- M. The Employer shall report errors as it pertains to this Article and identify causes and

solutions to problems within a reasonable period of time but in no event more than five (5) business days from when the problem was reported by the Union or discovered by the Employer. Once the cause of the error has been identified, the Employer shall notify the Union and include a list of impacted providers if applicable, as soon as possible, but no later than ten (10) business days unless another timeline is mutually agreed upon by the parties.

SECTION 5.2 PRIVACY

In accordance with state and federal law, the Employer shall utilize the latest industry standards and procedures for the protection of sensitive and personally identifiable information of each of its employees. The Employer agrees that the following information is confidential and shall not be released by the Employer or its agents to any third party, except as necessary to comply with the provisions of this Agreement:

The names, addresses, GPS coordinates, telephone numbers, wireless telephone numbers, electronic mail addresses, social security numbers, driver's license numbers, the dates of birth, or other personally identifying information of employees covered by this Agreement.

Notwithstanding the prohibition in the first paragraph of this Section 5.3, the Employer may release confidential information:

- (a) to a governmental body, including DSHS and the state's area agencies on aging for the purposes of administering the Individual Provider Program, if the recipient agrees to protect the confidentiality of the information.
- (b) as part of a judicial or quasi-judicial proceeding and subject to a court's order protecting the confidentiality of the information and allowing it to be used solely in that proceeding.
- (c) as necessary for the provision of fringe benefits to employees, and the recipient agrees to protect the confidentiality of the information.
- (d) if the disclosure is required by federal law; and
- (e) the disclosure is required by a contract between the Employer and a third party, and the recipient agrees to protect the confidentiality of the information.

The Employer agrees to inform the Union, upon request, about whether it has shared confidential information released under (a)-(e) of this Section for more than one-hundred employees in any calendar year, the recipient of the confidential information, and the purpose for which the information was shared.

The Employer agrees to notify the Union within ten (10) calendar days if a third party, not identified in (a)-(e) of this Section has requested release of any information about the bargaining unit, classification or branch. In no case will the Employer release information prior to notifying the Union.

ARTICLE 6: PRODUCTION OF AGREEMENT

SECTION 6.1

The Union and the Employer shall jointly share the costs of producing and printing this Agreement in sufficient quantities for distribution to the members of the bargaining unit, and of translating it in up to ten (10) languages (other than English) most commonly spoken among members of the bargaining unit as determined by the Union, provided that the cost to the Employer shall not exceed eighteen thousand dollars (\$18,000) during the life of this Agreement. Any costs over and above eighteen thousand dollars (\$18,000) shall be borne exclusively by the Union.

SECTION 6.2

In addition to the actual text of the Agreement and by mutual agreement of the parties, the printed copy of the Agreement may contain introductory statements, highlights, or graphics included for the purposes of making the Agreement easier to understand and in order to provide the information most important to home care workers (such as their wage scales, benefits, and rights) in an easily-accessible, user-friendly format.

SECTION 6.3

Regarding the production of the Agreement in languages other than English and the inclusion of introductory statements, highlights, or graphics, the parties agree that all disputes regarding the interpretation or application of this Agreement shall be determined based solely on the original

English-language Agreement signed by the parties, and not upon any other language version or upon any introductory statements, highlights, or graphics.

SECTION 6.4

To the extent that the Union incurs costs associated with this Article prior to the effective date of this Agreement and not exceeding eighteen thousand dollars (\$18,000), those costs shall be agreed upon and reimbursed by the Employer on or immediately after the effective date of this Agreement.

ARTICLE 7: GRIEVANCE AND DISPUTE RESOLUTION

SECTION 7.1 DISPUTE RESOLUTION PHILOSOPHY

The Employer and the Union commit to address and resolve issues in a fair and responsible manner at the lowest possible level, and to use mediation and conflict resolution techniques when possible. Our relationship depends on mutual respect and trust based on our ability to recognize and resolve disagreements rather than avoiding them.

Prior to filing a grievance, the Union and the Employer will attempt wherever possible to resolve problems informally and not to resort to the formal grievance procedure.

SECTION 7.2 GRIEVANCE DEFINITION

A grievance is defined as a contention of a misapplication or violation concerning the application or interpretation of this Agreement.

SECTION 7.3 GRIEVANCE/DISPUTE RESOLUTION PROCEDURE

Step 1. Informal Resolution

The home care worker and/or a Union representative may confer with the Employer's designated representative and attempt to resolve the issue informally. Cases submitted for potential resolution as a part of the informal process will not be assumed to be covered under a formal written grievance unless specifically stated in the written grievance.

The Union shall have up to forty-five (45) calendar days from the alleged violation, or up to forty-five (45) calendar days from when the home care worker or the Union could reasonably

have been aware of the incident or occurrence giving rise to the grievance, to engage in the informal process, if it so chooses. If the issue is not resolved informally, and/or remedies are not granted, the Union shall have forty-five (45) additional calendar days to submit a written grievance, in accordance with Step 2 of Article 7.3.

Step 2. Written Grievance

If the grievance is not resolved at Step 1, the home care worker and/or Union representative shall set forth the grievance in writing including the identity of any affected grievant(s) if known by the Union, a statement of the pertinent facts surrounding the grievance, the date on which the incident occurred, the alleged violations of the Agreement, and the specific remedy requested. The provision of identities of affected individuals in the grievance is without prejudice to which IPs are ultimately covered by the grievance.

The written grievance shall be submitted to the Employer within forty-five (45) calendar days of the occurrence of the alleged violation or within forty-five (45) calendar days of when the home care worker or the Union could reasonably have been aware of the incident or occurrence giving rise to the grievance. Individual Provider grievances shall be submitted by email to LaborCDWA@consumerdirectcare.com.

The Employer or the Employer's designee shall meet with the grievant and their Union representative within fourteen (14) calendar days of receipt of the written grievance, in order to discuss and resolve the grievance. Subsequent to this meeting, if the grievance remains unresolved, the Employer will provide a written response to the grievance by email within twenty-one (21) calendar days from the date the parties met to discuss the grievance. If the response does not resolve the grievance, the Union may, within fourteen (14) calendar days of receipt of the response, proceed to Step 4, Arbitration.

Step 3. (Optional) Mediation

As an alternative prior to final and binding arbitration in Step 4, if the matter is not resolved in Step 2 the parties may choose by mutual agreement to submit the matter to mediation in order to resolve the issue. The party requesting mediation of the dispute must notify the other party by email no later than fourteen (14) calendar days of receipt by the Union of the emailed response from the Employer in Step 2. The party receiving the request for mediation must notify the other party by email within fourteen (14) calendar days of receipt of the request whether or not it agrees to mediate the dispute. If the party receiving the request does not agree to mediate the dispute, the Union may, within fourteen (14) calendar days of the email notification of the decision not to mediate, proceed to Step 4, Arbitration.

If the parties agree to mediation, they shall select a neutral mediator. Both parties shall submit a statement of their position on the issue. The mediator may also bring the parties together in person to attempt to resolve the issue.

The parties shall each pay one-half (1/2) the costs or fees, if any, of the neutral mediator. Each party shall be responsible for its own costs, including the costs of representation, advocacy and the costs of that party's appointed representatives.

If the issue is successfully resolved by mediation, the decision shall be binding on all parties, and shall, unless specifically agreed otherwise, form a precedent for similar issues. If the issue is not successfully resolved through mediation, the Union may, within fourteen (14) calendar days of receipt of a written declaration of impasse or rejection of a settlement offer from either party, proceed to Step 4, Arbitration.

Step 4. Arbitration

If the grievance is not settled at Step 2 or 3, it may, within the time frames noted above, be referred by the Union to final and binding arbitration. The arbitrator shall be mutually agreed upon by the parties, within thirty (30) calendar days of the request for arbitration, or, upon failure to agree upon an arbitrator, the Union shall, within forty-five (45) calendar days of the

original request for arbitration, request a list of seven (7) arbitrators from the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS). The parties shall select an arbitrator within fourteen (14) calendar days of receiving the list by alternately striking names from the list of seven (7) arbitrators. A coin toss shall determine which party shall first strike.

The award of the arbitrator shall be final and binding upon both parties. The parties shall each pay one-half (1/2) the costs of the arbitration, including the fees of the arbitrator and the proceeding itself, but not including the costs of representation, advocacy, or witnesses for either party. The arbitrator shall have no power to add to, subtract from, or change any of the terms or provisions of this Agreement.

SECTION 7.4 TIME LIMITATIONS

The parties agree that the time limitations provided in this Article are essential to the prompt and orderly resolution of any grievance, and that each will abide by the time limitations. To this end, grievances must be processed within the periods of time specified above. Days are calendar days and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day that is not a Saturday, Sunday or holiday. Any grievance not properly presented in writing and within the time limits specified, or any grievance not moved to the next step within the specified time limits shall be considered to have been withdrawn. If the Employer fails to meet the time limitations specified, the Union may move the grievance to the next step. Time limitations may be extended by mutual agreement of the parties.

ARTICLE 8: COMPENSATION

SECTION 8.1 WAGES

Effective July 1, 2023, all home care workers will be placed on a step commensurate with the total number of their IP hours of work (State of Washington and CDWA) retroactively calculated to July 1, 2005, and, up to their date of hire by CDWA, their verifiable hours of work as a Medicaid-contracted home care agency direct care worker retroactively calculated to July 1, 2017. IP

hours shall be properly preserved by the Employer back to July 1, 2005. New hires will be informed during their hiring process of the ability to receive credit for prior home care agency work (non-IP work) and given instructions on how to provide that evidence. To show the number of non-IP home care agency direct care hours worked prior to their date of hire, IPs may submit a letter from their other Employer(s) or Employer-provided payroll records. Employees who submit proof of additional hours will be credited with the additional hours within ten (10) days of submitting the evidence of hours worked. Any change to an IP's rate of pay due to crediting of agency hours will not be retroactive but will become effective the pay period following the request. Bargaining unit home care workers will be paid according to the wage scales found in Appendix A. During the life of this Agreement, wages shall be adjusted upward for each home care worker based upon accumulation of hours not including time spent as mentors pursuant to [Article 15.9](#). All home care workers shall be paid strictly on an hourly basis. Except as modified by this Agreement, all home care workers shall be paid strictly according to the wage scales. Any non-hourly payment arrangements, or arrangements to pay any home care worker according to any other rate than the rates contained in Appendix A, are hereby void.

Employees with a valid Home Care Aide certification or who are exempt from certification under [RCW 18.88B.041](#)(1)(a)(i)(A) or (B) who completed the advanced training course offered prior to December 31, 2016 (as set forth in Training Partnership curriculum) shall be paid an additional twenty-five cents (\$0.25) per hour differential to their regular hourly wage rate. This advanced training differential stacks on top of the certification differential described above (e.g., an employee who has completed the home care certification and the advanced training requirements shall be paid fifty cents [\$0.50] above their regular hourly wage rate).

SECTION 8.3 MILEAGE REIMBURSEMENT

Home care workers shall be compensated when the IP drives their personal vehicles to provide

Such compensation shall be paid on a per-mile-driven basis at the standard mileage rate recognized by the Internal Revenue Service up to a maximum of one-hundred and ten (110) miles per month per consumer.

Home care workers providing transportation to services funded by the Home and Community Based Services (HCBS) waivers, the DDA Individual and Family Services Program, or the Veteran's Directed Home Services and identified in the consumer's Individual Support Plan, in excess of the above maximum per month, will be reimbursed up to an additional maximum authorized by the case manager.

This AHCAS or ABHCAS differential stacks on top of the certification differential described in [Section 8.2](#), if applicable, and the advanced training differential in [Section 8.2](#).

SECTION 8.5 ADMINISTRATIVE TIME

Individual providers shall be compensated an additional fifteen (15) minutes per pay period for the purposes of recording and submitting timesheets.

Eligibility for health care benefits shall be determined solely by the Board of Trustees.

Contributions for the Health and Safety Benefit will be paid to the Trust, which will administer any program established with these funds. The use of the negotiated funds for health and safety will be determined by the Board of Trustees of the Health Benefits Trust.

The Trust shall determine the appropriate level of contribution, if any, by eligible home care workers. Ongoing costs for deduction of home care worker premiums for health care shall be paid by the Employer. At least thirty (30) days' notice of changes in deduction amounts must be given to allow the Employer to implement requested changes.

SECTION 9.3 PAYROLL DEDUCTIONS

With adequate advance notice of no fewer than thirty (30) days, the Employer shall perform any such premium-share payroll deductions as directed by the Trust and as authorized by any home care worker. Initial and ongoing computer programming and operation costs associated with the implementation of this Article shall be paid by the Employer in accordance with

Section 12.6.

SECTION 9.4 PURPOSE OF TRUST

For the purposes of offering health care, dental vision care, and other benefits or programs authorized by the Board of Trustees to members of the bargaining unit, the Employer shall become and remain a participating Employer in the Trust during the complete life of this Agreement, and any extension thereof.

SECTION 10.2 WORKER'S COMPENSATION PREMIUMS

SECTION 10.3 THIRD-PARTY ADMINISTRATOR

The Employer may contract with a third-party administrator in order to administer the worker's compensation coverage provided to home care workers in the bargaining unit. The third-party administrator shall be responsible for claims management and verification, recommending and implementing risk management procedures, and preventing worker's compensation fraud.

Information: calculating and applying variable wage rates; combining several consumers' service hours in a single payment; adding and editing deductions at variable levels for health care premiums, Taft-Hartley fund contributions, taxes, Union deductions, wage garnishments, and other purposes, and processing and remitting deducted or garnished funds to the appropriate party; providing for fax, web-based and mobile device application reporting of hours; providing for direct deposit into multiple bank or other financial institution accounts; and, upon reasonable notice, providing a reasonable level of ease and cost-control in making changes to fields and/or records for individual or system-wide payments and deductions with no significant additional cost to the Employer. IPs who submit their time through the fob or IVR and cannot electronically access pay stubs may request CDWA print and mail their pay stubs to them. By June 30, 2025, the Payroll System will allow home care workers to claim mileage and PTO in the same application or system they claim hours. When seeking to claim hours, if certain days or weeks are blocked for claiming, or if claimed hours are rejected, the employee may request an explanation for why this is the case and shall receive a response in writing. The explanation may be sent through the portal or by email.

SECTION 12.2 PAYROLL SYSTEM PAYMENT TIMELINES

The Payroll System will pay individual provider home care workers on a bi-weekly basis. Individual providers will be paid every other week for a total of twenty-six (26) paydays per calendar year. If a pay date falls on a recognized federal holiday, payment shall be made on the previous business day which is not a recognized federal holiday. The Employer and Union will jointly agree on the pay-date schedule.

The Employer will notify an individual provider, via the contact information provided, within forty-eight (48) hours of processing a timesheet if there is a problem with how the individual provider is reporting their hours. If the individual provider corrects the error prior to the payroll cutoff date for the pay period, they will be paid within that pay period. Individual provider-initiated changes made to a timesheet after the published cutoff and changes to individual provider or client eligibility that impact payment are not subject to these timelines.

SECTION 12.3 TIMELY AND ACCURATE PAYMENT

Home care workers shall be entitled to receive timely and accurate payment for services

authorized and rendered. To promote a timely and accurate payroll system, the Employer and the Union shall work together to identify causes and solutions to problems resulting in late, lost or inaccurate paychecks and similar issues. The parties acknowledge the time necessary to correct errors in payments depends on the underlying nature of the error. The Employer shall identify causes and solutions to problems within a reasonable period of time but in no event more than five (5) business days from when the problem was reported.

Once the cause of the error has been identified, payment will be made as soon as possible but no later than ten (10) business days. The Employer shall provide to the Union the names and Employer ID of each impacted provider, the date they were paid, the date they should have been paid, and the amount of compensation paid late, upon request of the Union. The Union and the Employer agree to utilize the current electronic process through which complaints can be escalated, documented, and resolved.

SECTION 12.4 LATE PAYMENT FEES AND DAMAGES

In order to expedite remedying late payments as soon as possible, the Parties agree that individual providers who are OK to work, have logged or attempted to log hours prior to the time submission deadline for the pay period in question, and are paid later than the respective pay date shall have the following remedies in the event of a violation of this Agreement.

Incidental and Consequential Damages

The Employer will also reimburse the IP for damages incurred as the result of a late payment of \$75 or more that can be verified through documentation. Examples of damages are late fees on rent or utilities, overdraft charges, etc. The IP must provide a complete copy of the original bill or notification of fees and costs. Copies must be of the complete bill, front and back. IPs will submit damages documentation to the Union through a secure uplink. The Union will evaluate the documentation provided by the IPs prior to furnishing the documentation to CDWA. If CDWA disagrees with the IP's assertion that the claimed damages are reasonable and the direct result of the underpayment, CDWA will submit the documentation and analysis to SEIU 775 and the parties will work together to resolve disagreements. The Employer may also reimburse for damages incurred as the result of a late payment of under \$75 using the same process.

If the parties are unable to resolve a disagreement about: (i) whether the IP should have been deemed OK to work, (ii) whether the IP was paid late, (iii) whether the IP logged or attempted to log hours prior to the time submission deadline for the pay period in question, (iv) how late the IP was paid, or (v) the causation and reasonableness of damages, either party may move the matter from this expedited process to the next step in the grievance process, up to and including arbitration.

SECTION 12.5 ELECTRONIC DEPOSIT OR DEBIT CARD

Home care workers shall have the right to authorize electronic deposit into their designated account or debit card for any payment issued to them for services or other reimbursement. Debit cards will be sent to the providers within four (4) business days of the request and will be capable of being activated upon receipt. If a direct deposit does not successfully process payment to the IP, the Employer shall contact the employee to update their direct deposit.

SECTION 12.6 TAX WITHHOLDING

The Employer, at its expense, shall withhold from each home care worker's paycheck the appropriate amount of Federal Income Tax, Social Security, Federal and State Unemployment Insurance, Medicare contributions, and any other taxes or public insurance fees required to be

deducted by federal or state law.

The Employer will provide individual providers with a W-4 tax form and Federal Tax Income (FIT) notice. Any changes to the FIT notice will be provided to the Union at least fourteen (14) days before it is sent to the bargaining unit.

SECTION 12.7 CHANGES TO PAYROLL AND PAYMENT SYSTEMS

The Employer shall determine the costs associated to implement the provisions of this agreement. The Employer shall bear the costs for any changes to payroll or payment systems and these costs shall be included in the cost of the overall Agreement. If the Union requests programming changes not otherwise covered or required by this Agreement, the parties will meet to discuss prioritization, capacity and funding.

SECTION 12.8 QUALITY ASSURANCE METRICS FOR CDWA CUSTOMER SUPPORT

The Employer will comply with applicable state and federal laws governing document retention. Upon request of the LMC, the Employer will provide some basic performance metrics, such as call volumes, average hold times, and abandoned calls, for its call center. The Labor Management Committee shall discuss and review the performance of the CDWA customer call center.

SECTION 12.9 PAYROLL SYSTEM OUTREACH AND EDUCATION

During the life of this agreement, the Employer will provide general communication to IPs including, but not limited to, claiming PTO and Continuing Education (CE) hours. The Employer may also sponsor in-person support sessions across the state so that home care workers can receive assistance with reporting hours.

SECTION 12.10 CASH ADVANCES

The Employer will not offer cash advances.

Section 12.11 Electronic Visit Verification (EVV) Any EVV system that employees are required to use shall be accessible in at least English, Spanish, Russian, Mandarin, Cantonese and Vietnamese. Any training materials on the EVV system should also be in those languages.

employee.

Nor shall it be interpreted so as to prevent Carina from making referrals on the basis of bona fide job-related skills (e.g. language fluency or the physical ability to lift and transfer a consumer) or legitimate consumer preferences such as gender.

SECTION 13.3

The Employer embraces the goal of creating equal employment opportunities and affirmative recruitment to ensure a diverse workforce.

ARTICLE 14: REFERRAL REGISTRY

Once the individual provider submits the background check confirmation code to the Employer, the Employer shall provide written notification to the individual provider verifying receipt of confirmation code and entry into the Background Check System (BCS) as soon as possible.

The Employer shall develop and publish standard and uniform criteria for providing extensions to workers once the background check deadline has passed without having completed the process. Workers shall be notified of any extensions granted via email or in the portal.

An individual provider whose criminal background check is not completed within two (2) years of the previous criminal background check and is not sent a written notification by the Employer informing them that they are no longer permitted to work, will be allowed to work and be paid for the hours they work that are within the individual provider's work week limit and the client's authorized hours as verified by the individual provider's timesheet. Individual providers will be allowed to work and be paid until the criminal background check process is

finished or until such time as the individual provider is sent written notification that they are no longer permitted to work.

The explanation should include that employees with overpayments of above \$50 will be offered a repayment plan, which defaults to 5% of the employee's pay. The notice will state that if an employee grieves the validity of the overpayment, they will be assigned either a one-time repayment (if the amount involved is less than \$50) or the default payment plan of 5% of gross pay, though the payments

3. If the employee with an overpayment of more than \$50 requests a payment plan, they will be offered the option of a default repayment plan of 5% of the employee's pay. They will also be given the option of altering that payment plan to pay more per pay period. At the end of 8 months on the payment plan, the remainder of the balance will be deducted from the IP's next paycheck. ARTICLE 27: HEALTH AND SAFETY

SECTION 27.1 SAFE AND HEALTHY WORKING ENVIRONMENT

The Employer recognizes the importance of providing a safe and healthy working environment for individual providers. Individual providers have a right to decline working for a client who lives in a situation which could threaten their health and safety. The individual provider shall report any unsafe or hazardous conditions to the Employer immediately.

Incidents or verbal and physical aggression, as well as sexual harassment, are an occupational hazard for many long-term care workers, including those who work in the homes of the person to whom they provide care. The risk may be outside the control of the individual receiving care due to the conduct of others in the home. The risk may be due to symptoms or conditions that can manifest with individuals communicating their needs in ways that an individual caring for the

person may experience or interpret as harassment, abuse, or violence. In any event, caregivers should not have to experience discrimination, abusive conduct, and challenging behaviors without assistance or redress.

Adequate preparation of caregivers helps both the caregiver and person receiving care. Caregivers should be equipped with information, including relevant care plans and behavioral support interventions, existing problem-solving tools, and strategies to improve safe care deliver.

SECTION 27.2 SAFETY MEASURES

The Employer and the Union recognize the importance of working conditions that will not threaten or endanger the health or safety of employees or clients. The Employer shall comply with all requirements under SB 6205, including:

- A. The Employer shall continue to maintain a comprehensive written policy concerning how the Employer shall address instances of discrimination, abusive conduct, and challenging behavior and work to resolve issues impacting the provision of personal care, and the policy must include stated permission and a process for allowing workers to leave situations where they feel their safety is at immediate risk. This process must include a requirement to notify the Employer and applicable third parties such as Department of Social and Health Services' case managers, emergency services, or service recipient decision makers as soon as possible.
- B. The workplace safety committee will meet as necessary, or at least once every three years, to review and recommend updates to the Employer's plan to prevent and protect employees from abusive conduct, to assist employees working in environments with challenging behavior, and work to resolve issues impacting the provision of personal care.
- C. The Employer may not terminate an employee, reduce the pay of an employee, or not offer future assignments to an employee for requesting reassignment due to alleged discrimination, abusive conduct, or challenging behavior.

- D. The Employer must inform an employee of instances of discrimination and abusive conduct occurring in or around the service recipient's home care setting prior to establishing the employee's relationship with the service recipient, and throughout the duration of service, if those instances are:
1. Documented by the Employer; or
 2. Documented by the Department of Social and Health Services and communicated to the Employer.
- E. The Employer must inform an employee, prior to establishing the employee's relationship with a service recipient, of a service recipient's challenging behavior that is documented:
- a. In the service recipient's care plan;
 - b. By the Employer; or
 - c. By the Department of Social and Health Services and communicated to the Employer.
- F. The Employer must keep a record of any reported incidents of discrimination or abusive conduct experienced by an employee during the provision of paid personal care services. The records must be kept for at least five (5) years following the reported act.
- G. The Employer must provide a list or resources about discrimination and harassment for employees to utilize. At a minimum, the resources must include contact information of the equal employment opportunity commission, the Washington state human rights commission, and local advocacy groups focused on preventing harassment and discrimination and providing support for survivors.

No employee shall be required to work in any situation that would threaten or endanger their health or safety and the Employer shall notify employees of any known health or safety risks prior to an IP agreeing to provide services to a specific client. Such situations include: bodily harm to the employee, threatening behavior of the client to the employee, sexual harassment of the employee by the client or by persons in the household, or any other situation that would be a threat to the employee's health. Any employee who believes in good faith that their health

and/or safety is in imminent danger at an assigned work location may leave that location immediately and contact a case manager, supervisor, or Employer representative. If after review and investigation of the incident giving rise to the belief of imminent danger it is determined that the employee acted reasonably and promptly reported the incident to the Employer, the employee shall be paid for their entire typical shift, including all travel time and travel miles (except for errands not performed) the employee would have been paid had the shift been completed as scheduled.

If the employee believes the client may be in danger, the employee should call 9-1-1 or other emergency services.

SECTION 27.3 PERSONAL PROTECTIVE EQUIPMENT

The Employer shall provide, at no cost to the IP, personal protective equipment (PPE) as recommended by the Department of Labor and Industries and public health guidance.

ARTICLE 28: SUCCESSORSHIP

- A. The Employer agrees that its operations covered by the Collective Bargaining Agreement (CBA) shall not be contracted out, conveyed, or otherwise transferred or assigned to any third-party (hereafter, “assigned”) without first taking the following steps:
 - 1. The Employer agrees to notify the Union prior to communicating with a third party or upon communication initiated by a third party for the purpose of engaging in a transaction which may affect the interests of SEIU 775 bargaining unit members. The Employer agrees to notify any potential purchaser of all or any part of its operations covered by this Agreement of the Collective Bargaining Agreement with SEIU 775 and will make acceptance of this Agreement, to the extent permitted by law, a condition of any sale, purchase, or any other form of transfer of its business, in whole or in part, to any other person or entity.
 - 2. No less than fifteen (15) days after executing an agreement with any third-party to

be assigned any operations covered by the CBA, the Employer will provide the Union with written proof that it has secured a contractually binding commitment ("contract") from said third-party to (a) offer employment to all IPs, or to as many IPs as are needed to perform the operations covered by the CBA that the third-party is being assigned, within a discretely managed bargaining unit or group consisting of nothing but such newly hired IPs, at terms and conditions no worse than the terms and conditions in existence under the CBA in effect at the time the third-party becomes the new Employer of the Individual Providers and (b) agree, to the extent permissible by law, to assume all of the Employer's obligations under that CBA for the remainder of the CBA. The contract must specifically recite that it is governed by Washington State law and is enforceable in Thurston County Superior Court and that the Union is an intended third-party beneficiary of the commitments made by the third-party to the Employer contained therein. Once the third-party becomes the new Employer of Individual Providers the Union will enforce the terms of the current CBA through the grievance and arbitration provisions with the new Employer, consistent with applicable law.

3. The Union will receive notice from the Employer no less than ninety (90) days prior to any third-party being assigned any of the operations covered by the current CBA. The Employer will keep the Union informed of any changes to this timeline.
4. The Employer agrees that failure by it to strictly comply in a timely fashion with Sections 1, 2 or 3 will allow the Union to seek immediate injunctive relief in Thurston County Superior Court restraining the Employer from moving forward with assigning any of the operations covered by the CBA to any third-party until and unless these requirements are met.

B. The parties agree that after a third-party is assigned any of the operations covered by the

current CBA, the Union may request bargaining over the effects of the assignment of work to the third-party within fifteen (15) days of receipt of such notice and, if such a request is made, the Employer will engage in such bargaining prior to the transfer of work. The parties agree that neither party will be able to seek arbitration upon impasse.

SECTION 30.3

Employees will be subject to a progressive discipline system for violating the Employee Handbook and policies and procedures as of February 17, 2023, and as amended thereafter consistent with this Section, including but not limited to exceeding work week limits and client authorizations as follows:

In the event that coachings or written warnings are not provided in the IPs' preferred languages, IPs may be referred to the CDWA language lines for assistance.

The Union will be provided copies of all third offense written warnings. The employee may request a meeting with the Employer and will have the right to Union representation on a second, third, or fourth offense.

The Employer may make amendments to the Employee Handbook or policies or procedures pertaining to employees, but prior to doing so, the Employer shall provide the Union sufficient notice of its intent to do so such that the Union shall have at least fourteen (14) days after the notice and before implementation to request the parties meet and confer or bargain over such changes, whichever is appropriate. If the Union requests that the parties meet and confer or bargain over the change, CDWA will not implement the change until the process has concluded.

SECTION 30.4

If there is an emergent situation that requires an employee to stay with their client because of a risk to the client's health or safety, the employee should stay with the client until the situation is safe and stable and should end their Workday as soon as it is safe to do so. The Employee should contact CDWA the next day to explain the situation. The Employee will be paid for all hours worked and paid overtime if their hours exceed 40 hours in the week.

SECTION 30.9

Through the LMC, the parties will jointly discuss the quarterly data provided by the Employer and discuss how to manage overtime utilization.
