## **ARTICLE 1: STATEMENT OF PURPOSE**

The SEIU and Addus agree that working together to maximize public reimbursement and identifying training and skill development opportunities are objectives for the Union and the company. This collaborative approach will enhance the quality and consistency of the services provided to consumers and will improve working conditions for people who provide personal care services

## **ARTICLE 2: RECOGNITION**

Addus Healthcare, (“Employer”) and its successors and assigns, hereby recognizes and acknowledges that SEIU Local 775 (“Union”) affiliated with the Service Employees International Union is the exclusive collective bargaining agent for all its direct service employees in the historical bargaining unit in which SEIU was chosen to represent Addus direct care employees in the Employer branches in Kalispell, Libby, and Missoula, Montana, herein referred to as “employees,” excepting all guards as defined in section 9(b)(3) and supervisors, coordinators, clericals, managers, professionals, and executives as defined under the National Labor Relations Act.

The classification of employees to which the agreement is directed include employees providing direct care services including personal care and other activities of daily living support to individuals enrolled and authorized for care under any publicly funded program. Publicly funded programs include services funded through Medicaid, Medicaid Managed Care, State, County or Municipal Funds, Federal funding such as the Veteran’s Administration or the Older Americans Act. In circumstances where direct care employees who are current members of the bargaining unit are currently providing or are requested to provide care to a consumer whose care is not financed through any of the publicly funded programs described above, the terms of this agreement shall apply to such work. Locations providing exclusively non-publicly funded services are not included in the bargaining unit. Direct care employees are further defined as individuals who are employees of the company and do not include individuals providing personal care and other activities of daily living services under a fiscal intermediary or fiscal Employer agent contract maintained by the company whereby the company has no control over terms and conditions of employment including selection, hiring, and firing of direct care employee, regardless of funding source.

## **ARTICLE 3: SCOPE OF AGREEMENT**

This agreement concludes negotiations between the parties on the items covered in this agreement.

## **ARTICLE 4: UNION SECURITY**

If a Union representative is desired, it is the responsibility of the employee to notify the Union and arrange representation. Prior to commencing delivery of the written formal warning or suspension at the scheduled meeting, the employee will be given a form to confirm that the employee has been offered the option to have a Union representative present. The confirmation will be attached to the written formal warning or suspension as part of the permanent record of the meeting. In cases where a suspension results in termination for just cause, back pay for the suspension period will not be offered.

The Employer, employee and Union representative will make every effort to conduct this meeting within 5 business days. The planned meeting date, time and location will be communicated with the Union and will then proceed as planned.

### **SECTION 12.3: UNION NOTIFICATION**

## **ARTICLE 20: DIGNITY AND RESPECT**

In an effort to promote an effective partnership relationship, the parties agree that they will treat their respective representatives with dignity and respect, and that employees and supervisors and other members of management will all treat each other with dignity and respect.

Neither Addus nor the Union will publish newsletter articles or distribute other communication that is disparaging of the other party without first having made an effort to resolve the issue with management. Such disparagement would include information relating to specific individuals of the company or the Union, issues that would be readily addressed when called to the attention of upper management of the company or the Union, and are overall contrary to the spirit of cooperation and partnership as represented by this agreement. It is also an expectation that this spirit of cooperation will exist in all inter-personal communication.

This article is not intended to restrict the ability of the company or Union to communicate with employees or Union members related to business differences or disagreements between the company and Union.

The company agrees as part of employee orientation to inform all administrative personnel that participation in anti-Union campaigns among Union or non-Union personnel and the dissemination of information discouraging Union membership is against company policy and subject to disciplinary action.

The Union agrees as part of orientation of Union staff to inform all Union personnel that participation in anti-company campaigns among Union or non-Union personnel and the dissemination of information negative to the company is against Union policy and subject to disciplinary action.

## **ARTICLE 21: JOB DESCRIPTIONS AND CARE PLANS**

All employees will be provided with a written job description stating what will be required of them in the position they hold.

Upon receiving a new client, all employees will be provided a detailed care plan designating what specific care is required for each particular client. If problems arise with a client's or employee's understanding of the care plan, the company will take all steps necessary to ensure the full understanding of the care plan upon being made aware of the problem. Any changes to care plans will be provided to employees.

## **ARTICLE 22: LEAVES OF ABSENCE**

### **SECTION 22.1: LEAVES OF ABSENCE WITHOUT PAY**

Employees shall be entitled but not limited to all rights and privileges provided in the family and medical leave act of 1993; and other federal and state laws regulating pregnancy and/or medical leave as outlined by company policy.

Employees may request a leave of absence without pay by presenting a written request to their immediate supervisor. An intermittent leave or reduced leave schedule [this term is not clear and is not defined] may be granted if the leave is due to the employee's own illness or the illness of a child, spouse or parent of the employee. For all family and medical leave of absence requests, employees must complete and submit all required forms to human resources, as outlined in the company's family and medical leave of absence policy. The decision to grant a leave of absence without pay shall be at the discretion of the Employer except that the Employer shall grant leave of absence without pay to eligible employees for the following reasons and minimum lengths of time:

- Family leave: 6 months or as provided by law, whichever is greater
- Medical leave: length of necessary leave as certified by a physician
- Military and active duty leave: as provided by federal law

Leaves of absence shall not be construed as a break in service. All leave of absences will be without pay, except where leave is covered by accrued vacation. Employees who return to employment shall be reinstated with tenure. The Employer may temporarily transfer the employee to another available position with equivalent pay and benefits that better accommodate the employee's scheduling needs.

Employees with over one (1) year of service with the Employer shall be granted a personal leave of up to twelve months. Employees requesting personal leave must do so in writing to the agency director. The Employer shall respond to a request for personal leave in writing within ten (10) working days. If the Employer is unable to accommodate an employee's request for personal leave, the Employer shall provide reasons and alternative options for accommodating the employee's request, e.g., rescheduling, postponing. Employees returning from personal leave lasting twelve months or less will be returned to the same position held before the leave and number of scheduled hours, but not necessarily to the same client(s).

### **SECTION 22.2: RETURN FROM LEAVE OF ABSENCE**

The employee returning from an authorized leave of absence is entitled to return to his/her same position. The Employer will make a good faith effort to reinstate employees returning from an authorized leave of absence to their previous or similar assignment and schedule. An employee who fails to return to work within 3 working days of the expiration

of a leave, and/or has not obtained an extension of the leave prior to its expiration will be considered to have voluntarily terminated employment.

### **SECTION 22.3: RETURN TO WORK PROGRAM**

When feasible, the Employer will provide alternative work opportunities to employees injured on the job. The Employer shall work closely with the employee and his/her physician to determine if and when the employee can return to modified duty, and what assignments and/or activity level restrictions must be adhered to.

## **ARTICLE 23: CASELOAD**

### **SECTION 1:**

The company and the Union agree that there is a jointly-held interest in employees receiving full-time work whenever possible; that employees work as many hours as they are able and willing to work, up to 40 hours per week; that the Employer be able to serve as many hours as it is authorized to provide; and that clients receive their hours of care and support when they want them.

### **SECTION 2:**

The company agrees to continue its practice of caseload flexibility. Caseload assignments shall be made in accordance with such criteria as mutual acceptability and compatibility of client and employee, special needs involved, special skills required, the number of hours the employee is willing to handle, location, length of commute and similar factors.

### **SECTION 3:**

It is recognized that the company may discontinue an employee's assignments in accordance with such criteria as mutual acceptability and compatibility of client and employee, special needs and special skills required by the case. The company will make every reasonable effort to avoid such instances of discontinuation, but in such circumstances where it is necessary, the company shall make its' best efforts to provide such employee with a comparable assignment.

### **SECTION 4:**

When an employee wants an additional assignment, a change of assignment, or additional hours, the employee shall contact his or her supervisor who will enter the employees' name into a log kept for this purpose. The employee is encouraged to submit any assignment requests in writing.

### **SECTION 5:**

The company agrees to maintain a log of available employees. Wherever practicable, assignments shall be made from this file in accordance with the company's evaluation of each case's complexity. All things being equal, the most senior qualified employee in the file shall be offered the assignment. If this employee refuses the assignment, it shall be

offered to the next most senior qualified employee, and so on. It is agreed that because of requirements of timelines contained in contracts, the company is required only to make a good faith effort to comply with this section. Further, the Union and company agree that the employee will document in writing refusal of an assignment when they next visit the office.

The Employer encourages and agrees to accept new worker referrals from the Union and afford them consideration for employment.

## **ARTICLE 24: SENIORITY**

### **SECTION 24.1: GENERAL**

Employees completing the probationary period shall be credited with seniority retroactive to date of hire. Seniority shall be defined as the length of service within the bargaining unit from date of hire. Seniority shall be used to determine wage rates and entitlement to other benefits as specified in this agreement.

### **SECTION 24.2: TERMINATION**

Seniority shall be terminated for discharge for just cause, voluntary quit, or failure to return to work after recall in accordance with the provision of section 5 of this article. In cases of voluntary quit, the company at its' sole discretion may choose to re-hire an employee at previous tenure.

### **SECTION 24.3: WORK ASSIGNMENTS**

In all matters relative to new work assignments and opportunities for additional work, the principle of seniority shall prevail, provided, however, that new work assignments and/or the assignment of additional work shall not result in overtime and/or unreasonable travel costs.

It is further understood that, due to language requirements, skill requirement and/or "consumer preference," the Employer may bypass a senior employee who, by virtue of seniority would be given a particular client assignment. In such cases, the assignment will be given to the most senior available employee who can satisfy language/skill requirements and/or "consumer preference." Additionally, in such cases the Employer shall give the bypassed employee the next opportunity for assignment of additional work, subject to the provisions of this section.

### **SECTION 24.4: LAYOFFS**

A layoff is defined as a permanent reduction in the number of employees employed by the Employer in the branch or in an office. In the event of a need for a reduction in force, the Employer will meet with the Union as far in advance as possible to identify the reasons requiring the reduction and the number of employees affected.

If layoffs are required, the least senior employee(s) in a branch office shall be laid off first provided that those employees remaining on the job in that branch office are qualified to perform the work remaining, and provided further that the Employer is not required to reassign an employee to a work assignment requiring more than an hour additional travel time (by auto) between clients. The Employer agrees to provide ten (10) days' notice of layoff to affected employees.

An employee subject to layoff or reassignment may decline the new assignment(s) if the employee feels unqualified to provide the care required or if the additional assignment(s) results in more than forty-five (45) minutes travel time (by auto) from home to the first client of the day or from the last client of the day back to the employee's home.

#### **SECTION 24.5: RECALL**

Employees shall be recalled in order of seniority (the most senior being recalled first) provided that those recalled are qualified to perform the work assigned.

To be eligible for recall, a laid-off employee must keep the Employer informed of his/her current address and phone number. The Employer shall notify laid-off workers of recall by certified letter. When offered re-employment from layoff, the employee must indicate acceptance and availability for work within five (5) days of receipt of letter unless unusual circumstances prohibit return within that time period.

### **ARTICLE 25: RECORDS AND PAY PERIODS**

#### **SECTION 25.1:**

Employees shall be furnished a copy of their itemized deductions each pay period, which shall include the current hours worked, current wages earned, current wage rate, cumulative wages to date, and any regular itemized deductions, including any duly authorized dues deduction, in accordance with the company's payroll procedures.

#### **SECTION 25.2:**

Upon no less than seven (7) calendar days' notice to the company, a duly authorized representative of the Union may, during normal business hours, examine time sheets, work production or other records that pertain to an employee's compensation and/or fringe benefits, in case of a dispute as to contributions and/ or pay. The Union shall not exercise this right so as to be disruptive of the company's business.

#### **SECTION 25.3:**

Payment of wages at a minimum shall be twice monthly unless such pay schedule is altered by agreement between the parties. The company shall make the pay schedule available to all employees. If a payday falls on a Saturday, the check will be distributed the preceding Friday. If a payday falls on a Sunday, checks will be distributed on the following Monday, unless the Monday distribution date is one of the recognized holidays,

in which case the checks will be distributed on the preceding Friday, or unless the branch, as of the signing of this agreement, distributes the checks on a Friday.

**SECTION 25.4:**

In the event an employee does not receive his/her paycheck on payday or is underpaid due to administrative error, a new check shall be issued within (3) business days from the pay date as long as the company is made aware of the problem on the pay date or the first business day following the pay date.

**SECTION 25.5:**

It is anticipated that during the life of this agreement the company will continue use of and expand the use of electronic visit verification (EVV), either through state or federal regulation or of its own volition. The implementation of EVV or other electronic system would be an alternative to the need and use of timesheets, travel/mileage and other employee paper documentation. The parties will negotiate over any impact this technology would have on other portions of the agreement or the economic interests of employees. The company believes this technology will enhance employee job satisfaction and efficiency. The company agrees to meet with and seek input from the Union in the planning of training efforts and policy/procedure changes required by the use of this technology prior to implementing this program in any state and to review its impact and identify areas needing improvement after implementation.

**ARTICLE 26: ADHERENCE TO EXISTING STATUTES**

The parties agree to abide by all applicable municipal ordinances and state and federal statutes, including but not limited to any and all statutes pertaining to discrimination in employment and wage and hour compliance, to the extent said ordinances or statutes have an impact upon the working conditions of the bargaining unit employees.

**ARTICLE 27: PAST PRACTICE**

Subject to the other provisions of the agreement, all conditions relating to wages, hours of work, and other terms, conditions and benefits of employment shall be maintained as in effect at the signing of this agreement.

**ARTICLE 28: HOME CARE ADVOCACY DAY**

The Employer agrees to grant up to 15 percent (15%) of bargaining unit employees in each state, based on a first-come, first-served basis, specific paid leave days, up to two days per calendar year, as designated by the Union to participate in home care advocacy. Requests for additional days may be granted on a branch by branch basis and such requests shall not be unreasonably denied by the Employer.

The company agrees that in cases where the 15% allotment is unmet, employees participating in home care advocacy day may request additional paid leave days for advocacy work and such requests shall not be unreasonably denied by the Employer.

Home care advocacy days are for the general purpose of public action and advocacy to any state or federal government, legislature or congress on issues related to home care or home health services and other mutually beneficial legislation, as agreed to by both parties in advance.

The Union shall designate in writing to the Employer the employees requesting such leave at least fourteen (14) calendar days in advance, except in emergency situations with the agreement of both parties. Leave requests shall take client needs into consideration, but shall not be unreasonably denied by the Employer. The Employer shall communicate promptly with the Union concerning any difficulties in granting leave requests.

Employees on paid leave for home care advocacy day shall receive their regular rate of pay for their scheduled hours on that day. Such time shall not be counted for the purpose of overtime or paid time off computation.

The hourly contribution rate to the Retirement Trust shall be the hourly contribution rate established by the state of Washington pursuant to the individual provider collective bargaining agreement in effect at the time the hours are worked. ## **SECTION 34.2: SCHEDULING**

Employees shall be eligible to take PTO after their probationary period. Employees must submit PTO requests in writing at least two (2) weeks prior to the date the requested PTO commences, except for requests to take PTO of one week or longer, or during the months of May, June, July and August. Requests for PTO during May, June, July and August must be submitted at least four (4) weeks prior to the date the requested vacation commences.

PTO leave approvals will be granted by seniority within the office to which the employee is assigned. Supervisors shall communicate about whether leave has been approved or disapproved within five (5) business days of the date the leave request is submitted by an employee. At the request of an employee, the Employer shall pay the employee for PTO in advance of the leave. Such request shall be made in writing two (2) weeks in advance of the date the requested PTO commences.

## **SECTION 34.3: CASH-OUT**

At the end of September of each year of this agreement, employees may elect to cash out their accrued, unused PTO. If the employee does not exercise the cash-out option, then the full remaining unused PTO shall be carried forward. No later than September 1 of each year of this contract, the Employer shall notify employees of the cash-out option under this agreement and shall provide a form for employees who wish to exercise their cash-out option. The Employer will make a good faith effort to offer monthly cash-out of PTO. To facilitate this effort, the Employer will require monthly cash-out specifications be included in the programming of a new payroll system. Employees who terminate shall be paid for all unused, accrued PTO. Such cash out shall be made by the Employer at the time of the employee's final paycheck.

## **SECTION 34.4: UTILIZATION OF PTO AS SICK LEAVE**

The Employer may require reasonable proof of illness or disability and/or certification of need to be absent if the Employer has a reasonable doubt as to the validity of the claim. If the Employer requests physician or practitioner certification, then the Employer is responsible for the full cost of such certification if it is not covered by the Employer's health plan or the employee is not covered by the Employer's health plan.

## **SECTION 34.5: NOTICE AND PROOF OF ILLNESS**

The Employer reserves the right to require reasonable proof of illness, if the absence from work lasts beyond three (3) consecutive scheduled work days. The Employer also may require a doctor's release in the event that the absence from work exceeds three (3) consecutive scheduled work days. Employees who are sick shall make a good faith effort to provide as much advance notice as possible to the Employer. Employees will be expected to notify their supervisor of illness at least two (2) hours prior to their first assignment of the day, unless there is a verifiable emergency preventing an employee from fulfilling this requirement. The Employer will maintain a twenty-four (24) hour call or paging service for employees seeking to reach supervisors.

## **SECTION 34.6: COMBINATION WITH OTHER BENEFITS**

Payment of PTO as sick leave shall supplement any disability or workers' compensation benefits. The combination of PTO/sick leave payments and disability or workers' compensation benefits shall not exceed the amount the employee would have earned had the employee worked her/his normal schedule.

## **SECTION 34.7: BEREAVEMENT LEAVE**

Employees shall be entitled to bereavement leave (PTO or unpaid) to discharge the customary obligations arising from the death in the immediate family of an employee, an employee's spouse, or domestic partner. Such period of absence shall be limited to five (5) work days when the employee is not required to travel beyond Washington state or northern Idaho. For purposes of this section, "immediate family" shall include the employee's or the employee's spouse's parent, wife, husband, child, brother, sister, grandmother, grandfather, grandchild, or the equivalent for domestic partners, or another member of the immediate household. Every attempt will be made to accommodate employee requests to take PTO upon the death of a client.

## **SECTION 34.8: CATASTROPHIC COVERAGE**

During the term of this agreement the Employer and Union will work cooperatively to develop a method by which those employees who, through the fault of an illness which prevents them from working, shall be allowed to use accumulated PTO donated from other workers.
