of those employees who attend the designated advocacy days, to verify attendance for the Employer's purpose of paying leave. The Union shall provide this information no later than the date that timesheets are due for the payroll period following the designated advocacy day.

Employees who requested leave, but whose attendance is not verified by the records provided to the Employer and who did not report to work shall be denied paid leave.

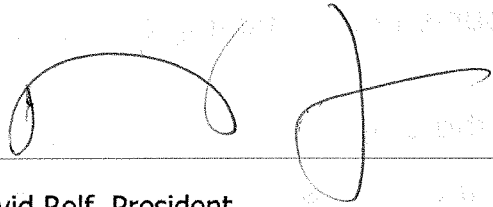

ARTICLE 29: TERM OF AGREEMENT

This Agreement shall become effective on November 1, 2015 and shall remain in effect through midnight (12 am) October 31, 2017. All terms and conditions in this Agreement shall become effective upon the date the Employer is notified in writing of the conclusion of the union's ratification process, unless a specific date for implementation is referenced within the Agreement.

In the event that during the term of this Agreement, the State of Montana substantially changes the anticipated funding for contracted services provided by the Employer and/or there is any other change that lowers or increases the level of reimbursement established at the time of the signing of this Agreement, the Parties agree to reopen this Agreement immediately for negotiations on all economically impacted sections.

Weingarten Rights

Rule 1: The employee must make a clear request for union representation before or during the interview. The employee cannot be punished for making this request.

Rule 2: After the employee makes the request, the employer must choose from among three options. The employer must: grant the request and delay questioning until the union representative arrives and has a chance to consult privately with the employee; deny the request and end the interview immediately; or give the employee a choice of having the interview without representation or ending the interview.

Rule 3: If the employer denies the request for union representation, and continues to ask questions, it commits an unfair labor practice and the employee has a right to refuse to answer. The employer may not discipline the employee for such a refusal.

WEINGARTEN Statement

(If called to a meeting with management, read the following or present this statement to management when the meeting begins.)

If this discussion could in any way lead to my being disciplined or terminated, or affect my personal working conditions, I respectfully request that my union representative, officer, or steward be present at this meeting.
