Temporary employees who are subsequently reclassified to a regular position without a break in service shall be given credit for actual hours worked as a temporary employee for purposes of wages, benefits and seniority.

4.5.2 ON-CALL EMPLOYEE

On-call employees shall be defined as employees not regularly or consistently scheduled to work and/or employees called in on an unscheduled, intermittent basis. On-call employees will be required to work 2 shifts per month, one of which will be a weekend shift. On-call status will be reviewed for reclassification purposes if an employee is scheduled to work on the same basis as a benefit eligible full-time or part-time employee as defined within this Agreement for more than three (3) consecutive months. Those who are reclassified to an FTE status shall begin to be given credit for purposes of wages, benefit accruals and seniority at the time of the reclassification. The employee shall be subject to the probationary period set forth in Section 4.1 (Probationary Employee) if the employee has worked fewer than an average of three (3) shifts per month during the preceding six (6) months. The term "business day" refers to the days of the week from Monday through Friday, excluding Saturday, Sunday and holidays.

ARTICLE 5: EMPLOYMENT PRACTICES

SECTION 5.1 JOB POSTING

Regular full time or part time openings within the bargaining unit shall be posted conspicuously on the Employer's premises for five (5) days, excluding weekends and holidays, prior to the positions being filled on a regular basis. Seniority shall be the determining factor in filling a job opening, providing skill, ability, experience, past performance and/or quality of work are substantially equal in the opinion of the Employer. The Employer's decision shall be exercised in good faith and be based on objective criteria.

Positions may be filled at the Employer's discretion on an interim basis until a regular placement is made.

SECTION 5.2 NOTICE OF LAYOFF

Regularly scheduled full-time and part-time employees shall receive two (2) weeks' notice of layoff or two (2) weeks' pay in lieu of notice, plus any accrued vacation leave. Layoffs shall be conducted in accordance with article 6.3.

The Union will also receive two (2) weeks' notice of any impending layoffs.

SECTION 5.3 NOTICE OF RESIGNATION

Employees shall be required to give at least fourteen (14) calendar days' written notice of resignation. Failure by the employee to give the required notice or failure to fulfill scheduled shifts shall result in loss of accrued vacation leave. Employees shall not be allowed the use of sick leave, vacation leave, and/or personal day during their last two (2) weeks of employment.

Upon findings of extraordinary circumstances, the Employer may waive any or all provisions of the foregoing paragraph.

SECTION 5.4 HEALTH TESTS

If an employee has a positive tuberculin skin test result, the employee is required to complete a chest x-ray screening with a physician at the direction of the Employer and at no cost to the Employee.

SECTION 5.5 DISCIPLINE AND DISCHARGE

No employee will be disciplined or discharged except for "just cause". "Just cause" will be defined to include the concept of progressive discipline (such as verbal and written reprimands, the possibility of suspension without pay and discharge). All disciplinary action(s) will occur within a reasonable timeframe from the incident and/or conclusion of investigation. A copy of all written disciplinary actions will be given to the employee. Employees will be required to sign the written disciplinary action for the purpose of acknowledging receipt thereof.

Progressive discipline will not be applied when the nature of the offense is "just cause" for immediate suspension or discharge. An employee may request the attendance of a Union representative or Union Advocate during any disciplinary or investigative meeting which may lead to disciplinary action.

A record of disciplinary action shall not be considered in an employee's personnel file twelve (12) months after it was issued, except when an employee receives a related discipline during the following twelve (12) month period, or except when the level of discipline is greater than a written warning. Except in the cases listed below, all other discipline will be disregarded in an employee's personnel file eighteen (18) months after it was issued. This provision shall not apply to disciplines issued for illegal activity, resident abuse, resident neglect, sexual or racial or discriminatory harassment, medication errors, or other

behavior that violates city, state or federal law.

SECTION 5.6 PERSONNEL OR EMPLOYEE FILE(S)

Employees have the right to access their own Personnel File(s). The employee may view this file in the presence of a management or administrative representative upon a written request. Files must be available within two (2) business days of receipt of written request. References to other person(s) found in any file(s) may be omitted for confidentiality if not forming a basis for discipline. References to residents found in any file(s) may be omitted for confidentiality purposes. Employees will be given the opportunity to provide a written rebuttal to any materials to be placed in their Personnel File(s).

SECTION 5.7 JOB DESCRIPTIONS

The Employer shall maintain job descriptions for all positions covered by this Agreement. Upon employment, the Employer shall provide a job description to an employee for the position which he/she has been hired. Current job descriptions shall be made available to employees and the Union upon request.

Any changes to a job description shall be reviewed with a Union representative prior to implementation to determine if they constitute a significant change. If the changes are determined to be significant, the Employer shall provide a copy of the changed job description to the affected employee(s) and the Union.

SECTION 5.8 MENTOR PROGRAMS

The Employer will develop and maintain a Mentor Program for all new employees and for employees who transfer into a new job classification.

SECTION 5.9 POSTING OF SCHEDULES

The Employer shall determine and post monthly work schedules by the twentieth (20th) of the month immediately preceding the month in which the schedule is effective. The Employer retains the right to adjust work schedules to maintain an efficient and orderly operation. However, once the schedule is posted, both the Employer and its employees will attempt to adhere as closely as possible to the posted schedule. If the Employer is required to change the schedule after it has been posted, the Employer will only do so with the consent of the affected employee(s) subject to the limited exceptions set forth in 5.9.1 below:

5.9.1 LIMITED EXCEPTIONS TO MUTUAL CONSENT TO SCHEDULE CHANGES AFTER POSTING:

- a. Unforeseeable emergent circumstances (e.g. national emergency, unforeseen disaster or other catastrophic event); or
- b. The exhaustion of reasonable efforts to obtain staffing - Vashon Community Care will, to the extent reasonably possible, seek volunteers, contact employees who have placed themselves on a list of employees willing to work extra hours and seek on-call employees, temporary or agency employees before assigning an employee to a vacant shift without consent. Vashon Community Care will document

efforts to fill the vacant shift.

Any change in schedule between employees (i.e. "shift swapping") must be pre-approved in writing by the Department Manager.

SECTION 5.10 LOW CENSUS/LOW CENSUS STAFFING

The Employer shall publish a low census staffing schedule and call-in procedure for each department and shift affected. In the event there is a decrease in the workload and the Employer determines it is necessary to adjust the staffing, the following order of low census call off shall apply.

- a. Employees on overtime
- b. Temporary employees
- c. On-call employees
- d. If no on-call or temporary employees are scheduled, regular employees will be offered the opportunity to voluntarily reduce their scheduled hours. Employees may choose to use accrued vacation leave.
- e. If no volunteers are found, the Employer will equitably rotate low census on each shift by using the seniority list by job classification. The list will be created with the employee who was hired last being the first to take a low census day when the facility is overstaffed, subject to the above considerations. Such employee's name will then be removed from the seniority list. If the next day the facility is overstaffed, the employee who was hired second to the last will be asked to take a low census day off, etc., until each employee has taken their turn. After every employee has taken their turn, the list will start over again.
- f. For employees that have volunteered to take a day off or for employees that have agreed to work an alternate day or shift prior to their name being called on the seniority list, that employee's name will be crossed off from the list, and when his/her turn comes up, staffing will skip their name and proceed to the next employee.

SECTION 5.11 EQUAL OPPORTUNITY

The Employer and the Union agree not to discriminate in any manner, in conformance with applicable Federal, State and local laws, against any employee on the basis of race; color; ethnicity; religion; creed; sex; sexual orientation; gender identification; marital status; national or tribal origin; age; genetic information; pregnancy status; veteran status; or sensory, mental or physical disability, subject to occupational requirements and ability to perform job requirements. Any form of unlawful harassment or discrimination will not be tolerated by the Employer or the Union.

Section 5.11.1 Anti-Harassment

The Employer will establish anti-harassment policies that are compliant with state and federal law. These policies shall include a complaint procedure, including non-retaliation and confidentiality policies. Such policies shall be made readily available to employees in the employee handbook, and shall be updated as needed or as required by law.

Section 5.11.2 Privacy Rights

The Employer shall comply with all applicable federal, state and local regulations with respect to the privacy rights of its employees.

SECTION 5.12 PROFESSIONAL LICENSES, CERTIFICATIONS, TESTS, PERMITS

It shall be the obligation of the employee to keep the Employer notified of a current mailing address and home telephone number. Employees must keep current on, show proof of, and provide management details of continuing education for all professional licenses, certifications, health tests and permits or other regulatory requirements that are required as a condition of employment, e.g. NAC license, Food Handlers Permits. The Employer will reimburse Employees for all approved expenses the Employee incurs for licenses and/or certifications acquired outside the requirements of the job description and at the request of the Employer. The Employer will schedule time off without pay to allow employees to attend class to obtain certifications/permits. Failure by an employee to comply with the above requirements shall subject the employee to discipline under Section 5.5 (Discipline or Discharge).

ARTICLE 6: SENIORITY

SECTION 6.1 DEFINITION OF SENIORITY

Seniority shall be defined as an employee's continuous length of service with the Employer from the most recent date of hire. Seniority shall not apply to an employee until completion of the required probationary period. Employees shall be credited with seniority from their date of hire after satisfactory completion of the probationary period. A change in job classification does not constitute a break in seniority.

6.1.1 APPLICATION OF SENIORITY

Seniority shall apply in the following:

- a. Applying for a position in the bargaining unit (Section 5.1 Job Posting);
- b. Order of layoffs (Section 6.3 Layoff) and recalls (Section 6.5 Recall);
- c. Taking a low census day (Section 5.10 Low Census/Low Census Staffing);
- d. Vacation scheduling (Section 9.9 Vacation and Personal Day Scheduling)

6.1.2 BREAKING OF SENIORITY

Seniority shall be broken only by the following:

- e. Resignation of employment
- f. Discharge for cause
- g. Retirement
- h. Layoff of more than twelve (12) months
- i. Failure to return in accordance with a leave of absence or when recalled from layoff
- j. Illness or injury of more than one (1) year's duration

6.1.3 RESTORATION OF SENIORITY

When converting from a .5 FTE or above status to an on-call position, vacation and sick accrual rates will cease and remain frozen for the period of time that the employee is on-call. Upon return to a .5 FTE or above, the employee's vacation and sick leave accrual will begin accruing at the rate from the time of the change to on-call.

SECTION 6.2 JOB RECLASSIFICATION/DEPARTMENT TRANSFERS

The first thirty (30) calendar days in the new classification or department will be considered a mutual review period. During this review period the employee will be evaluated in order to determine that job responsibilities in the new position are being met.

If determined that the employee does not fulfill job requirements and responsibilities, the employee will be reclassified to his/her previous position if that position continues to be vacant.

At any time during the mutual review period, the employee may request to return to his/her previous position, if it has not been filled.

If the position has been filled, prior to being subjected to layoff, the Employer will review other potential job opportunities with the employee.

SECTION 6.3 LAYOFF

Layoffs shall be by job classification and/or shifts. If a layoff (rather than a reduction in hours) is determined to be necessary by the Employer, layoffs will occur in the following order:

- a. The Employer will first seek volunteers
- b. In reverse order of seniority (the least senior employee will be laid off first, then the next least senior employee) of those employees within the current job classification.
- c. Past performance and/or quality of work may be the determining factor, in lieu of seniority, based upon established and documented job relevant criteria.

The Employer shall make available a listing of resources for an employee in the event of such employee's layoff.

SECTION 6.4 BUMPING

An employee whose hours are being cut or who is being laid off may fill any vacant position or displace a less senior employee in any bargaining unit job classification within the same department provided that he/she has the qualifications to do the job (as defined in Article 6 Seniority, Sections 6.3.b and 6.3.b.1).

SECTION 6.5 RECALL

Employees who have been laid off pursuant to Section 6.3 (Layoff) shall, for a period of up to twelve (12) months, be subject to recall to regular job openings in their former classification for which they are

qualified, in the order of seniority after internal job posting. Employees on layoff shall not accrue but shall retain past service credits for seniority, wages and benefits purposes. Any notice of recall to an employee shall be sent by certified mail, and may include email or a phone call, to the last known address of the employee. If the employee does not respond to a communication sent by mail within ten (10) days, the employee will be removed from the recall roster and such employee's personnel records shall be adjusted to reflect the employee's layoff.

ARTICLE 7: GENERAL PROVISIONS TO WORK HOURS

As an employee of an Employer whose hours of operations are 24/7, the following conditions apply to schedules and expectations of timeliness.

SECTION 7.1 NORMAL WORKDAY

A normal workday for an employee shall consist of eight (8) hours of work and an unpaid meal period of one-half (1/2) hour.

SECTION 7.2 NORMAL WORK PERIOD

A normal work period for an employee shall consist of forty (40) hours of work within a seven (7) day period.

SECTION 7.3 ALTERNATIVE WORK SCHEDULES

An alternative schedule is defined as a work schedule that requires a change, modification or waiver of any provisions of this Agreement.

Alternative work schedules may be established in writing by agreement between the Employer, and a majority of the affected employee(s) involved, and a Union representative if requested by any one (1) of the affected employees. In the event one (1) or more employees terminate employment, the remaining employees shall follow the regular work schedule prescribed in this Agreement unless another alternative work schedule is established by the procedure outlined in this Section.

SECTION 7.4 MEAL PERIODS

Employees shall be allowed a meal period of at least thirty (30) minutes which commences no less than two (2) hours and no more than five (5) hours from the beginning of the shift. This meal period shall be on the employee's time. Lunch periods must be uninterrupted and shall be coordinated by a supervisor to maintain appropriate staffing coverage for resident needs, and in designated break areas. Meal periods shall be on the Employer's time when the employee is required by the Employer to remain on duty on the premises or at a prescribed worksite in the interest of the Employer. No employee shall be required to work more than five (5) consecutive hours without a meal period. Employees who are required to work through their meal periods and are unable to complete a full meal/break period during

their remaining work shift shall be compensated for such time at regular or overtime rates as may be appropriate.

SECTION 7.5 BREAK PERIODS

Employees shall be allowed a rest period of fifteen (15) minutes on the Employer's time for each four (4) hours' working time. Break periods must be uninterrupted and shall be coordinated by the supervisor to maintain appropriate staffing coverage for resident needs as near as possible to the midpoint of the work shift. No employee shall be required to work more than three (3) hours without a rest period. If a break has not been offered or scheduled by the supervisor the employee is responsible for asking for a break and will not be asked to monitor radios during this time period.

SECTION 7.6 REST BETWEEN SHIFTS

Each employee shall have an unbroken rest period of at least twelve (12) hours between scheduled shifts unless mutually agreed to by the employee and the Employer. Except for those employees who are regularly scheduled to work with less than twelve (12) hours between shifts, all time worked within the twelve (12) hour period shall be paid at one and one-half times (1 1/2x) their regular rate of pay.

SECTION 7.7 OVERTIME

7.7.1 EIGHT/EIGHTY (8/80) SCHEDULE

Employees on a schedule of eighty (80) hours of work within a fourteen (14) day period shall be compensated at one and one half times (1 1/2x) their regular rate of pay for all hours worked in excess of eight (8) hours per day. Such employees shall be compensated at one and one-half times (1 1/2x) their regular rate of pay for all hours worked in excess of eighty (80) hours of work in a two (2) week period. There will be no pyramiding or duplication of overtime pay or premium pay paid at the rate of one and one half times (1 1/2x).

For the purposes of this Section, the following job classifications shall be considered to be on an eighty (80) hour schedule: Laundry Aide, Housekeeper, Diet Aide, Cook, Nursing Assistant/Registered, Nursing Assistant/Certified, Maintenance Worker, Licensed Practical Nurse, and Registered Nurse.

7.7.2 FORTY (40) SCHEDULE

Employees on a schedule of forty (40) hours of work within a seven (7) day pay period shall be compensated at one and one half times (1 1/2x) their regular rate of pay for all hours worked in excess of forty (40) hours in the work period.

7.7.3 FOUR (4) ON, TWO (2) OFF SCHEDULE

Employees on a four (4) on, two (2) off schedule are subject to the eight (8) eighty (80) rule for overtime as described in Section 7.7.1. In addition, such employees shall be compensated at one and one-half times (1 1/2x) their regular rate of pay for hours worked on their regularly scheduled day off, provided that they work their regularly scheduled days before and after working such day off during the eighty (80)

hour work period.

7.7.4 OVERTIME CLASSIFICATION

All employees covered by this Agreement shall be placed in either an eight/eighty (8/80) or a forty (40) hour work week for overtime calculations. All newly hired employees will be informed upon hire of their overtime classification.

7.7.5 OTHER OVERTIME PROVISIONS

Time paid for but not worked shall not count as time worked for purposes of computing overtime pay. All overtime must have prior supervisory approval, wherever possible. In the event an employee is required to remain on duty to meet staffing requirements mandated by Federal, State, and/or local laws or when there is a question of abandonment of residents, such employee will be compensated at one and one-half times (1 1/2x) his/her regular rate of pay for hours worked beyond his/her regularly scheduled hours or until the Employer releases the employee. Unless otherwise specifically designated in this Agreement, there will be no pyramiding of overtime pay.

The overtime rate is based on an employee's regular rate of pay (base rate of pay and includes any applicable differentials). An employee's regular rate of pay does not include premiums (such as Mentor pay).

7.7.6 ASSIGNING EXTRA SHIFTS

When assigning extra shifts, the following priority will be given by employment status:

1. On-call
2. Part-time: employees scheduled for less than 1.0 FTE by seniority.
3. Full-time: employees scheduled for equal to or more than 1.0 FTE by seniority.

SECTION 7.8 WEEKEND WORK

The Employer will endeavor to schedule full time positions, except for designated weekend positions, to one (1) weekend off out of two (2) successive weekends.

SECTION 7.9 CALLED TO WORK ON DAY OFF

If an employee agrees to work on his/her scheduled day off with less than either five (5) hours' notice before the second or third shift begins or eight (8) hours' notice before the day shift begins, the employee shall be compensated at one and one-half times (1 1/2x) his/her regular rate of pay for all hours worked on that shift. This does not apply to On-Call employees.

SECTION 7.10 SEVERE WEATHER

As essential employees, team members are expected to be at work on time regardless of weather. Every attempt will be made to be at work as close to scheduled shift as possible in an effort to allow the next shift to attempt travel. If weather conditions are such that driving to work would be hazardous, roads are

closed, or travel to work would result in extreme hardship, an employee may use his/her vacation leave if the facility is unable to provide transportation to and from the facility. Sick time is not available for severe weather days.

ARTICLE 8: WAGES

SECTION 8.1 WAGE RATES

The classifications of employees covered by this Agreement and the corresponding rates of pay are set forth in Appendix "A" attached hereto and made part of this Agreement. Employees shall be compensated according to the wage scale set forth in Appendix "A."

Upon ratification of the new CBA, employees will be paid retroactive to June 1, 2020. Additionally, no worker shall see a decrease in their wages.

8.1.1 RECOGNITION FOR PAST EXPERIENCE

For purposes of placement on the wage scale (Appendix "A"), employees hired after the ratification date of this Agreement shall be credited year-for-year for related continuous recent work experience. For the purposes of this Section, continuous recent experience shall be defined as relevant experience in the health care field without a break in experience which would reduce the level of skills as determined by the Employer.

8.1.2 TOP OUT PAYMENT

A top-out payment of \$300 will be paid to employees who are not eligible to step increases due to pay scale ceiling attainment. The payment will be made in conjunction with the employee's anniversary of hire, in the pay period of that anniversary.

SECTION 8.2 DIFFERENTIAL AND PREMIUM PAY

8.2.1 SHIFT DIFFERENTIAL

All employees who work an evening (second) shift shall be paid a shift differential of fifty cents (\$0.50) per hour. All employees who work a night shift (third) shall be paid a shift differential of fifty cents (\$0.50) per hour.

8.2.2 WEEKEND PREMIUM PAY

Any employee who works on a weekend shall receive a fifty cent (\$0.50) per hour premium for each hour worked on the weekend in addition to the employee's regular rate of pay. The weekend shall be defined as the forty-eight (48) hour period beginning with the start of the night shift on Friday.

8.2.3 ON-CALL NURSE DIFFERENTIAL

On-call registered nurses and licensed practical nurses shall receive a fifteen percent (15%) wage differential over and above their hourly base wage rate plus any applicable shift differentials. Current on-call nurses employed with VCC will maintain the differential through the duration of employment; this differential will be phased out for any future on-call nurse employed by VCC.

8.2.4 CUMULATIVE SHIFT DIFFERENTIALS

Employees will receive the two differentials above (8.2.1 Shift Differential and 8.2.2 Weekend Premium Pay) for all hours worked during the weekend and on the evening and/or night shifts (e.g. \$0.50 for working on the weekend + \$0.50 for working the evening shift = \$1.00 per hour in addition to the individual's base rate).

SECTION 8.3 TEMPORARY ASSIGNMENTS TO A HIGHER PAID POSITION

Assignment to a higher paid position for more than one-half (1/2) of the employee's shift shall result in compensating such employee at the higher rate of pay for the full shift. The rate will be determined by adding the hourly rate difference to the employee's rate. Temporary assignment to a lower paid position will not result in reduction in pay rate.

SECTION 8.4 PROMOTIONS

Upon promotion to a higher paid job classification, an employee shall be paid at the base step in the wage scale of the higher paid job classification unless the employee has previous job experience directly related to the new classification. In this case, the employee would be placed appropriately on the wage scale for such job classification.

SECTION 8.5 TRANSFERS

An employee who transfers to a lower paid job classification shall be placed appropriately on the wage scale for such job classification.

SECTION 8.6 MENTOR PAY

Employees functioning in the role of a Mentor as defined in Section 4.6 Mentor, shall be paid three dollars (\$3.00) per hour in addition to their base rate plus any applicable shift differentials (Section 8.2 Differential and Premium Pay), for all hours assigned and preapproved as a Mentor.

SECTION 8.7 FERRY TICKETS

The Employer will provide employees ferry tickets for commuting to and from the facility for work shifts and/or to attend mandatory meetings or in-services per the Employer's policy.

SECTION 8.8 MEDICATION PASS (MED PASS) DIFFERENTIAL

Employees tasked with "med pass" duties will be paid an hourly differential of \$0.75 per hour for the duration of these duties.

SECTION 8.9 CONTINUING EDUCATION (CE)

Employees completing a mandatory continuing education module within the designated month the module is scheduled to be completed, will be paid for the allotted time pre-designated for each module at the employee’s normal rate of pay. Employees will coordinate with their immediate supervisor for the scheduling and completion of any mandatory CE module.

SECTION 8.10 POTENTIAL FOR HAZARD PAY AND COVID-19 DIRECT CARE PAY

In the event there is an outbreak of COVID-19 at VCC, both parties agree to enter into joint discussions to address hazard pay and COVID-19 direct care pay, including the duration of additional pay.

ARTICLE 9: HOLIDAYS, VACATION AND PERSONAL LEAVE

SECTION 9.1 HOLIDAYS

Holidays were established to honor a day of remembrance or celebration. We honor those days, but still need to provide care to our residents.

We observe the following holidays:

- | | |
|------------------|---------------|
| New Year’s Day | Memorial Day |
| Independence Day | Labor Day |
| Thanksgiving Day | Christmas Day |

A holiday is defined as beginning at the start of the night shift prior to 12:00 a.m. on the day of the holiday. For example, Christmas is December 25th. The holiday begins at the start of the shift, presently 10:00 p.m., on December 24th.

SECTION 9.2 THANKSGIVING, CHRISTMAS AND NEW YEAR’S SCHEDULING

To provide a fair method of allowing employees to receive Holiday benefits, Thanksgiving, Christmas Day (Christmas Day or Christmas Eve options for Night Shift), and New Year’s Day (New Year’s Day or New Year’s Eve options for Night Shift), will be scheduled as agreed to by staff of a specific department. If no agreement is reached, the following rules shall apply:

- a. No employee will be granted the same holiday off two (2) years in a row.
- b. No employee will be granted two (2) consecutive holidays off in a row.
- c. Each employee will be guaranteed no less than one (1) of the above holidays off, except in extreme circumstances beyond the Employer’s control.
- d. Once the schedule has been posted changes must be approved by the Department Manager and such changes will not affect holiday scheduling history for scheduling purposes.

SECTION 9.3 HOLIDAY ELIGIBILITY

An employee regularly scheduled to work 0.5 FTE or above and who has completed the three (3)-month probationary period, will receive holiday benefits which consist of the equivalent of the hours worked in his/her normal shift at such employee's regular rate of pay. When an employee is scheduled to work on a recognized holiday in Section 9.1 (Holidays) and calls in ill the day before, the day of, or the day following the holiday, then the employee shall not be eligible for that holiday's pay, unless the employee can furnish for the Employer a doctor's note verifying the illness. For example, an employee who is regularly scheduled to work an eight (8) hour shift shall be entitled to holiday pay consisting of eight (8) hours compensated at such employee's regular rate of pay. An employee who is regularly scheduled to work a six (6) hour shift, shall be entitled to holiday pay consisting of six (6) hours compensated at such employee's regular rate of pay.

SECTION 9.4 HOLIDAY PAY

When a holiday-eligible employee works a holiday referenced in Section 9.1 (Holidays), he or she shall be compensated at his or her regular rate of pay in addition to the holiday pay described in Section 9.3 (Holiday Eligibility). If such employee's scheduled shift overlaps onto a holiday, all the hours in such shift shall be considered for holiday pay if the majority of the hours in the shift falls within the holiday period. When an employee who is not eligible for holiday pay but works a shift on a holiday referenced in Section 9.1 (Holidays), s/he shall be compensated at two times (2x) his/her regular rate of pay for all hours worked for such shift.

SECTION 9.5 SICK LEAVE RESTRICTIONS

When an employee is scheduled to work on a recognized holiday in Section 9.1 (Holidays) and calls in ill the day before, the day of, or the day following the holiday, then the employee shall not be able to utilize his/her sick leave, unless the employee can furnish for the Employer a doctor's note verifying the illness.

SECTION 9.6 PERSONAL DAY

Employees regularly scheduled to work 0.75 FTE or above who have completed one (1) year of employment are entitled to one (1) personal day, after their first anniversary, paid at their regular rate of pay. The personal day may be taken in lieu of regularly scheduled work time during each calendar year. Employees must get prior approval from their Department Manager to take a personal day. For example, an employee who is regularly scheduled to work an eight (8) hour shift shall be entitled to a personal day consisting of eight (8) hours compensated at such employee's regular rate of pay. If the personal day is not used by the employee by their next anniversary date, the personal day is forfeited without pay.

SECTION 9.7 VACATION LEAVE

An employee regularly scheduled to work up to 0.74 FTE shall begin to accrue vacation leave, and may use accrued vacation leave after three (3) months of employment. Vacation leave accrual rates are as follows (up to 0.74 FTE): Employees working less than a regular full-time schedule as defined in Section 4.2 (Regular Full-Time Employee) shall accrue vacation leave hours on the basis of actual hours worked,

not including overtime, holiday, sick or vacation hours paid. Vacation leave hours shall be calculated based on an employee's years of service by multiplying the hours paid times the following factor:

Years of Service 1-2	hours paid x .01962 (no more than 5 work days)
Years of Service 3-5	hours paid x .03840 (no more than 10 work days)
Years of Service 6-8	hours paid x .05780 (no more than 15 work days)
Years of Service 9+	hours paid x .07680 (no more than 20 work days)

Vacation leave accrual rates are as follows (0.75 to 1.0 FTE):

Employees who are classified and work as a 0.75 to 1.0 FTE (40 hours per week) will accrue vacation at a rate of ten (10) calendar work days per year for years of service.

Years of Service 1-5	hours paid x .03840 (up to 10 work days)
Years of Service 6-8	hours paid x .05780 (up to 15 work days)
Years of Service 9+	hours paid x .07680 (up to 20 work days)

Vacation leave will be paid in no less than full shift increments. Unused vacation leave hours may not exceed two-hundred (200) hours each month. Any hours over two-hundred (200) at the end of the month shall be lost if not used during the month. Employees are responsible for monitoring their vacation leave balances and for scheduling vacations so they do not lose vacation leave hours. Vacation leave hours shall not accrue during a leave of absence.

SECTION 9.8 VACATION LEAVE CASH OUT

Employees who complete twelve (12) months of employment and voluntarily end employment or reduce their FTE to below 0.5 FTE, will be paid for unused vacation if they give the required advanced notice (14 calendar days). No sick or vacation time will accrue during the advanced notice period. Vacation leave may also be cashed out to an employee when the employee's leave balance exceeds 100 hours at one hundred percent (100%) of the employee's regular rate of pay. The request for cash-out must be submitted in writing five (5) days prior to the end of the pay period. All cash-outs are subject to lawful withholding.

SECTION 9.9 VACATION AND PERSONAL DAY SCHEDULING

All requests for vacation time or earned Personal Day must be scheduled and approved by the Department Manager and/or Executive Director. Business necessity and resident care issues will be the determining factor in evaluating each request. The Employer reserves the right to schedule, change, or cancel a vacation leave request. The Employer will provide the employee a good faith, bona fide explanation for the decision when denying an employee from utilizing vacation leave benefits. Competing requests for vacation will be resolved based upon the chronological request date in ADP. Between December 20th and January 2nd, vacation leave will not exceed one (1) week.

ARTICLE 10: SICK LEAVE

SECTION 10.1 SICK LEAVE ACCRUAL

Eligible employees shall accrue sick leave at the rate of 0.025 hours per paid hour, excluding overtime hours. For example, a full-time employee shall accrue sick leave at 0.02307×2080 hours annually = 6 days. The maximum accrual of sick leave shall be limited to two-hundred (200) hours. During the probationary period, employees shall be eligible to accrue but not take sick leave.

SECTION 10.2 SICK LEAVE ELIGIBILITY

Sick leave shall apply for any of the following conditions:

- a. Illness or injury which incapacitates the employee from performing his/her normal duties,
- b. Disability due to conditions arising from pregnancy, childbirth, and childbirth recovery as certified by an attending physician, and/or
- c. To care for a child of the employee with a health condition that requires treatment or supervision. To qualify as a "child," the person in need of care must be under the age of eighteen (18) or incapable of selfcare because of a mental or physical disability. Biological, adopted, foster, and stepchildren all meet the definition of child.
- d. To care for a spouse/partner, or a relative for whom the employee is a legal guardian, parent, parent-in-law, or grandparent of the employee who has a serious health condition or an emergency condition.
- e. To attend appointments with healthcare providers.

The Employer may require a written certificate from a physician or other health care professional verifying the illness or injury claimed. In addition, the Employer may require a second opinion to be paid by the Employer. The Employer shall be the sole judge of the necessity of such proof.

SECTION 10.3 NOTIFICATION TO CALL-IN SICK

Evening and night shift employees shall notify the Employer at least six (6) hours in advance of the employee's scheduled shift if the employee is unable to report for duty as scheduled. Day shift employees shall notify the Employer at least two (2) hours in advance of the employee's scheduled shift if the employee is unable to report for duty as scheduled. In the event of a documented emergency, the need of notification may be waived by the Employer. Failure to do so may, at the Employer's discretion, result in loss of paid sick leave for that day.

SECTION 10.4 PROOF OF ILLNESS

In the event of illness or injury in excess of three (3) working days in duration, the Employer may require a physician's certificate verifying the employee's ability to return to regular and customary duties.

SECTION 10.5 ON-THE-JOB INJURY

Accrued sick leave may be used to supplement the amount received by an employee from Workers' Compensation insurance up to the employee's regular rate of pay. The employee must make the request

in writing to their supervisor and is subject to L&I rules.

SECTION 10.6 VOLUNTARY SICK LEAVE DONATION

An employee may voluntarily donate his/her sick leave hours to another employee's sick leave by submitting a written request to the Business Office, subject to the following conditions:

- A) The employee donating sick leave hours must maintain a forty (40) hours minimum sick leave balance;
- B) The Executive Director shall in good faith determine if the receiving employee's situation would be eligible for donation.

ARTICLE 11: LEAVES OF ABSENCE

SECTION 11.1 GENERAL LEAVE PROVISIONS

All leaves of absence, including Union or personal leave, must be requested by an employee in writing as far in advance as possible stating the reason for the leave and the amount of time requested. Except as otherwise provided in this Agreement, it shall be the Employer's prerogative to grant or deny the request. Leave requests shall not be unreasonably denied. A leave of absence begins on the first date of absence from work. Failure to return from a leave of absence by the agreed upon return date subjects the employee to discipline up to and including discharge. In extenuating circumstances, when the return date needs to be extended or changed, the employee will communicate the need for the change as early as possible to the Employer.

11.1.1 HEALTH COVERAGE WHILE ON LEAVE

An employee on a leave of absence will continue to receive health coverage while he/she remains in a paid status. Upon expiration of any accrued time (e.g. vacation leave, sick leave), such employee must make arrangements through the Business Office for self-payment of insurance coverage. While in an unpaid status for an approved leave of absence, a benefit-eligible employee may continue insurance coverage under current COBRA regulations.

11.1.2 HEALTH COVERAGE WHILE ON UNION LEAVE

If an employee is participating in the Employer-provided health plan upon commencement of a Union Leave, the Employer shall continue such employee's coverage through the Employer-provided health care benefits, for which the Union shall reimburse the Employer.

SECTION 11.2 MATERNITY/PATERNITY LEAVE

A maternity/paternity leave of absence limited to the period of temporary disability shall be granted without loss of seniority or benefits accrued to the date such leave commences. Upon return from this maternity/paternity leave, the employee shall be given the same or similar job she/he vacated, and one of equal pay.

Prior to the employee returning from a leave of absence, the Employer may require a statement from the attending physician verifying the leave period.

Maternity leave shall require a physician's note attesting to the employee's capability to perform the work required of the job.

SECTION 11.3 FEDERAL AND STATE MEDICAL LEAVE ACTS

11.3.1 THE EMPLOYER AND THE UNION RECOGNIZE THE RIGHTS SET FORTH UNDER THE FAMILY MEDICAL LEAVE ACT OF 1993 AND APPLICABLE WASHINGTON STATE LAW (WASHINGTON PAID FAMILY AND MEDICAL LEAVE ACT).

The twelve (12) month period begins from the date of the employee's family or medical leave (either paid or unpaid). Family Medical Leave may be taken: upon the birth of the employee's child; upon the placement of a child with the employee for adoption or foster care; when the employee is needed to care for a child under the age of eighteen (18) or over the age of 18 if the child is incapable of selfcare, spouse, domestic partner, relative for whom the employee is a legal guardian, parent, stepparent, stepchild, or mother/father-in-law, or other family members as defined in the Act, who has a serious health condition; or when the employee is unable to perform the functions of his or her position because of a serious health condition. After the expiration of twelve (12) weeks, the employee shall be entitled to the first available position for which the employee is qualified. In accordance with applicable law, victims of domestic violence may be allowed extended leave.

11.3.4 AVAILABILITY OF SICK LEAVE UNDER FMLA

Subject to State law and facility policy, employees on FMLA will be required to use accrued sick and vacation leave before the leave is extended as an unpaid leave of absence.

11.3.5 EXTENSION OF LEAVE OF ABSENCE

An extended leave of absence beyond the period of actual physical disability may be allowed at the discretion of the Employer. Employees who request and receive from the Employer an extension of a leave of absence shall upon return to work be reinstated to the employee's former position, if vacant, or to the first available opening for which the employee is qualified. The employee's right to reinstatement to the first available opening shall be limited to ninety (90) days following the employee's notification to the Employer of the employee's availability for work, providing the employee's notification to the Employer occurs on or before the return date agreed upon by the employee and the Employer.

SECTION 11.4 JURY DUTY LEAVE

Time off at regular straight time pay for scheduled hours missed shall be granted for days when the employee is regularly scheduled to work and is required to serve on Jury Duty provided that operational hardship to the facility and quality of care delivered to the residents would not be jeopardized as a result from an employee serving on Jury Duty. If the employee is scheduled for Jury Duty but is not required to serve that day, then the employee shall notify their Department Manager to determine the availability of work that day. The Employer will make an effort to find work for the employee. Pay received from the court for such service must be refunded to the Employer.

SECTION 11.5 BEREAVEMENT LEAVE

The Employer shall grant an employee up to three (3) days of paid leave due to a death in the immediate family. Immediate family shall be defined as grandparent, parent, spouse, brother, sister, child, domestic partner, grandchild, stepchildren of the immediate family, mother in law and father in law, and step-parent(s) of the Employee.

ARTICLE 12: INSURANCE

SECTION 12.1 INSURANCE

The Employer will pay ninety percent (90%) of an Employee's premium for the base (highest deductible) plan and the Employee shall pay ten percent (10%) of the premium. If the employee moves to a higher-level plan, the contribution dollar amount will remain the same as that of the base (highest deductible) plan. Employees can add their spouse or dependent children. The company will pay 20% of the cost of the spouse based on the cost of the base (highest deductible) plan. The company will pay 50% of the cost of dependent children on the cost of the base (highest deductible) plan. Employees are eligible for coverage the first day of the month following 30 days of employment. In the event the Employer modifies its current plans or provides alternative plan(s), the Employer will review the plan changes with the Union at least twenty (20) days prior to the intended implementation date. Employees will be given at least fifteen (15) days notice of any changes to insured benefits.

ARTICLE 13: GRIEVANCE PROCEDURE

SECTION 13.1 GRIEVANCE DEFINED

A grievance is defined as an alleged violation of the express terms and conditions of this Agreement. Unless otherwise specifically agreed to by the Employer, the investigation of grievances and other Union business shall be conducted only during non-working time. If any such grievance arises it shall be submitted to the following grievance procedure.

SECTION 13.2 TIME LIMITS

Time limits in the following steps may be extended by mutual written consent of the Employer and the Union. Failure of an employee to file a grievance on a timely basis or to timely advance a grievance in accordance with the time limits set forth below will constitute a formal withdrawal of the grievance by the employee and the Union. Failure of the Employer to comply with the time limits set forth below shall result in the grievance being automatically elevated to the next step without any action necessary on the part of the employee, provided, however, mediation or arbitration must be specifically requested by the Union.

SECTION 13.3 GRIEVANCE PROCEDURE

A grievance shall be submitted to the following grievance procedure:

Step 1. Department Manager

The grievance in the first instance will be presented to the employee's Department Manager in writing setting forth the detailed facts concerning the nature of the grievance, the contractual provision allegedly violated and relief sought within ten (10) business days of the alleged breach of the express terms of this Agreement or within ten (10) business days of the date the employee knew or reasonably should have known of the alleged breach. The employee and the Department Manager or designee shall meet within five (5) business days from the Department Manager's receipt of the grievance, or mutually agreed to date to try and resolve the grievance. The employee may request the presence of a Union representative at such meeting. Every effort shall be made to settle the grievance at Step 1. The Department Manager or designee will respond to the grievance within five (5) business days of the meeting.

Step 2. Executive Director

If the grievance is not resolved to the satisfaction of the complainant within ten (10) business days from receipt of the written response, then the grievance may be presented to the Executive Director or designated representative in writing. The Executive Director or designated representative shall within five (5) business days, or mutually agreed to date meet with the grievant and representative of the Union in an attempt to resolve the grievance. Within five (5) business days after such meeting, the Executive Director or designated representative shall send to the grievant and to the Union a written response to the grievance.

Step 3. Mediation

If the grievance is not resolved to the satisfaction of the complainant within five (5) business days from receipt of the Administrator's written response to Step 2, upon written request of the Union, the grievance shall be submitted to non-binding mediation. Mediation can be waived by written mutual agreement of the parties. The mediator shall be selected by mutual agreement of the parties. The mediator shall convene the parties within five (5) business days, or mutually agreed to date, of selection. Once convened, the mediation process shall continue until the mediator declares that the mediation process is concluded, or five (5) business days, whichever comes first. Costs of mediation shall be shared equally by both parties.

Step 4. Arbitration

If the grievance is not resolved in Step 3, the grievance may be submitted in writing to an arbitrator as hereinafter provided, providing it is filed within ten (10) business days following the conclusion of mediation or the waiver of Step 3. The parties shall select an impartial party to serve as arbitrator. In the event the Employer and Union are unable to agree upon an arbitrator, the arbitrator shall be selected by the process of elimination by striking from a panel of seven (7) arbitrators furnished by the Federal Mediation and Conciliation Service (FMCS). The arbitrator shall render a decision as promptly as possible and in any event within thirty (30) business days from the close of the hearing or the receipt of post-hearing briefs, whichever is later. The arbitrator shall confine himself/herself to the issue submitted for arbitration and shall have no authority to determine any other issue not so submitted to him/her. The arbitrator shall have jurisdiction and authorization only to interpret, apply or determine compliance with

the specific terms of the Agreement and shall not have jurisdiction to add to, detract from or alter in any way the provisions of this Agreement. The arbitrator is not authorized to make a backpay award for any period earlier than the date the grievance was first presented to the Employer at Step 1 of this grievance procedure. Any decision within the jurisdiction of the arbitrator shall be final and binding upon the parties. The expenses and fees incumbent to the services of the arbitrator shall be equally shared by the Employer and the Union.

ARTICLE 14: HEALTH AND SAFETY

SECTION 14.1 GENERAL

The Employer will maintain a safe and healthful workplace, including providing required screenings in compliance with all federal, state and local laws applicable to the safety and health of its employees as required for assisted living. The Employer will provide annual influenza shots to all employees.

Employees are encouraged to report any unsafe conditions to their supervisors.

SECTION 14.2 COMMUNICABLE DISEASES

14.2.1 Communication

Communication to employees of potential risk by residents or other employees is required when known by the Employer. Notification of updates that come from the Centers for Disease Control (“CDC”), Department of Health and Department of Social and Health Services (“DSHS”) or any other local, state or federal agency will be provided to employees promptly, preferably with acknowledgement receipts.

14.2.2 Testing

For employees potentially exposed to a communicable disease while on the job, testing will be made available. Testing will be paid for through the employee’s health insurance. For uninsured employees or an employee with an out of pocket expense related to mandatory testing, the Employer will cover testing costs.

14.2.3 Leave

If an employee reports to the Employer that they’ve been potentially exposed outside of work, it is understood that employees will be able to use accrued and earned Paid Time Off and may be eligible for Paid Family Medical Leave.

14.2.4 Personal Protective Equipment (PPE)

The Employer will follow all federal, state and local guidelines for infection control with respect to PPE. When infection control guidelines require PPE during work hours, PPE will be provided by the Employer at no expense to the employee. If national shortages in PPE arise, the Employer will follow any amended

federal and state guidelines for PPE distribution.

ARTICLE 15: RETIREMENT

SECTION 15.1 PRE-TAX RETIREMENT PLAN

Employees will be allowed to participate in a voluntary pre-tax Company administered retirement savings plan.

SECTION 15.2 RETIREMENT EMPLOYER MATCH

The Employer will match 403(b) contributions made by the employee consistent with Company policy.

ARTICLE 16: NO STRIKES

During the term of this Agreement, neither the Union nor its members, agents, representatives, employees or persons acting in concert with them shall incite, encourage, or participate in any strike, sympathy strike, walkout, slowdown or work stoppage of any nature. During the term of this Agreement, any employee participating in any strike, sympathy strike, walkout, slowdown or work stoppage shall be subject to immediate dismissal. The Union and its officers will do everything within their power to end or avert such action. During the term of this Agreement, no lockouts shall be entered upon by the Employer.

ARTICLE 17: MANAGEMENT RESPONSIBILITIES

The Union recognizes that the Employer has the obligation of serving its residents with the highest quality of care, efficiently and economically and/or meeting medical emergencies. The Union further recognizes the right of the Employer to operate and manage its facilities including but not limited to the right to require standards of performance and to maintain order and efficiency; to direct employees and determine job assignments and working schedules; to determine the materials and equipment to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine the kind and location of facilities; to determine whether the whole or any part of the operation shall continue to operate; to discipline, demote or discharge employees for just cause; to lay off employees for lack of work, to recall employees, to require reasonable overtime work of employees; to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised as to violate any specific provisions of this Agreement. The parties recognize that the above statement of management responsibilities is for illustrative purposes only and should not be construed as restrictive or interpreted so as to exclude those prerogatives not mentioned which are inherent in the management function. All matters not covered by the language of this Agreement may be administered by the

Employer on a unilateral basis in accordance with such policies and procedures as it from time to time shall determine.

ARTICLE 18: GENERAL PROVISIONS

SECTION 18.1 SEVERABILITY

If an Article and/or Section of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any Article and/or Section should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such Article and/or Section.

SECTION 18.2 SCOPE OF AGREEMENT

The Employer and the Union acknowledge that during the negotiations that resulted in this Agreement, each party had and exercised the unlimited right and opportunity to make demands and proposals with respect to any lawful and proper subjects of collective bargaining. This Agreement fully and completely incorporates all such understandings and agreements and supersedes all prior understandings and practices, oral or written, expressed or implied. Accordingly, this Agreement alone shall govern the entire relationship between the parties and shall be the sole source of any and all rights which may be asserted in arbitration hereunder or otherwise. Unless specifically provided to the contrary, past practices existing prior to the ratification of this Agreement shall not be binding on the Employer. Furthermore, the Employer shall not be bound by any practices that exceed the agreed upon terms and conditions of employment set forth in this Agreement.

SECTION 18.3 SUCCESSORSHIP

If the Employer shall sell, transfer, or otherwise dispose of or contract out as a business, or cause it to be merged or consolidated with that of any other person, corporation or other business entity, then the agreement by which such sale, transfer, disposition, merger, consolidation or contracting out is made, shall provide that the entity thereafter to operate the business shall assume all of the terms and conditions of this Agreement, and shall specifically agree to retain all members of the bargaining unit then employed in the business as may be consistent with staffing.

ARTICLE 19: DURATION

This Agreement shall be effective June 1, 2020 and shall continue in full force and effect to and including May 31, 2023. Should either party desire to modify or terminate this Agreement before May 31, 2023, it shall serve written notice at least ninety (90) days prior to that date. Failure of such notice to be served shall result in this Agreement being renewed from year to year thereafter unless written notice of desire to amend the Agreement is served by either party at least ninety (90) days prior to the date of expiration.
