PREAMBLE

This document constitutes an Agreement by and between the Governor of the State of Washington hereinafter referred to as the "Employer," and SEIU 775 hereinafter referred to as the "Union," and in accordance with the provisions of RCW 74.39A.270.
ARticle 1
Recognition

SEIU 775 (“Union”) is recognized as the sole and exclusive representative for all individual providers of in-home care services (“home care workers,” “caregivers,” or “individual providers”) as defined in RCW 74.39A.240 and under the provisions of 74.39A.270, excluding supervisors, confidential employees, and all other employees. Provided there is no question concerning representation or the definition of the bargaining unit pursuant to statute and the rules of the Public Employment Relations Commission, if the Union merges with other organizations, consolidates parts of other organizations, modifies its name or makes any other similar changes, recognition by the Employer will follow as designated by SEIU 775 and the Service Employees International Union. The parties also recognize that other agencies and/or contractors or subcontractors of the Employer may continue to be responsible for implementation and administration of certain provisions of this Agreement as specifically provided herein or as directed by the Employer.

article 2
Union Rights

2.1 Union Representatives
The Employer shall recognize Union advocates and Union staff representatives in the course of their representational duties. The Union shall advise the OFM/State Human Resources/Labor Relations Section (LRS) of the names and phone numbers of Union advocates and representatives by written notice within thirty (30) days of appointment by the Union and include the nature, scope and authority granted each by the Union.

2.2 Access to Employer Premises
Duly authorized representatives of the Union shall have access at reasonable times to those areas of the Employer’s premises that are open to the general public. Access to the Employer’s premises shall be subject to the same general rules applicable to other non-employees and shall not interfere with or disturb the normal operation of the Employer. Advocates and other worker representatives shall perform representational activities or other Union business with individual providers only during the non-working time of the individual provider and shall not otherwise interfere with the work of individual providers or home care services provided.

2.3 Access to New Individual Providers during the Contracting Process and Safety and Orientation Trainings
A. Both parties mutually agree that union access to contracting should not create a barrier to individual providers becoming contracted in a timely manner and/or lead to delays in providing client care.
B. The Union will be provided the opportunity to meet with new individual providers for thirty (30) minutes during the contracting process in non-public areas. Wherever possible and within existing resources, the Employer and its agents will consolidate contracting appointments into one (1) or two (2) designated session(s) per week, will consolidate contracting appointments into group sessions and will inform the Union of the designated session(s) for each office. In-person meetings between individual providers and authorized representatives of the Union will not include the Employer or its agents.

C. Wherever possible and within existing resources, the Employer’s offices that are co-located within the same building with other agencies and contractors of the Employer that have less than an average of seven (7) individual providers per office contracted per week shall:

1. Consolidate all contracting into one (1) office at the Employer’s discretion, or

2. Share contracting responsibilities among the offices so that no one (1) office is hosting contracting appointments more than once per week.

D. The Employer will make every effort to consolidate in accordance with Subsection 2.3 A-C. The parties may mutually agree to have more than two (2) sessions to meet the demand however, the final decision regarding consolidation is determined by the Employer.

E. Individual providers will not be required to meet with Union representatives and will not suffer discrimination or retaliation as a result of their choice to meet or not to meet. The Employer and their agents will remain neutral, and will not either encourage individual providers to meet or discourage them from meeting with Union representatives.

F. In some cases, various circumstances such as scheduling conflicts, rural locations, emergent client needs or unanticipated matters require contracting appointments outside of the designated session(s) for a particular office. In these exceptional circumstances the State will, on a weekly basis, provide a list to the Union of contracted individual providers that did not attend contracting appointments during designated session(s). The Employer will provide this list through a mutually agreed-upon secure method.

G. The parties agree to use and expand telephonic and/or video conferencing in offices where such interfacing could be feasible to facilitate union access.

If the Employer’s office has regularly scheduled recurring times for individual providers to view the initial safety and orientation training, the Employer will make the Union aware of these reoccurring meetings on an annual basis. The Employer
will also provide fifteen (15) minutes for a Union representative to meet with the individual provider(s).

2.4 **Union Bulletin Boards**

The Union shall have a right to bulletin board space in the offices of the Employer, its agencies, contractors, or subcontractors that individual providers necessarily frequent due to work-related business. The Union shall be solely responsible for the costs and maintenance of all bulletin boards. The Union will provide bulletin boards (no larger than two feet by three feet [2’x3’]). The bulletin boards will be clearly marked as Union bulletin boards and will be maintained by Union worker representatives and/or Union staff. Union communications may not be posted in any other location or agency.

The parties agree that the Union and the Employer or its agencies, contractors or subcontractors (whichever is appropriate), will discuss the location in the facility for the Union bulletin board, and if they are unable to agree on a location the Employer will attempt to remedy the situation, appropriate to their subcontracted agent. The Employer shall inform contractors and subcontractors of the rights of the Union to bulletin board space.

2.5 **Websites**

Websites maintained by the Employer that individual providers might reasonably access to seek employment-related information shall contain a link to the Union’s website, provided that the link is in compliance with RCW 42.52.

2.6 **Orientation Materials Provided by Employer**

Orientation materials distributed by the Employer, its agencies, contractors or subcontractors to individual providers shall include union membership applications and union orientation materials. Union materials distributed by the Employer shall be neutral in tone. It shall be the Union’s responsibility to provide the Employer with sufficient copies of such materials for distribution during orientation and training.

2.7 **Access to Pay Envelopes**

The Employer agrees to include information provided by the Union in pay envelopes sent to individual providers, subject to the following conditions:

A. The Union shall provide such materials to the Department no later than thirty (30) calendar days prior to the first day upon which the Union requests that the materials be included in pay envelopes mailed to individual providers.

B. Except by consent of the Employer, the size and weight of such materials to be included in the pay envelopes for any pay period shall not exceed two (2) pieces of printed materials, one (1) of which may be no larger than eight and one-half inches by eleven inches (8.5”x11”) and no heavier than twenty
pound (20 lb.) weight, and the other of which may be a pre-printed number ten (#10) or smaller return envelope of standard weight.

C. The subject matters and contents of any materials provided shall be in conformance with RCW 42.52.

D. The Union agrees to reimburse the Department for any increase in postage costs arising from the inclusion of the Union materials.

E. When feasible, the Employer shall provide the Union at least fourteen (14) days advance notice prior to sending a mail communication to the entire individual provider group. In the event fourteen (14) days advance notice is not feasible, the Employer will send the notice to the Union as soon as possible, but at a minimum, at the same time the notice is sent to the entire individual provider group.

2.8 Union Communications through Payroll Website

A. Link to Union Website
   The Employer shall display a link to the Union website on the opening webpage of the online payroll website. The landing page for the Union website link supplied on the payroll website must be in compliance with RCW 45.52.

B. Notification of Message from Union
   When a home care worker logs into the payroll website, the initial screen will include a notification of new message(s) from the Union. The notification box on the initial page shall be sufficient to provide detail of sender and subject of the message. The subject matter and content of the notification message shall be in conformance with Chapter RCW 42.52. The Union shall provide materials to be included in the notification message no later than twenty-one (21) days prior to the day the notification will be sent.

ARTICLE 3
EMPLOYER RIGHTS

3.1 It is understood and agreed by the parties that the Employer has core management rights. Except to the extent modified by this Agreement, the Employer reserves exclusively all the inherent rights and authority to manage and operate its facilities and programs. The parties agree that all rights not specifically granted in this Agreement are reserved solely to the Employer and the Employer has the right to decide and implement its decisions regarding such management rights. The wages, benefits, hours, and working conditions of bargaining unit members shall continue to be mandatory subjects of bargaining between the parties and as provided in Article 17, Duty to Bargain.
3.2 **Rights Reserved to the Employer**

Examples of the rights reserved solely to the Employer, its agents and officials and to the extent these rights may be limited by other provisions of this Agreement as expressly provided herein include, but are not limited to, the right:

A. To operate so as to carry out the statutory mandate of the Employer.

B. To establish the Employer’s missions, programs, objectives, activities and priorities within the statutory mandates.

C. To plan, direct and control the use of resources, including all aspects of the budget, in order to achieve the Employer’s missions, programs, objectives, activities and priorities; however, this paragraph shall not be interpreted to limit the Union’s right to advocate for budget allocations that may be different from what the Employer may propose.

D. To manage, direct and control all of the Employer’s activities to deliver programs and services.

E. To develop, modify and administer policies, procedures, rules and regulations and determine the methods and means by which operations are to be carried out.

G. To make and execute contracts and all other instruments necessary or convenient for the performance of the Employer’s duties or exercise of the Employer’s powers, including contracts with public and private agencies, organizations or corporations and individuals to pay them for services rendered or furnished.

the existence of an emergency in keeping with a reasonable and prudent standard.

N. To maintain and promote the efficiency of public operations entrusted to the Employer.

3.3 The above enumerations of Employer rights are not inclusive and do not exclude other Employer rights not specified, including but not limited to those duties, obligations or authority provided under RCW 74.39A.250 through RCW 74.39A.280 and to the extent not otherwise expressly limited by this Agreement. The exercise or non-exercise of rights retained by the Employer shall not be construed to mean that any right of the Employer is waived.

3.4 No action taken by the Employer with respect to a management right shall be subject to a grievance or arbitration procedure or collateral action/suit, unless the exercise thereof violates an express written provision of this Agreement.

3.5 **Fulfillment of Statutory Obligation**  
As provided under RCW 74.39A.270 (5) this Agreement expressly reserves:

The right of the Washington State Legislature to make programmatic modifications to the delivery of state services under RCW 74, including standards of eligibility of consumers and individual providers participating in the programs under this title, and the nature of services provided.

Nothing contained in this Agreement shall be construed as to subtract from, modify or otherwise diminish these rights in any manner.

**ARTICLE 4**  
**UNION MEMBERSHIP AND DEDUCTION OF DUES, CONTRIBUTIONS AND FEES**

4.1 **Union Membership and Deduction of Dues and Fees**  
A. Upon proper authorization by a home care worker of the Union for dues deduction in accordance with RCW 41.56.113(1)(a), the State as payor, but not as the employer, shall cause the appropriate entity or agency to deduct the amount of dues from each home care worker’s payment for services (paycheck, direct deposit or debit card).
B. By the 10th of each month the Employer will send the Union the 05 interface file including name, address, social security number and provider number for all workers with authorized hours for the month. The Union will provide a nightly file to the Employer containing which home care workers have affirmatively authorized dues deductions in accordance with RCW 41.56.113(1)(a). The nightly file to the Employer will include an attestation from the Union of the authenticity and accuracy of such list and that the Union has received voluntary, affirmative authorization from each individual listed. The Union will provide copies of the authorizations upon request of the State within ten (10) calendar days, unless the request is for more than one hundred (100) authorizations, in which case the parties will agree on an appropriate timeframe, which in no case will be longer than thirty (30) days. The Employer will deduct dues for any home care worker for whom it has received notice of authorized dues deduction in interface 02 no later than one (1) day prior to the payroll start date.

C. The Employer shall honor the terms and conditions of each home care worker’s signed membership card.

4.2 Voluntary Deductions
Upon receipt of proper authorization for such deductions from the home care worker or the Union, the Employer shall cause the appropriate entity or agency to deduct and transmit voluntary contributions from each home care worker’s payment for services, to two (2) funds designated by the Union or to the Union itself. The Employer shall allow deductions to such a fund or committee to be made in any amount specified by the home care worker. The deductions shall be transferred at least monthly by electronic means.

4.3 Implementation Costs
The cost of any new computer programming changes required by this Article shall be borne by the Employer. The ongoing regular cost of such deductions shall be borne by the Employer.

4.4 Indemnify and Hold Harmless
The Union and each home care worker agree to indemnify and hold harmless from all claims, demands, suits or other forms of liability that shall arise against the Employer for or on account of any deduction made from the pay of any home care worker based on information from the Union and home care worker. PRODUCTION OF AGREEMENT

Any costs over and above eighty thousand dollars ($80,000) shall be borne exclusively by the Union.

6.2 In addition to the actual text of the Agreement and by mutual agreement of the parties, the printed copy of the Agreement may contain introductory statements, highlights, or graphics included for the purposes of making the Agreement easier to understand and in order to provide the information most important to home care workers (such as their wage scales, benefits, and rights) in an easily-accessible, user-friendly format.

6.3 Regarding the production of the Agreement in languages other than English and the inclusion of introductory statements, highlights, or graphics, the parties agree that all disputes regarding the interpretation or application of this Agreement shall be determined based solely on the original English-language Agreement signed by the parties, and not upon any other language version or upon any introductory statements, highlights, or graphics.

6.4 To the extent that the Union incurs costs associated with this Article prior to the effective date of this Agreement and not exceeding eighty thousand dollars ($80,000), those costs shall be agreed upon and reimbursed by the Employer on or immediately after the effective date of this Agreement.

ARTICLE 7
GRIEVANCE AND DISPUTE RESOLUTION

7.1 Dispute Resolution Philosophy
The Employer and the Union commit to address and resolve issues in a fair and responsible manner at the lowest possible level, and to use mediation and conflict resolution techniques when possible. Our relationship depends on mutual respect and trust based on our ability to recognize and resolve disagreements rather than avoiding them.

Prior to filing a grievance, the Union and the Employer will attempt wherever possible to resolve problems informally and not to resort to the formal grievance procedure.

7.2 Grievance Definition
A grievance is defined as a contention of a misapplication or violation concerning the application or interpretation of this Agreement.

7.3 Grievance/Dispute Resolution Procedure
Step 1. Informal Resolution
The home care worker and/or a Union representative may confer with the Employer's designated representative and attempt to resolve the issue informally.
For grievances related to the Employer’s payroll system, the Union shall have up to forty-five (45) calendar days to engage in the informal process. If the issue is not resolved informally, and/or remedies are not granted, the Union shall have thirty (30) additional calendar days to submit a written grievance, in accordance with Step 2 of Article 7.3.

**Step 2. Written Grievance**

If the grievance is not resolved at Step 1, the home care worker and/or Union representative shall set forth the grievance in writing including a statement of the pertinent facts surrounding the grievance, the date on which the incident occurred, the alleged violations of the Agreement, and the specific remedy requested.

The written grievance shall be submitted to the Employer within thirty (30) calendar days of the occurrence of the alleged violation or within thirty (30) calendar days of when the home care worker or the Union could reasonably have been aware of the incident or occurrence giving rise to the grievance. The written grievance shall be submitted by email to labor.relations@ofm.wa.gov.

The Employer or the Employer's designee shall meet with the grievant and their Union representative within fourteen (14) calendar days of receipt of the written grievance, in order to discuss and resolve the grievance. Subsequent to this meeting, if the grievance remains unresolved, the Employer will provide a written response to the grievance by email within fourteen (14) calendar days from the date the parties met to discuss the grievance. If the response does not resolve the grievance, the Union may, within fourteen (14) calendar days of receipt of the response, proceed to Step 4, Arbitration.

**Step 3. (Optional) Mediation**

As an alternative prior to final and binding arbitration in Step 4, if the matter is not resolved in Step 2 the parties may choose by mutual agreement to submit the matter to mediation in order to resolve the issue. The party requesting mediation of the dispute must notify the other party by email no later than fourteen (14) calendar days of receipt of the written response from the Employer in Step 2. The party receiving the request for mediation must notify the other party by email within fourteen (14) calendar days of receipt of the request whether or not it agrees to mediate the dispute. If the party receiving the request does not agree to mediate the dispute, the Union may, within fourteen (14) calendar days of the email notification of the decision not to mediate, proceed to Step 4, Arbitration.

If the parties agree to mediation, they shall select a neutral mediator. Both parties shall submit a statement of their position on the issue. The mediator may also bring the parties together in person to attempt to resolve the issue.

The parties shall each pay one-half (1/2) the costs or fees, if any, of the neutral mediator. Each party shall be responsible for its own costs, including the costs of representation, advocacy and the costs of that party's appointed representatives.
If the issue is successfully resolved by mediation, the decision shall be binding on all parties, and shall, unless specifically agreed otherwise, form a precedent for similar issues. If the issue is not successfully resolved through mediation, the Union may, within fourteen (14) calendar days of receipt of a written declaration of impasse or rejection of a settlement offer from either party, proceed to Step 4, Arbitration.

**Step 4. Arbitration**

If the grievance is not settled at Step 2 or 3, it may, within the time frames noted above, be referred by the Union to final and binding arbitration. The arbitrator shall be mutually agreed upon by the parties, within thirty (30) calendar days of the request for arbitration, or, upon failure to agree upon an arbitrator, the Union shall, within forty-five (45) calendar days of the original request for arbitration, request a list of seven (7) arbitrators from the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS). The parties shall select an arbitrator within fourteen (14) calendar days of receiving the list by alternately striking names from the list of seven (7) arbitrators. A coin toss shall determine which party shall first strike.

The award of the arbitrator shall be final and binding upon both parties. The parties shall each pay one-half (1/2) the costs of the arbitration, including the fees of the arbitrator and the proceeding itself, but not including the costs of representation, advocacy, or witnesses for either party. The arbitrator shall have no power to add to, subtract from, or change any of the terms or provisions of this Agreement.

**7.4 Time Limitations**

The parties agree that the time limitations provided in this Article are essential to the prompt and orderly resolution of any grievance, and that each will abide by the time limitations. To this end, grievances must be processed within the periods of time specified above. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day that is not a Saturday, Sunday or holiday. Any grievance not properly presented in writing and within the time limits specified, or any grievance not moved to the next step within the specified time limits shall be considered to have been withdrawn. If the Employer fails to meet the time limitations specified, the Union may move the grievance to the next step. Time limitations may be extended by mutual agreement of the parties.

**ARTICLE 8**

**COMPENSATION**

**8.1 Wages**

Effective July 1, 2019, current home care workers will be placed on a step commensurate with their IP hours of work retroactively calculated to July 1, 2005. Bargaining unit home care workers will be paid according to the wage scales found in Appendix A. During the life of this Agreement wages shall be adjusted upward for each home care worker based upon accumulation of hours not including time
spent as mentors pursuant to Section 8.2. All home care workers shall be paid strictly on an hourly basis. Except as modified by this Agreement, all home care workers shall be paid strictly according to the wage scales. This advanced training differential stacks on top of the certification differential described above (e.g., an employee who has completed the home care certification and the advanced training requirements shall be paid fifty cents [$0.50] above their regular hourly wage rate).

8.3 Mileage Reimbursement

Home care workers shall be compensated when the IP drives their personal vehicles to provide services to their consumers (such as essential shopping and travel to medical services) authorized under the care or service plans. Such compensation shall be paid on a per-mile-driven basis at the standard mileage rate recognized by the Internal Revenue Service up to a maximum of one-hundred (100) miles per month per consumer.

Home care workers providing transportation to services funded by the Home and Community Based Services (HCBS) waivers, the DDA Individual and Family Services Program, or the Veteran’s Directed Home Services and identified in the consumer’s Individual Support Plan, in excess of the above maximum per month, will be reimbursed up to an additional maximum authorized by the case manager.

This AHCAS or ABHCAS differential stacks on top of the certification differential described in Section 8.2, if applicable, and the advanced training differential in Section 8.2.
8.5 **Administrative Time**
Individual providers shall be compensated an additional fifteen (15) minutes per pay period for the purposes of recording and submitting timesheets.

9.3 **Payroll Deductions**
With adequate advance notice of no fewer than thirty (30) days, the Employer shall perform any such premium-share payroll deductions as directed by the Trust and as authorized by any home care worker. Initial and ongoing computer programming

The Employer and the Union agree to cooperate with the Trustees of the designated Trust in distributing benefit plan information and in obtaining and providing such census and other data as may be required by the Trust.

9.6 Indemnify and Hold Harmless
The Trust shall be the policy holder of any insurance plan or health care coverage plan offered by and through the Trust. As the policy holder, the Trust shall indemnify and hold harmless from liability the Employer from any claims by beneficiaries, health care providers, vendors, insurance carriers or home care workers covered under this Agreement.

The Employer shall provide worker’s compensation coverage for all home care workers in the bargaining unit. All home care workers shall complete any required health and safety training.

10.2 Worker’s Compensation Premiums
The home care worker premium share for worker’s compensation insurance shall be paid by the Employer. If applicable laws or rules prevent the Employer from paying the premium share at any time during the life of this Agreement, the Employer shall adjust each step of the wage scale established under Article 8, Compensation of this Agreement upward by an amount equivalent to the home care worker premium share for worker’s compensation insurance.

10.3 Third-Party Administrator
The Employer may contract with a third-party administrator in order to administer the worker’s compensation coverage provided to home care workers in the bargaining unit. The third-party administrator shall be responsible for claims

**ARTICLE 11**
**PAID TIME OFF**

11.1 **Accrual**
Home care workers shall be eligible for paid time off (PTO). Effective July 1, 2019, accrual of PTO shall be one (1) hour of PTO for every twenty-five (25) hours worked and shall cap at one-hundred and twenty (120) hours.

**ARTICLE 12**
**PAYROLL, ELECTRONIC DEPOSIT AND TAX WITHHOLDING**

12.1 **Payroll System Implementation**
The Payroll System will, at a minimum, be capable of collecting and reporting demographic data, including, but not limited to, information outlined in Article 5. Bargaining Unit Information: calculating and applying variable wage rates; combining several consumers’ service hours in a single payment; adding and editing deductions at variable levels for health care premiums, Taft-Hartley fund contributions, taxes, union deductions, wage garnishments, and other purposes; providing for fax, web-based and mobile device application reporting of hours; providing for direct deposit into multiple bank or other financial institution accounts; and, upon reasonable notice, providing a reasonable level of ease and cost-control in making changes to fields and/or records for individual or system-wide payments and deductions with no significant additional cost to the Employer.

12.2 **Payroll System Payment Timelines**
The Payroll System will pay individual provider home care workers on a twice-monthly basis. Individual providers will be paid on the first and sixteenth (16th) day of each month. If the first or sixteenth (16th) day of the month falls on a Saturday, individual providers shall be paid on the previous Friday. If the first or sixteenth (16th) day of the month falls on a Sunday or recognized federal holiday, payment shall be made on the subsequent business day which is not a recognized federal holiday. Hours reported by the individual provider on or before the fifteenth (15th) day of each month, shall be paid on the first of the following month. Hours reported by the individual provider on or after the sixteenth (16th) day of the month shall be paid on the sixteenth (16th) day of the following month. Unless prohibited by law, deductions may be divided between the bi-monthly payments.

The Employer will notify an individual provider, via the contact information provided, within forty-eight (48) hours of processing a timesheet if there is a problem with how the individual provider is reporting their hours. If the individual provider corrects the error prior to the payroll cutoff date for the pay period, they will be paid within that pay period. Individual provider initiated changes made to a
timesheet after the published cutoff and changes to individual provider or client eligibility that impact payment are not subject to these timelines.

[NOTE: The language of Article 12.2 below will become effective upon implementation of the Consumer Directed Employer (CDE) for an IP.]

12.2 Payroll System Payment Timelines
The Payroll System will pay individual provider home care workers on a bi-weekly basis. Individual providers will be paid every other week for a total of twenty-six (26) paydays per calendar year. If a pay date falls on a recognized federal holiday, payment shall be made on the previous business day which is not a recognized federal holiday. The State and Union will jointly agree on the pay-date schedule.

The Employer will notify an individual provider, via the contact information provided, within forty-eight (48) hours of processing a timesheet if there is a problem with how the individual provider is reporting their hours. If the individual provider corrects the error prior to the payroll cutoff date for the pay period, they will be paid within that pay period. Individual provider initiated changes made to a timesheet after the published cutoff and changes to individual provider or client eligibility that impact payment are not subject to these timelines.

12.3 Timely and Accurate Payment
Home care workers shall be entitled to receive timely and accurate payment for services authorized and rendered. To promote a timely and accurate payroll system, the Employer and the Union shall work together to identify causes and solutions to problems resulting in late, lost or inaccurate paychecks and similar issues. The parties acknowledge the time necessary to correct errors in payments depends on the underlying nature of the error. The Employer shall identify causes and solutions to problems within a reasonable period of time but in no event more than five (5) business days from when the problem was reported.

Once the cause of the error has been identified, payment will be made as soon as possible but no later than ten (10) business days. The Union and the Employer agree to utilize the current electronic process through which complaints can be escalated, documented and resolved.

12.4 Electronic Deposit or Debit Card
Home care workers shall have the right to authorize electronic deposit into their designated account or debit care for any payment issued to them for services or other reimbursement. Debit cards will be sent to the providers within four (4) business days of the request and will be capable of being activated upon receipt.

12.5 Tax Withholding
The Employer, at its expense, shall withhold from each home care worker’s paycheck the appropriate amount of Federal Income Tax, Social Security, Federal and State Unemployment Insurance, Medicare contributions, and any other taxes or public insurance fees required to be deducted by federal or state law.
The Employer will provide individual providers with a W-4 tax form and Federal Tax Income (FIT) notice. Any changes to the FIT notice will be provided to the union.

12.6 Changes to Payroll and Payment Systems
The Employer shall determine the costs associated to implement the provisions of this agreement. The Employer shall bear the costs for any changes to payroll or payment systems and these costs shall be included in the cost of the overall Agreement. If the Union requests programming changes not otherwise covered or required by this Agreement, the parties will meet to discuss prioritization, capacity and funding.

12.7 Quality Assurance Metrics for IPOne
The Labor Management Committee shall discuss and review the performance of the IPOne customer call center.

12.8 Payroll System Outreach and Education
During the life of this agreement, the Employer will provide general communication to IPs including, but not limited to, claiming PTO and Continuing Education (CE) hours.

ARTICLE 13
NO DISCRIMINATION

13.1 The Union and the Employer are mutually committed to a policy of nondiscrimination. The Employer shall not discriminate with respect to wages, hours, or terms and conditions of employment as provided for in this Agreement on the basis of race, color, physical and/or mental disability, being a victim of domestic violence, sexual assault or stalking, marital status, national origin, ancestry, gender identity, gender expression, sex, sexual orientation, age, political belief, faith, veterans status, citizenship status, union membership and activities and in keeping with applicable federal, state or local law.

13.2 This Article shall not be construed as otherwise limiting or impeding the statutory right of consumers and prospective consumers to select, hire, supervise the work of, and terminate any home care worker providing services to them as provided pursuant to RCW 74.39A.270(4). Nor shall it be interpreted so as to prevent the referral registry from making referrals on the basis of bona fide job-related skills (e.g. language fluency or the physical ability to lift and transfer a consumer) or legitimate consumer preferences such as gender.

ARTICLE 14
REFERRAL REGISTRY

14.1 Eligibility for State-Run Referral Registry
Any member of the bargaining unit who is seeking new consumers or additional hours, and who has completed the legally required amount of training or other
training as may be determined by the Department of Social and Health Services, and who has successfully cleared a criminal background check, shall be eligible for listing on any referral registry operated by the Employer, its agencies, contractors and/or subcontractors. The Employer retains all rights not otherwise modified herein and shall be the sole determiner of eligibility requirements for all others who participate in the referral registry system.

14.2 Seniority Preference for State-Run Referral Registry
Where consumer choice factors are equal, seniority shall prevail in determining the order of referral on any referral registry operated by the Employer.

Due to language requirements and/or consumer preference factors, the registry may bypass a senior home care worker who, by virtue of seniority would be referred to a particular consumer. In such cases, the referral will be given to the most senior available home care worker who can satisfy language requirements and/or the consumer preference. Additionally, in such cases the Employer shall give the bypassed home care worker the next opportunity for referral for additional work, subject to the provisions of this Section.

This Section shall not prevent the Employer from making multiple worker referrals to the same consumer, so long as referrals are made in seniority order.

14.3 Removal from the State-Run Referral Registry
Once a worker is listed on the registry, they may only be removed from the registry for the following reasons:

A. Upon request, a worker is removed from the referral registry because they are not seeking additional referrals from the registry; or

B. Upon request, a worker is temporarily removed from active status on the registry because they are not seeking additional referrals or more consumer hours on a temporary basis; or

C. A worker has worked no hours as an individual provider for twelve (12) or more consecutive months; or

D. For just cause, including the failure of an individual provider to meet the requirements set forth in RCW 74.39A.250(1) or pursuant to RCW 74.39A.250(2), after a worker commits misfeasance or malfeasance in the performance of duties as an individual provider; or

E. When a worker does not respond to three (3) consecutive attempts by registry staff following a consumer referral request, they will be removed from active status after thirty (30) days. The worker shall be reinstated to active-status upon request.
14.4 Election of Remedies for State-Run Referral Registry
Any request for a fair hearing to contest the removal from the referral registry by or on behalf of the individual provider or prospective individual provider as provided under RCW 74.39A.250(2), shall be considered a waiver by the affected individual provider or prospective individual provider of their right to file a grievance to contest the removal from the referral registry.

14.5 Referral Registry Benefit Administered by a Third-Party Vendor Jointly Selected by the State and the Union
A. Referral Registry Benefit
The parties agree a referral registry benefit shall be established and administered by a third-party vendor jointly selected by the State and the Union (“Referral Registry Benefit Vendor”) to provide, an online and telephone based registry referral service for individual providers and Medicaid consumers. The vendor will facilitate an advisory committee between the parties to jointly steer deliverables and priorities. The registry will be available to Medicaid consumers directly and also for use by in-person referral assisters.

B. Referral Registry Benefit Contribution
Effective July 1, 2019, the Employer shall contribute to the Referral Registry Benefit Vendor three cents ($0.03) per Department-paid hour worked by all home care workers covered by this Agreement.

Department-paid hours worked by all home care workers covered by this agreement shall not include administrative time in Section 8.5, consumer participation hours, training hours or paid time off.

14.6 Information Required
The Employer and the Union agree to cooperate with the Referral Registry Vendor in distributing information related to the registry benefit and in obtaining and providing such data as may be required by the Vendor.

ARTICLE 15
TRAINING

15.1 Training Partnership
Pursuant to RCW 74.39A.009 and 74.39A.360, there shall be established a Training Partnership (or “Partnership”). The Training Partnership will possess the capacity to provide training, peer mentoring, workforce development, and other services to individual providers. The Employer shall become and remain a participating employer in such a Partnership during the complete life of this Agreement, and any extension thereof.

15.2 Partnership Agreement
By being a participating employer during the complete life of this Agreement and any extension thereof, the Employer and the Union hereby agree to be bound by
the provisions of the Partnership’s Operating Agreement, and by all resolutions and rules adopted by the Trustees of the Partnership pursuant to the powers delegated. The Employer accepts the Employer Trustees of the Partnership and their duly elected successors as its representatives on the Board. The Union accepts the Union Trustees of the Partnership and their duly elected successors as its representatives on the Board. The Employer and the Union agree to cooperate with the Trustees of the Partnership in distributing benefit plan information and in obtaining and providing such census and other data as may be required by the Partnership.

15.3 Coverage
The Employer agrees to make periodic contributions to the Training Partnership identified in Section 15.1, on behalf of all home care workers covered by this Agreement, in the amount specified in Section 15.4 below.

15.4 Contributions
Effective July 1, 2019, the Employer shall contribute to the Partnership (i) forty-three cents ($0.43) per Department-paid hour worked by all home care workers covered by this Agreement; (ii) an additional one cent ($0.01) per Department-paid hour worked for additional programs to reduce turnover and expand access, including expanding the peer mentoring program and expanding classes in rural areas; and (iii) an additional two cents ($0.02) per Department-paid hour worked which shall be used to fund the Advanced Home Care Aide Specialist program and the Advanced Behavioral Home Care Specialist Program.

Effective July 1, 2020, the Employer shall contribute to the Partnership; (i) forty cents ($0.40) per Department-paid hour worked by all home care workers covered by this Agreement; (ii) an additional one cent ($0.01) per Department-paid hour worked for additional programs to reduce turnover and expand access, including expanding the peer mentoring program and expanding classes in rural areas; and (iii) an additional two cents ($0.02) per Department-paid hour worked which shall be used to fund the Advanced Home Care Aide Specialist program and the Advanced Behavioral Home Care Specialist Program.

Department-paid hours shall not include administrative time in Section 8.5, consumer participation, training hours, paid time off or vacation. These contribution levels are sufficient to fully pay for training that is legally required of IPs to maintain qualifications. Any fees or tuition charged to bargaining unit members by the Partnership for attendance at such legally required training shall be reported to the Employer on a monthly basis. The State’s contribution amount under this Section will be reduced by the total of any such fees or tuition charged to bargaining unit members.

The Training Partnership shall defray the initial costs of certification and testing fees required by the Department of Health (DOH) or their testing agent for the bargaining unit members to remain qualified as individual providers. The Training Partnership may also use funds to pay for individual provider re-testing and for a provider’s first certification renewal.
If the State is unsuccessful in receiving approval from the Center for Medicare and Medicaid Services (CMS) for the above payment method, the parties shall meet to bargain over the amount and an alternative method of payment. Additionally, in the event any other significant change in legal training requirements occurs, the parties agree to bargain over the effects of changes.

Contributions required by this Section shall be paid to the Partnership on the pay dates(s) determined by the parties following the State’s selection of a payroll vendor in accordance with Article 12, Payroll, Electronic Deposit, and Tax Withholding, but in any case no later than the twenty-fifth (25th) day of the month following the month for which service hours are paid. Contributions shall be transmitted together with a remittance report containing such information, in such manner, and on such form as may be required by the Partnership or its designee.

15.5 Minimum Basic Training Requirements
All legally required basic training for individual providers shall be provided through the Partnership. Upon completion of the required basic training requirements, or upon termination, individual providers, including individual providers who are exempt from the seventy (70) hours of basic training requirement because they provide only respite services shall be compensated at their regular rate of pay for all hours spent in legally-required basic training.

The parties intend that all orientation and safety training occur as soon as practically possible, so as to prevent the creation of any barriers to the timely provision of Medicaid benefits to consumers.

15.6 Minimum Continuing Education Training Requirements
Each individual provider shall complete all legally required continuing education training through the Partnership as required by RCW 74.39A.341. The purpose of continuing education is to improve and enhance the knowledge and skills of individual providers relative to the care needs of their consumer(s). Completion of all continuing education hours is a prerequisite for maintaining eligibility to work as an individual provider. Upon completion of required continuing education training, or upon termination, individual providers shall be compensated at their regular rate of pay for all hours spent in legally-required continuing education training.

15.7 Exemptions from Minimum Training Requirements
All existing exemptions from minimum training requirements under law shall continue to apply to training for individual providers. The Partnership shall recognize all exemptions from required basic training for individual providers required by law.

15.8 Minimum Training Requirements for Exempted Individual Providers
All individual providers currently exempted from the existing full training requirements shall continue to be required to complete their current specified requirements under law.
The Partnership shall recognize all minimum training requirements for any individual providers exempted from required basic training required by law.

Individual providers who are exempt from the seventy (70) hours of basic training requirements because they provide only respite care services may elect to take the additional training required to become certified as a Home Care Aide. Any other individual provider who is exempted from basic training or continuing education requirements, or any portion thereof, may voluntarily enroll, subject to available funds, in any training offered by the Partnership for which that individual provider is otherwise eligible.

15.9 Mentoring
Pursuant to RCW 74.39A.331, the Training Partnership shall offer a peer mentoring program to all new individual providers. The purpose of the mentoring program is to provide general information about serving as an individual provider and to assist the mentee in problem solving around work related challenges faced by individual providers. Mentors will not infringe on the rights of the consumer to select, hire, fire or instruct the mentee in the performance of the individual provider’s duties or with the case manager’s exercise of their responsibilities. Mentors shall not discuss confidential information about the consumer who employs a mentee without a written release of information from that consumer. The Employer shall not be responsible for employing, paying, tracking or verifying hours of mentor work. Time worked as a mentor will not count toward cumulative care hours.

To be mentors, individual providers must have completed all applicable required training appropriate to their date of hire, plus peer mentorship training and must meet all other qualifications set forth by the Partnership.

15.10 Advanced Training
Pursuant to RCW 74.39A.351, the Partnership shall offer advanced training for individual providers.

15.11 Advanced Home Care Aide Specialist

b. Must be working for a client who meets department’s criteria for whose care plan identified need for AHCAS skills training; and

c. Must successfully complete the AHCAS training and pass the proficiency test.

2. The Department and the Training Partnership will jointly develop curriculum that supports the role of the AHCAS for the individual providers participating in the program. The curriculum must advance the individual provider’s knowledge and skills beyond basic training using clearly identified learning objectives, competencies and methods to measure integration of specific skill sets.

3. Individual providers participating in this project will be compensated by the Employer at their regular rate of pay for up to seventy (70) hours per individual provider for the duration of the project.

15.12 Advanced Behavioral Home Care Aide Specialist

The parties agree to develop and implement a new behavioral health focused advanced skills training track designed for individual providers who support clients who are in the high-risk/high medical cost category and/or experience behaviors of significant frequency and intensity based on the criteria set by the department.

1. ABHCAS Individual Providers:

a. Must be an individual provider with (i) a valid Home Care Aide certification or (ii) exempt from certification under RCW 18.88B.041 (1)(a)(i)(A) or (iii) RCW 18.88B.041 (1)(a)(i)(B) and has completed seventy (70) hours of basic training, or advanced training provided by the Training Partnership; and

b. Must be working for a client who meets department’s criteria for whose care plan identified need for ABHCAS skills training; and

c. Must successfully complete the ABHCAS training and pass the proficiency test.

2. The Department and the Training Partnership will jointly develop curriculum that supports the role of the ABHCAS for the individual providers participating in the program. The curriculum must advance the individual provider’s knowledge and skills beyond basic training using clearly identified learning objectives, competencies and methods to measure integration of specific skill sets.

3. Individual providers participating in this project will be compensated by the Employer at their regular rate of pay for up to seventy (70) hours per individual provider for the duration of the project.
15.13 Training Curriculum and Instructors
The Employer shall be responsible for setting standards for training instructors and approving curriculum to the extent required by law.

15.14 Training Provisions, Tracking and Reporting
The parties agree that it is their intention that the Partnership will be capable of the following:

1. Providing all types of training required by law and that meets training standards set in administrative rule.

2. Providing all types of curricula and methods of delivery authorized in rule by the Employer.

3. Registering all individual providers eligible for training.

4. Alerting individual providers and the Employer within a reasonable timeframe of impending training completion deadlines.

5. Maintaining evidence of appropriate current professional licenses for all training instructors, when applicable.

10. Maintaining training records for a reasonable amount of time and making such records available to individual providers upon request.

11. Tracking the training status of all individual providers and providing the Employer with all such reasonable training-related data as may be necessary for administration and enforcement.

12. The Training Partnership will obtain and make available to the Employer student credentialing information received from Department of Health as necessary for administration and enforcement. The Training Partnership will provide this information as a matter of convenience only and cannot guarantee the accuracy of the data it receives regarding DOH credentials. The Employers should refer to the DOH for the most accurate source of DOH credentialing.
15.15 Access to Training

A. Union Presentation Compensation
   The parties agree that the Training Partnership shall provide the Union with reasonable access to its training classes, including providing the Union with technical support for online learning, in order for the Union to make presentation on Union issues. The Employer agrees to compensate up to thirty (30) minutes of time for a presentation on Union issues to all individual providers receiving the Union portion of required basic training. The Employer agrees to compensate up to fifteen (15) minutes of time annually for a presentation on Union issues to all individual providers receiving the Union portion of required continuing education. B. Employer Access to Training

The Labor Management Committee (LMC) shall consist of up to five (5) representatives of the Union and up to five (5) representatives of the Employer. The Labor Management Committee shall be co-chaired by a representative designated by the Union and a representative designated
by the Employer. Home care workers serving as representatives of the Union as described above shall receive a stipend from the appropriate agency for their time spent in LMC meetings. The parties will be solely responsible for determining dispensations, if any, of other expenses of their respective representatives and/or resource persons as attendees.

**ARTICLE 17**

**DUTY TO BARGAIN**

Nothing contained in this Agreement shall be construed as to diminish the obligation of the parties to discuss and/or negotiate over those subjects appropriate under the law and to the extent that the Employer and/or its agencies, contractors or subcontractors, has lawful control over those subjects. This specifically includes the wages, benefits, hours and terms and conditions of employment of members of the bargaining unit.

**ARTICLE 18**

**CONSUMER RIGHTS**

18.1 **Information Regarding Consumers**
This Agreement shall not be interpreted as to require the Employer to release confidential personal information regarding any consumer of in-home care services to the Union without the written permission of any such consumer. Personal information includes, but is not limited to: names, dates of birth, addresses, telephone numbers, email addresses, any identification numbers including social security numbers or any other personal information regarding consumers.

18.2 **Consumer Confidentiality**
Union representatives and individual providers shall maintain strict standards of confidentiality regarding consumers and shall not disclose personal information pertaining to consumers obtained from any source unless the disclosure is with the express written consent of the consumer or compelled by legal processes or otherwise required by law.

18.3 **Non-Waiver**
The above enumerations of consumers’ rights are not inclusive and do not exclude other rights not specified, including those rights and authority provided under the law. The exercise or non-exercise of rights retained by the consumer shall not be construed to mean that any right of the consumer is waived; including, but not limited to the statutory right of consumers and prospective consumers to select, hire, supervise the work of, and terminate any home care worker.

18.4 **Consumers Not Subject to Grievance Procedure**
No action taken by the consumer with respect to this Article or any consumer rights shall be subject to the grievance and arbitration procedures provided for in this Agreement.
ARTICLE 19
POLICIES, PROGRAMS AND PRACTICES

19.1 Medicaid Integration Projects
Workers performing services as individual provider home care workers under Washington Medicaid Integration Projects (WMIP), Medicare Integrated Care Projects (MICP), state programs to integrate care for dually eligible individuals, HealthPathWashington, or similar programs and entities shall be members of the bargaining unit and this Agreement shall be in full force and effect with respect to such home care workers for all covered hours of work for such workers for the services described in RCW 74.39A.240.

19.2 Consumer Assessments
Individual providers are part of the consumer assessment process. However, in some situations the caseworker conducting the consumer interview may make the determination that the consumer interview will be conducted without the presence of the individual provider. If the individual provider does not participate in the consumer interview, the caseworker will talk to the individual provider prior to completing the consumer assessment. Whenever the consumer suffers a reduction in hours or seeks an increase in hours, the Employer will make a reasonable effort to consult with the consumer’s individual provider prior to making a final determination.

19.3 Cash and Counseling
In the event that the Employer implements or expands any “Cash and Counseling,” New Freedom or similar program, or self-directed or individual budget home care options or similar program, workers employed by consumers under such program(s) shall be members of the bargaining unit and this Agreement shall be in full force and effect with respect to all covered hours of work for such workers described in RCW 74.39A.240.

19.4 Provider Reclassification
The Employer shall not reclassify or cause to be reclassified any individual provider home care worker unless requested by the individual provider with notice to the Union.

19.5 Exclusion
In no event shall any task, type of work or hours of work that are not typically authorized as personal care under the Employer’s Medicaid personal care, community options program entry system, chore services program, or respite care program, or respite care or residential services and support to persons with developmental disabilities under RCW 71A.12 or respite care as defined in RCW 74.13.270, or that would otherwise constitute covered services under Section 19.1 above, be considered covered work or covered hours of work under this Agreement, and this Agreement shall not be in force and effect with respect to such work or hours of work. Nothing in this Article prevents the Employer or a contractor for the Employer from contracting with other provider types, including,
but not limited to home care agencies, adult family homes, or nutritionists for services outlined in Sections 19.1, 19.8 and 19.9 where a client has chosen to have services delivered by such a provider instead of an individual provider.

**19.6 Delivery of Quality Home Care Services**
The Employer and the Union agree that they have a mutual interest in promoting and ensuring quality in the home care sector. Changes to the existing system needed to realize this quality may include, but are not limited to care integration across programs and settings, the provision of holistic care, the improvement of services for consumers with complex needs, and the development of metrics needed to measure improvements in health and other defined outcomes. The parties agree to communicate openly with each other about ideas that would improve the quality of services to consumers. The Labor Management Committee may be a forum for these discussions.

**19.7 Changes to the Health Care Delivery System**
The parties recognize that during the life of this Agreement important changes may occur in the delivery of long term care services and supports. The Employer agrees to provide timely, written notice to the Union of any State Medicaid Plan and Medicaid Home and Community Based Care Waiver Amendments impacting services covered by this Agreement as well as any changes to the delivery of services covered by this Agreement, and to fulfill its collective bargaining obligation regarding mandatory subjects of bargaining.

**19.8 Community First Choice Option (CFCO)**
Workers performing services as individual provider home care workers under Agency Model of Community First Choice Option, authorized in 42 CFR 441.545 and RCW 74.39A.400, shall be members of the bargaining unit and this Agreement shall be in full force and effect with respect to such home care workers for all covered hours of work for such workers when providing in-home care services as defined in RCW 74.39A.240, relief care, and allowed skills acquisition training tasks.

**19.9 Targeted Supports for Older Adults (TSOA) and Medicaid Alternative Care (MAC)**
Workers performing services as individual provider home care workers under the Medicaid 1115 waiver programs Medicaid Alternative Care and Targeted Supports for Older Adults shall be members of the bargaining unit and this Agreement shall be in full force and effect with respect to such home care workers for all covered hours of work for such workers when providing in-home care services as defined in RCW 74.39A.240 and housework and errands services.
ARTICLE 20
HOURS OF WORK

20.1 Hours of Work when Consumers have Complex Behavioral and Cognitive Issues
Effective September 1, 2007, the Employer shall increase the hours of work for individual providers working for consumers with complex behavioral and cognitive issues by:

A. Introducing a “behavior score” to the Comprehensive Assessment Reporting Evaluation (CARE) that will add authorized hours based upon the frequency and severity of problem behaviors. Each of the behaviors measured in CARE will be weighted based on severity and frequency of occurrence and the result will be a “behavior score” between one (1) and four (4) that will be added to the considerations that determine the authorization of hours by the CARE tool.

B. Establishing two (2) new classification categories in CARE for extremely high Activities of Daily Living CARE tool scores. These new classifications would involve clinically complex care giving and/or care giving involving moderate to severe cognitive impairments. When consumers qualify for more than one (1) classification category they will be placed in the category with the highest base hours.

ARTICLE 21
RETIREMENT BENEFITS

21.1 Establishment of a Defined Contribution Retirement Benefit Trust
The Union and the Employer hereby agree to sponsor and create a joint labor and management (Taft-Hartley) defined contribution plan and trust fund, effective July 1, 2015. The Employer shall become and remain a participating employer in the SEIU 775 Secure Retirement Trust (“Secure Retirement Trust”) during the complete life of this Agreement, and any extension thereof.

21.2 Contributions to Retirement Trust
Effective July 1, 2019, the Employer shall contribute to the Secure Retirement Trust: (i) sixty-five cents ($0.65) per department-paid hour worked by all home care workers covered by this Agreement with seven-hundred one (701) or more cumulative career hours and (ii) fifty cents ($0.50) per department paid hour worked by all home care workers covered by this Agreement with less than seven-hundred one (701) cumulative career hours. Effective July 1, 2020, the Employer shall contribute to the Secure Retirement Trust; (i) eighty cents ($0.80) per department-paid hour worked by all home care workers covered by the Agreement with seven-hundred one (701) or more cumulative career hours and (ii) fifty cents ($0.50) per department-paid hour worked by all home care workers with less than seven-hundred one (701) cumulative career hours. Department-paid hours
shall not include administrative time in Section 8.5, consumer participation hours, training hours or paid time off.

21.3 Indemnify and Hold Harmless
The Trust shall indemnify and hold harmless from liability the Employer from any claims by beneficiaries, vendors or home care workers under this Agreement.

21.4 Trust Agreement
The Employer and the Union hereby agree to be bound by the provisions of the Trust Agreement and Declaration of Trust, and by all resolutions and rules adopted by the Trustees pursuant to the powers delegated. The Employer accepts the Employer Trustees of the Trust and their duly elected successors as its representatives on the Board. The Union accepts the Union Trustees of the Trust and their duly elected successors as its representatives on the Board. The Employer and the Union agree to cooperate with the Trustees of the designated Trust in distributing benefit plan information and in obtaining and providing census and other data.

ARTICLE 22
UNINTERRUPTED CLIENT SERVICES

22.1 Neither the Union, the individual provider home care workers or their agents shall directly or indirectly, authorize, assist, encourage and/or participate in any way in any illegal strike activity, walkouts, slowdowns, sickouts or other similar interference with services to consumers provided by individual providers. The Union, individual provider home care workers and their agents shall not, for purposes of enforcing this Agreement, conduct picketing against the Employer and any or all branches and departments of Washington State government, the State of Washington, its agents and/or its representatives. The Union, individual provider home care workers and their agents shall not picket for any reason against consumers in locations where individual providers perform services. In the event that the Employer believes that any such activity is imminent or is occurring, the Employer’s representative shall contact the President or Secretary-Treasurer of the Union prior to taking any personnel or legal action in order to afford the Union the opportunity to inform its members of this contract provision and the law.

22.2 In recognition of consumers’ right to select, hire, supervise the work of, and terminate any individual provider providing services to them, the parties agree that the Employer does not have the authority to lock out the Union or the individual providers.

ARTICLE 23
SAVINGS OR SEPARABILITY CLAUSE

23.1 This Agreement shall be subject to all present and future applicable federal, state and local laws and rules and regulations of governmental authority. Should any
provision of this Agreement, or the application of such provision to any person or circumstance be invalidated or ruled contrary to law by Federal or State court, or duly authorized agency, the remainder of this Agreement or the application of such provision to other persons or circumstances shall not be affected thereby.

23.2 In the event of such invalidation, the parties shall promptly meet to negotiate a substitute provision. Any changes or amendments to this Agreement shall be in writing and duly executed by the parties and their representatives.

ARTICLE 24
COMPLETE AGREEMENT

24.1 The parties hereto acknowledge that during the negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are fully set forth in this Agreement. It is further understood that this Agreement fully and completely sets forth all understandings and obligations between the parties, constitutes the entire Agreement between the parties, and both parties in their own behalf and on behalf of their respective members waive any and all claims or demands they have made or could have made for any acts or omissions by either party or their respective members, agents, employees or assigns.

24.2 The Agreement expressed herein in writing constitutes the entire Agreement between the parties and no oral or written statement shall add to or supersede any of its provisions unless mutually agreed to by the parties and as otherwise provided for in this Agreement.

ARTICLE 25
TERM OF THE AGREEMENT

25.1 Effective Dates
Except for those provisions requiring a legislative appropriation of funds, this Agreement shall go into full effect July 1, 2019, and shall continue in full effect, unless amended by mutual written agreement of the parties, through June 30, 2021. Those provisions requiring a legislative appropriation shall go into full effect on July 1, 2019 or as otherwise provided for in this Agreement, if approved.

25.2 Successor Negotiations
The parties shall begin negotiations for a successor agreement no later than April 1, 2020. If no successor agreement has been reached, or if the legislature has not approved appropriations required to fund the economic provisions of a successor agreement as of June 30, 2021, all the terms of this Agreement shall remain in effect until the effective date of a subsequent agreement, not to exceed one (1) year from the expiration date of this Agreement.
ARTICLE 26
CONTRACTS, OVERPAYMENTS AND BACKGROUND CHECKS

26.1 Contract Renewal Process
An individual provider whose client service contract is not renewed before the expiration date and is not sent a written notification by the department or its agents informing them that they are no longer permitted to work, will be allowed to work and be paid for the hours they work that are within the Individual Provider’s work week limit and the client’s authorized hours as verified by the individual provider’s timesheet. Individual providers will be allowed to work and be paid until the contract renewal process is finished or until such time as the individual provider is sent written notification that they are no longer permitted to work.

26.2 Criminal Background Checks
An individual provider whose criminal background check is not completed within two (2) years of the previous criminal background check and is not sent a written notification by the department or its agents informing them that they are no longer permitted to work, will be allowed to work and be paid for the hours they work that are within the Individual Provider’s work week limit and the client’s authorized hours as verified by the individual provider’s timesheet. Individual providers will be allowed to work and be paid until the criminal background check process is finished or until such time as the individual provider is sent written notification that they are no longer permitted to work.

26.3 Training
An individual provider who has not completed their required training or certification by the appropriate deadline and is not sent a written notification by the department or its agents informing them that they are no longer permitted to work, will be allowed to work and be paid for the hours they work that are within the Individual Provider’s work week limit and the client’s authorized hours as verified by the individual provider’s timesheet. Individual providers will be allowed to work and be paid until they complete their training and/or certification or until such time as the individual provider is sent written notification that they are no longer permitted to work.

26.4 Payment Plan
Individual providers may be offered a payment plan for any overpayment collection.

ARTICLE 27
HEALTH AND SAFETY

27.1 Safe and Healthy Working Environment
The Employer recognizes the importance of providing a safe and healthy working environment for Individual Providers. Individual providers have a right to decline working for a client who lives in a situation which could threaten their health and
safety. The Individual Provider shall report any unsafe or hazardous conditions to the Employer immediately.

**ARTICLE 28**

**SUCCESSORSHIP**

A. The Employer agrees that its operations covered by the Collective Bargaining Agreement (CBA) shall not be contracted out, conveyed, or otherwise transferred or assigned to any third-party (hereafter, “assigned”) without first taking the following steps:

1. No less than fifteen (15) days prior to issuing the Request for Proposals (RFP) for selection of a third-party to be assigned any operations covered by the CBA, the Employer will provide to the Union a copy of the RFP that reflects the requirements outlined in Section 2 of this Article. Prior to receipt of the RFP, the Union will sign a non-disclosure agreement and agree that they will not bid on the RFP. The Employer will notify the Union of the award of the RFP with the name of and contact information for that third-party within twenty-four (24) hours of notifying the successful bidder(s).

2. No less than fifteen (15) days after executing an agreement with any third-party to be assigned any operations covered by the CBA, the Employer will provide the Union with written proof that it has secured a contractually binding commitment (“contract”) from said third-party to (a) offer employment to all IPs, or to as many IPs as are needed to perform the operations covered by the CBA that the third-party is being assigned, within a discretely managed bargaining unit or group consisting of nothing but such newly hired IPs, at terms and conditions no worse than the terms and conditions in existence under the CBA in effect at the time the third-party becomes the new employer of the Individual Providers and (b) agree, to the extent permissible by law, to assume all of the Employer’s obligations under that CBA (relieving the State of Washington of these obligations) for the remainder of the CBA. The contract must specifically recite that it is governed by Washington State law and is enforceable in Thurston County Superior Court and that the Union is an intended third-party beneficiary of the commitments made by the third-party to the Employer contained therein. Once the third-party becomes the new Employer of Individual Providers the Union will enforce the terms of the current CBA through the grievance and arbitration provisions with the new Employer, consistent with applicable law.

3. The Union will receive notice from the Employer no less than ninety (90) days prior to any third-party being assigned any of the...
operations covered by the current CBA. The Employer will keep the Union informed of any changes to this timeline.

4. The Employer agrees that failure by it to strictly comply in a timely fashion with Sections 1, 2 or 3 will allow the Union to seek immediate injunctive relief in Thurston County Superior Court restraining the Employer from moving forward with assigning any of the operations covered by the CBA to any third-party until and unless these requirements are met.

B. The parties agree that after a third-party is assigned any of the operations covered by the current CBA, the Union may request bargaining over the effects of the assignment of work to the third-party within fifteen (15) days of receipt of such notice and, if such a request is made, the Employer will engage in such bargaining prior to the transfer of work. The parties agree that neither party will be able to seek arbitration upon impasse.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE STATE OF WASHINGTON
AND
SERVICE EMPLOYEES INTERNATIONAL UNION 775

The parties agree that collective bargaining establishes orderly and consistent channels for communication and decision-making, ensures efficient and uninterrupted service and minimizes discord between labor and management. The parties also agree that collective bargaining within the Individual Provider bargaining unit has resulted in higher quality care and a more stable workforce to the benefit of caregivers, clients and the public.

In the event circumstances change such that the Union is significantly hampered in carrying out its duty to fairly and adequately advocate for the interests of all of the members of the bargaining unit, the parties agree that the Union shall have the right to re-open Article 4.1 for the purpose of discussing potential changes to mitigate the situation, consistent with applicable law.

The parties also recognize that there is ongoing litigation regarding the process for collecting union dues as currently set forth in Article 4 of the agreement between the State and Union. In the event that, during the 2019-2021 Collective Bargaining Agreement between the parties, a ruling by a court of competent jurisdiction invalidates any or all of Article 4.1, pursuant to Article 23.2, the parties shall promptly meet to negotiate a substitute provision.
