PREAMBLE

This mutual Agreement is entered into by the Service Employees International Union Local 775 (hereinafter referred to as “SEIU 775” or “The Union”), and Providence St. Joseph Care Center (hereinafter referred to as “PSJCC” or “The Employer”). The purpose of this Agreement is to establish rates of pay, hours of work and other terms and conditions of employment.

ARTICLE 1: UNION RECOGNITION

PSJCC recognizes SEIU 775 as the sole and exclusive bargaining agent for regularly scheduled full-time, regular part-time and per diem Registered Nurses (RN’s) employed at its Spokane, Washington facility; excluding all other employees, office clerical employees, confidential employees and guards and supervisors as defined by the Act.

ARTICLE 2: UNION MEMBERSHIP/DUES DEDUCTIONS

SECTION 2.1 MEMBERSHIP

Not later than (for persons hired after this agreement becomes effective) thirty (30) days after their hire date or (for those employed at the effective date of this Agreement) the effective date of this Agreement, or the execution date of this Agreement, whichever is later, any worker subject to the terms of this Agreement may become and remain a member of the Union.

SECTION 2.2 DUES DEDUCTION

The Employer shall include a Union membership card in each employee’s employment paperwork and shall after collecting any signed card retain a copy for itself and forward the original to the Union. Upon voluntary signed authorization by a worker and a statement from the Union of the dollar amounts due for each worker, the Employer agrees to deduct the Union dues, and remit it to the office of the Union not later than the 30th day of the month following the month in which the dues were deducted. The Union shall indemnify and hold harmless the Employer with respect to any asserted claim or obligation or cost of defending against any such claim or obligation of any person arising out of the Employer’s deducting and remitting of Union dues.

SECTION 2.3 BARGAINING ROSTER

Once every month, the Employer shall inform the Union of new hires and terminated employees in the classifications listed herein in Article 1 Recognition. Additionally, the Employer will provide the Union a list of all employees covered by this Agreement. The list

will be provided as an electronic copy transmitted to the Union in a common secure format to be agreed upon by the Employer and the Union. The list shall include the name, address, primary phone number, email address if available, Social Security number, gender, date of birth, date of hire, rate of pay, job class, FTE status, hours worked, gross earnings in the pay period, amount of dues, fees, COPE contributions or other elected deductions, deducted from each employee's pay.

SECTION 2.4 VOLUNTARY POLITICAL ACTION FUND DEDUCTION (COPE)

The Employer will honor written assignment of wages to the Union for the payment of voluntary contributions to the Union's Committee on Political Education (COPE) Fund, as well as any additional contributions to the Union the employee elects. The Employer will remit such contributions to the Union in accordance with the procedure set forth in this section. Upon remittance to the Union, the Employer's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wage for the payment of COPE contributions hereby undertake to indemnify and hold the Employer harmless from all claims, demands, suits, or other forms of liability that may arise against the Employer for or on behalf of any deduction made from wages of such employee.

ARTICLE 3: UNION REPRESENTATION

SECTION 3.1 ACCESS

Duly authorized representatives of the Union may have access with reasonable notice and at reasonable times to those areas of the Employer's premises that are open to the general public for the purpose of investigating grievances and contract compliance. Union representatives shall not have access to those areas of the Employer's premises that are not open to the general public. The family room may be accessed by a Union representative if advance approval has been obtained from the Employer. Approval will not be unreasonably withheld. Access to the Employer's premises shall be subject to the same general rules applicable to other non-employees and shall not interfere with or disturb employees in the performance of their work during working hours and shall not disrupt the residents or interfere with resident care of the normal operations of PSJCC.

SECTION 3.2 UNION ADVOCATES & OFFICERS

The Union will designate its officers and advocates from among the Registered Nurses in the bargaining unit. The Employer will not recognize these officers and advocates until the Union has provided the Employer written notice. The Union may designate up to three (3) RNs as advocates and as many as two (2) alternatives. The Advocate is the RN representative responsible for handling grievances and disciplinary issues with the Employer. The investigation of grievances and other Union business will be conducted only during non-working time.

SECTION 3.3 BULLETIN BOARDS

The Employer will permit the use of two bulletin boards; locations to be determined. Such bulletin board space shall be used for Union announcements and notifications specific to the RN bargaining unit. A copy of all postings shall be given to Human Resources prior to posting for its records and all postings will be signed by a designated Union representative or designee. The Union will confine its postings to the designated bulletin boards. If Human Resources deems a posting inappropriate or inconsistent with this Agreement, the Employer will notify the Union, and both parties will mutually agree on any necessary changes to the posting prior to its display.

SECTION 3.4 UNION LEAVE

Subject to appropriate advance notice and scheduling requirements, each Union officer and advocate will be permitted up to two (2) days per calendar year of unpaid leave to attend Union-sponsored events. The Employer will consider the request in good faith and will work with the employee to determine if the request can be granted based on patient needs and work requirements.

SECTION 3.5 NEW CAREGIVER ORIENTATION FOR REGISTERED NURSES (NCO)

The Employer will provide advance notice of orientations to the Union organizer designated for the facility. The Employer agrees that a duly authorized Union advocate or Union representative may meet with newly hired Registered Nurses immediately following the Employer's general orientation held at the Ministry for a period of up to fifteen minutes. The meeting will be on unpaid time. Upon request of the advocate, the Employer agrees to work collaboratively to allow break time to coincide with the NCO meeting consistent with patient needs and work requirements.

ARTICLE 4: DEFINITIONS

SECTION 4.1 PROBATIONARY EMPLOYEE Newly hired Registered Nurses will be probationary employees for the first ninety days following hire. PSJCC reserves the right to extend the probationary period with notice to the RN, with mutual agreement. During the probationary period, the Registered Nurse may be terminated without notice and without recourse to any grievance procedure.

SECTION 4.2 REGULAR FULL-TIME EMPLOYEE

An RN who is regularly scheduled not less than forty (40) hours per week or eighty (80) hours per fourteen (14) day period is considered a regular full-time employee.

SECTION 4.3 REGULAR PART-TIME EMPLOYEE

An RN who is regularly scheduled less than (40) hours per week or eighty (80) hours per fourteen (14) day period is considered a regular part-time employee.

SECTION 4.4 TEMPORARY AND ON-CALL EMPLOYEE

An on-call employee shall be defined as an employee not regularly scheduled to work and/or an employee called in to work on an unscheduled, intermittent basis. On-call employees are included in the bargaining unit. On-call employees will work at least one shift every month, if called by the employer, depending on availability of work. On-call employees shall provide the employer a written notice of availability. Nothing in this section obligates the Employer to offer on-call employees any number of shifts. Temporary Registered Nurses shall be excluded from this bargaining unit.

4.4.1 A temporary or on-call Registered Nurse who is selected for a benefit-eligible full time or part time status position shall be given credit for time spent as a temporary or on-call employee in the same job classification for the purposes of wages and PTO accrual. The employee shall be subject to the probationary period set forth in Section 5.1 unless the employee is appointed to a position in the same job classification.

ARTICLE 5: EMPLOYMENT PRACTICES

SECTION 5.1 JOB OPENINGS

Notices of open positions for Registered Nurses covered by this Agreement shall be posted electronically on the Employer's website for both internal and external candidates. In filling vacancies in positions covered by this Agreement, present full-time and part-time, and then on-call RNs shall be given first consideration on the basis of skills, abilities, experience, competence or qualifications as determined by the Employer. To be considered for an opening, an employee must submit an online application for each posted position.

SECTION 5.2 EQUAL OPPORTUNITY & NON-DISCRIMINATION

5.2.1 EQUAL OPPORTUNITY

The Employer and the Union mutually agree not to discriminate or condone harassment in any manner, in conformance with applicable federal, state, and local laws and regulations.

SECTION 5.3 NOTICE OF RESIGNATION

Registered Nurses shall be required to give at least fourteen (14) calendar days' written notice of resignation. The fourteen (14) day notice requirement shall not include any PTO or unverified EIB. Failure to give the required notice may result in loss of accrued PTO. The Employer will give consideration to situations that would make such notice by the employee impossible.

SECTION 5.4 HEALTH AND SAFETY

5.4.1 At the time of employment and annually thereafter, the Employer shall provide tuberculin screenings for Registered Nurses, and then shall provide tuberculin testing depending on the results of the screening, consistent with state law at no cost to the RN. If the Registered Nurse's initial test proves positive, the RN will be referred for a chest x-ray as appropriate and at no cost to the RN.

5.4.2 All Registered Nurses will be strongly encouraged to consider taking the Hepatitis titer and Hepatitis B vaccine. Hepatitis vaccine will be available without cost through the Employer.

5.4.3 The Employer requires all Registered Nurses to obtain an annual influenza vaccine subject to an approved religious or medical exemption, which will be provided at no cost to the employee.

SECTION 5.5 CAP PROGRAM (CAREGIVER ASSISTANCE PROGRAM)

5.5.1 The Employer and the Union recognize that alcohol and chemical dependency are chronic and treatable conditions. The Employer and the Union support efforts which will enable the chemically impaired employee to remain employed as long as performance expectations are maintained and the employee does not require supervision in a position where working independently is a part of the employee's job responsibilities.

Efforts should be made by the employee to identify these conditions and the treatment options at an early stage to prevent or minimize erosion on work performance when applicable.

5.5.2 The Employer further acknowledges that alcoholism and chemical dependency are health conditions for which the employee is eligible for accrued PTO/EIB and/or health leave of absence under the same terms as other health conditions provided the employee is participating in an approved treatment/rehabilitation program.

5.5.3 The Employer and the Union acknowledge that employees continue to be responsible for maintaining satisfactory job performance and attendance and for compliance with the Employer's policies and procedures.

SECTION 5.6 DISCIPLINE AND DISCHARGE

No Registered Nurse shall be discharged except for just cause. "Just cause" will include the concept of progressive discipline (such as verbal and written reprimands, the possibility of suspension and termination). Which level of progressive discipline the Employer will use in a given situation will depend on the circumstances and severity of the regular employee's conduct or work performance as evaluated by the Employer. Progressive discipline shall not apply when the nature of the offense is just cause for immediate suspension or discharge.

Registered Nurses shall receive a copy of all progressive discipline warnings to be placed in their personnel file. RN's shall be required to sign the written warnings within forty-eight (48) hours for the sole purpose of acknowledging receipt thereof. The Employer agrees to provide a copy of the written disciplinary action to the Union within seventy-two (72) hours of issuance. The inadvertent failure to provide the Union with a copy of the disciplinary action will not be sufficient grounds to overturn the discipline. However, if such failure causes the Union to miss the deadline to file a grievance for the discipline, the deadline shall be extended based on when the Employer provides notice.

Registered Nurses who have been discharged by the Employer shall, upon request by the employee, be given a written statement of the cause of discharge by the Human Resources Department at the time of discharge or within a reasonable time thereafter.

Employees may ask to have written disciplinary action in their personnel file noted as inactive if two years have passed without a related discipline. Such requests will not be unreasonably denied.

SECTION 5.7 EVALUATIONS

The Employer shall provide employee evaluations annually in accordance with its current practice. The employee may access their evaluation via the i and may make comments responsive to their evaluation.

SECTION 5.8 PERSONNEL FILE

The Employer shall provide Registered Nurses access to their personnel files by appointment, subject to the deletion of third party reference material. Such files will be made available within a reasonable period of time and will be reviewed by the Registered Nurse with a representative of the Human Resources Department or the department manager or designee in attendance. Registered Nurses will be permitted to prepare a written rebuttal to materials to be placed in their Personnel File.

SECTION 5.9 POSTING OF SCHEDULES

The Employer will make a good faith effort to ensure that schedules are posted fourteen (14) days before the next six-week rotation and will strive for two (2) weeks prior to posting the next six-(6) week rotation. Absent emergency or unanticipated circumstances, the Employer and the Registered Nurses will adhere to the posted schedule. The Employer

agrees to assess Registered Nurse requests to deviate from the posted schedule based on operational needs.

With the exception of emergency conditions involving patient care, including an unavailability of qualified employees which was not reasonably anticipated at the time of the schedule posting or low census conditions, individual scheduled hours of work set forth on the posted work schedules may be changed only by mutual consent. If the Employer is required to change the schedule after it has been posted, the Employer shall, to the extent reasonably possible, first seek volunteers, contact employees who have placed themselves on a list of employees willing to work extra hours, and seek on-call employees before assigning an employee to a vacant shift without consent. The Employer shall document efforts to fill the vacant shift(s).

Changes to the posted schedule do not include change of assignments.

Prior to implementing changes to the schedule impacting a substantial number of Registered Nurses, the Employer will notify the Union and, upon request, discuss the possible impacts of the proposed changes, at least 30 days prior to implementation.

SECTION 5.10 LOW CENSUS STAFFING

The Employer may have to reduce its staff in certain departments due to low census days. The Employer will assign such staff reduction as follows:

5.10.1 On-Call Registered Nurses will be asked to reduce their hours.

5.10.2 Regular full-time and part-time Registered Nurses will be offered the opportunity to voluntarily reduce their scheduled hours. If more Registered Nurses volunteer for low census than the Employer determines is necessary, the decision will be based on seniority. Registered Nurses may choose to use accrued PTO to make up for the loss in compensation.

5.10.3 If no volunteers are found, the Employer will equitably rotate low census on each shift, in reverse order of seniority. After each RN on the list has taken their turn, the list will start over again.

5.10.4 For RNs who have volunteered to take a day off, that RN's name will be crossed off from the mandatory low census list, and when their turn comes up, staffing will skip their name and proceed to the next RN on the list.

ARTICLE 6: SENIORITY

SECTION 6.1 DEFINITION

Seniority shall be defined as continuous length of service with the Employer from most recent date of hire for all RN's covered by this Agreement. Seniority shall not apply to an RN until completion of the required probationary period. Upon satisfactory completion of this probationary period, the RN shall be credited with seniority from the most recent date of hire.

SECTION 6.2 TRANSFERS FROM OTHER PROVIDENCE FACILITIES

Registered Nurses transferring to PSJCC from other Providence Health and Services facilities will be credited with length of service for time worked as a Registered Nurse in skilled nursing/long term care for purposes of PTO and medical benefit accruals provided they have maintained continuous service.

SECTION 6.3 LAYOFF

Layoff decisions will be based on skill, ability, experience, past performance, and quality of work. Seniority will be used as a tie-breaker. Registered nurses will receive two weeks' notice of layoff or two (2) weeks' pay in lieu of notice plus any accrued PTO.

SECTION 6.4 RECALL

6.4.1 Registered Nurses will retain their seniority for twelve (12) months from layoff date.

6.4.2 In all rehiring from layoff, the selection of the RN for rehire will be based on the department needs and the RN's qualifications in the opinion of PSJCC based upon objective job relevant criteria.

6.4.3 Each RN subject to layoff will notify the Employer and the Union in writing of any changes in mailing address.

ARTICLE 7: HOURS OF WORK AND OVERTIME

SECTION 7.1 DEFINITIONS

A. Work Day: The normal work day shall consist of eight (8) hours work to be completed within eight and one-half (8½) consecutive hours.

B. Work Week: The normal work week shall consist of forty (40) hours of work within a regular recurring seven (7) day period. The work week shall begin at 12:01 a.m. on Sunday and end at 12:00 midnight Saturday.

SECTION 7.2 OVERTIME

Employees who work more than forty (40) hours in a seven day work period shall be compensated at time and one-half (1.5X) their regular rate of pay for all hours worked in excess of forty (40) in the work period. Time paid for but not worked shall not count as time worked for purposes of computing overtime pay.

Employees on 8/80 receive time and one half (1 1/2) after eight (8) hours in a day or eighty (80) hours in a two week period.

All overtime must be approved by the supervisor.

SECTION 7.3 MEAL/REST PERIODS

Employees will be allowed an unpaid meal period of one-half (1/2) hour when working five hours or more. Meal periods and rest periods will be administered in accordance with state law (WAC 296-126-092).

Employees required by the Employer to remain on duty during their meal period will be compensated for such time at the appropriate rate of pay.

All employees will be allowed one paid rest period totaling fifteen (15) minutes, for each four (4) hours of working time, which may be taken intermittently based on scheduling requirements.

SECTION 7.4 REPORT PAY

When a Registered Nurse arrives to work a scheduled shift and the employer cancels the shift without two (2) hours notice, that Registered Nurse may be required to work and will be compensated for a minimum of two (2) hours at the regular rate of pay. No report pay applies when the Employer makes a good faith effort to give the Registered Nurse two (2) hours notice not to come to work.

SECTION 7.5 WEEKEND WORK

The Employer will endeavor to schedule regular full-time and part-time Registered Nurses to every other weekend off. This shall not apply to designated weekend positions.

SECTION 7.6 REST BETWEEN SHIFTS

In scheduling work assignments, the Employer will make a good faith effort to provide each employee with at least twelve (12) hours off duty between shifts except for employees whose work schedule dictates otherwise. This Section will not apply to time spent for educational purposes, committee meetings, or staff meetings.

ARTICLE 8: WAGES

8.1 PLACEMENT

The employees covered under this Agreement are paid on the scale set forth in Appendix A, which is attached hereto and made part of this Agreement.

Effective the first full pay period following September 1, 2019, bargaining unit members' rates of pay will be increased by an amount determined by PSJCC in administering its performance and development program with a minimum of 2.0% and a maximum 4.0%, but not exceeding the maximum of the range, and excluding employees on a Final Written Warning in the six (6) months preceding September 1, 2019. However, if this Agreement is not ratified within seven (7) days after September 1, 2019, wage increases will be effective the first full pay period following the date of ratification of this Agreement. The Employer will provide the Union with pay report showing the wage increases implemented pursuant to this paragraph.

Nothing herein shall preclude the Employer from increasing wages within the ranges specified in this Section and Appendix A, or from paying premiums at a higher rate than established herein.

SECTION 8.2 SHIFT DIFFERENTIAL

Any shift differentials and Holiday Pay practices, currently in use shall remain in full force during the life of this Agreement.

Hiring Rates. Employees shall be hired within the wage range in Appendix A at a rate corresponding to their verifiable experience, as determined by the Employer. In the event the Employer hires a new employee at a rate above that of a current employee(s) with comparable experience, the Employer will adjust the rate of the current employee(s) to match the new employee's rate.

APPENDIX A

MIN	MID	MAX
30.00	36.00	42.00

ARTICLE 9: PTO AND HOLIDAYS

SECTION 9.1 PAID TIME OFF

The Employer will follow its current PTO policies, which may be amended from time to time at the Employer's discretion. Should the Employer desire to make material modifications to its current PTO policies, it will provide the Union with 45 days' notice and an opportunity to discuss such changes. The PTO program provides eligible employees with the opportunity to have paid time off for various reasons including vacation, holidays, personal time and illness. Vacation, holiday and personal time hours are accrued as PTO (Paid Time Off) hours.

Full-time and part-time employees are eligible to accrue PT hours based on their regular straight-time hours worked each pay period up to a maximum of forty (40) hours per week and 2080 hours per year.

9.1.1 Accrual Schedule

Current PTO accruals are as follows:

Length of Service	PTO Days Accrual per Year (based on 8 hr shift)	PTO Hours Per Year			PTO Hours Per Pay Period			Maximum PTO Hours Accrual/Year

*Amounts pro-rated if worked less than 1.0 FTE

**Pursuant to state law, PTO-Safe Sick accruals are not capped. PTO-Safe Sick continues to accrue throughout the year. However, no more than 108 hours of PTO-Safe Sick may be carried over to the following calendar year.

Paycheck stubs will indicate employees' current PTO leave accumulation.

SECTION 9.2 – SHORT TERM DISABILITY/PAID PARENTAL LEAVE

The Employer provides a Short Term Disability and a Paid Parental Leave benefit. Short Term Disability and Parental Leave will be paid at 65% of the employee’s base rate of pay plus

shift differential plus certification premium, if applicable. Participation shall be subject to specific plan eligibility requirements and timely submission of benefit election.

Beginning January 1, 2020, employees may also be eligible for paid family and medical leave benefits through the state-administered Washington Paid Family and Medical Leave Act. Both the Employer and employees will be required to pay into this program at the statutory rates. Employer-offered short-term disability and paid parental leave benefits are coordinated with the additional benefits available through the Washington Paid Family and Medical Leave Program to ensure an employee receives 65% of their eligible pay.

SECTION 9.3 PTO SCHEDULES

Employees are required to use accrued PTO for planned and unplanned time off. Department management may approve or deny time off requests in writing based on department needs and work requirements. Employees are encouraged to appropriately plan the use of their PTO accrual to ensure available PTO remains in their accrual bank for absences due to short term illness and observed holidays. When accrued PTO are exhausted, any remaining time off will be unpaid for non-exempt employees.

- a) Employees are required to use accrued PTO time before requesting any unpaid time off
- b) Employees may only request PTO to replace regularly scheduled hours, not to exceed their normally scheduled work week hours.

PTO requests shall not be unreasonably denied. PTO will begin accruing the first day of employment. All PTO must be approved by a supervisor before it is taken unless it is used for unplanned time off. PTO requests will be approved on a first come/first serve basis. If duplicate requests for time off are submitted, seniority will apply.

9.3.1 PTO CASH-OUT

Employees may cash out a portion of their own PTO balance annually subject to conditions established by the Employer, which may be modified from time to time.

SECTION 9.4 WORK ON HOLIDAYS

All full-time, part-time and per diem employees who work on the holidays shall be paid in accordance with PSJCC policy which may be amended from time to time by PSJCC. The Employer will provide notice to the Union of any changes to this policy. Currently recognized holidays are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

SECTION 9.5 ROTATION OF HOLIDAY WORK

Holiday work will be rotated by the Employer to the extent practicable given patient care needs.

SECTION 9.6 PAYMENT UPON RESIGNATION

Employees will be paid upon resignation of employment for all PTO accrued but unused in accordance with Employer policy.

SECTION 9.7 PAY RATE

PTO pay will be paid at the employee's regular rate of pay.

SECTION 9.8 NOTIFICATION

Employees will notify their supervisor or designee not less than two (2) hours in advance of the employee's scheduled shift, if the employee is unable to report for duty as scheduled. Failure to comply with the above specified notification requirements may result in disciplinary action.

SECTION 9.9 PROOF OF ILLNESS

Reasonable proof of illness may be required for illnesses in excess of two (2) days. Proven abuse of paid leave may be grounds for discharge.

SECTION 9.10 RETURN TO WORK

The Employer may require physician/health care professional's documentation and release to return to work.

SECTION 9.11 ON-THE-JOB INJURY

Accrued PTO/EIB may be used to supplement the amount received by an employee from Workers' Compensation Insurance up to the employee's regular rate of pay.

ARTICLE 10: LEAVES OF ABSENCESECTION

SECTION 10.1 IN GENERAL

All leaves of absence must be requested from the Employer by an employee in writing as far in advance as possible stating the reason for the leave and the amount of time requested. Except as otherwise provided for in this Agreement or by law, the Employer may grant or deny the request. A leave of absence begins on the date of first absence from work. Failure to return from a leave of absence by the return date for approved leave may subject an employee to discipline up to and including discharge from employment with the Employer.

10.1.1 The Employer agrees to follow current HR policies related to leaves of absence, which may be modified from time to time. The Employer will provide the Union with at least thirty (30) days' notice of any material changes to these policies. Policies may be accessed at caregiver.ehr.com.

10.1.2 The Employer will comply with federal and state laws and regulations with regard to leaves of absences available to eligible workers, including but not limited to federal Family

Medical Leave Act (FMLA), Washington state's Family Leave Act (WFLA), federal Uniformed Services Employment and Reemployment Rights Act (USERRA), Washington state's Military Family Leave Act ("MFLA" - RCW 49.77), and Washington state's Domestic Violence Leave Act ("DVLA" - RCW 49.76). The parties agree that this Section 10.1.2 will not be the basis of any grievance proceeding. In the case of any alleged violation of this Section, the Union may contact the Employer to discuss the allegations.
