ARTICLE 1: RECOGNITION

Amicable Healthcare (hereafter collectively referred to as the “Employer”, “the Employer,” or “an Employer”) recognizes SEIU 775 (the “Union”) as the sole and exclusive collective bargaining agent for all employees who are employed by the Employer throughout the State of Washington in the position of home care worker, who perform home care and personal services, or work in any position related to delivery of such in-home services, including but not limited to: home care workers, home care aide certified (HCA), caregivers, personal care assistants, Certified Nursing Assistants (CNA or NAC), Nurse Aide Registered (NAR), Licensed Practical Nurses (LPN or LVN), Registered Nurses (RN), and any other similar job title or classification; excluding all employees not employed in the in-home services or programs delivered by the Employer, managers, confidential employees, office clerical employees, translators, professional employees, guards, and supervisors as defined in the National Labor Relations Act.

ARTICLE 2: UNION MEMBERSHIP AND UNION SECURITY

SECTION 2.1: UNION MEMBERSHIP DUES

No later than thirty (30) days following the effective date of this Agreement, all present employees must, as a condition of continued employment, be or become members of the Union; all employees hired after the effective date of this Agreement shall be or become and remain members of the Union no later than thirty (30) days following the first day of their Employment in accordance with the provisions of Section 8 of the National Labor Relations Act, as amended. Failure of any employee to comply with the provisions of this subsection shall, upon request of the Union, result in immediate termination of such employee, provided that the Union has given the employee fourteen (14) days’ notice that the employee’s obligation to make payment has not been met and that the delinquency renders the employee liable to termination under this section. The Employer shall provide written notice to the Union of such discharge within thirty (30) days. The Employer shall not be obligated to dismiss an employee for non-membership in

the Union: (a) If the Employer has reasonable grounds for believing that such membership was not available on the same terms and conditions generally applicable to other members; or (b) If the Employer has reasonable grounds for believing that such membership was denied or terminated for reasons other than the failure of the employee to tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership.

SECTION 2.2: DUES DEDUCTION

The Employer agrees to deduct from each bargaining unit employee's pay all authorized dues, fees, and assessments as determined or required by the Union. The Employer shall make such deductions from the employee's paycheck following receipt of written authorization, and periodically thereafter as specified on the written authorization, so long as such authorization is in effect, and shall remit the same to the local Union by Automated Clearing House (ACH) Payment twice per month within ten (10) days after the end of each pay period for which the dues were deducted. If the report is delayed the Employer will notify the Union when the report will be delivered. The Union will furnish all the membership forms necessary to be used for this written authorization and will notify the Employer in writing of dues, fees, or assessments to be assessed within five (5) days of execution of this Agreement, and thirty (30) days before the effective date of any change. The Union reserves the right to enforce the terms and conditions of each employee's signed membership card with regard to when authorizations for deductions may be revoked. The Employer shall honor the terms and conditions of each employee's signed membership card.

SECTION 2.3: POLITICAL ACCOUNTABILITY FUND (COPE)

The Employer shall deduct the sum specified from the pay of each member of the Union who voluntarily executes a Political Accountability Fund (COPE) wage assignment authorization form.

When filed with the Employer, the authorization form will be honored in accordance with its terms. The authorization form will remain in effect until or unless revoked in writing by the employee to the Union, by which the Union will notify the Employer to cease deductions. The amount deducted and a roster of all employees using payroll deduction for Political Accountability Fund (COPE) contributions will be promptly transmitted to the Union by separate check payable by Automated Clearing House (ACH) Payment to the Union and identified as COPE deductions, at the same time as the remittance of dues. Upon issuance and transmission of an ACH Payment to the Union, each Employer's responsibility will cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of Political Accountability Fund (COPE) contributions hereby undertake to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that may arise against the Employer for, or on account of, any deduction made from wages of an employee.

SECTION 2.4: VOLUNTARY DEDUCTIONS

Upon receipt of a payroll authorization form, the Employer shall deduct and transmit voluntary contributions from each employee to the Union. The Employer shall deduct the sum specified from the pay of each employee and the authorization will be honored in accordance with its terms. The authorization will remain in effect until or unless revoked in writing by the employee to the Union, by which the Union will notify the Employer to cease deductions. The amount deducted and a roster of all employees using payroll deduction for voluntary deductions will be promptly transmitted to the Union by separate check payable by Automated Clearing House (ACH) Payment to the Union and identified as Voluntary Deduction, at the same time as the remittance of dues.

SECTION 2.5: ELECTRONIC SIGNATURE AND VOICE AUTHORIZATION

The parties acknowledge and agree that, consistent with the Electronic Signatures in Global and National Commerce Act (Pub. L. 106–229, 114 Stat. 464, enacted June 30, 2000, 15 U.S.C. ch. 96) the terms “authorize”, “authorized”, “authorization form”, and “written authorization,” as used in this Agreement, include without limitation authorizations created and maintained by use of electronic records and electronic signatures consistent with state and federal law. Electronic records include electronically recorded phone calls, an online deduction authorization, or by any other means of indicating agreement so long as the Union can establish that such method is verifiable and allowable under state and federal law to the Employer’s satisfaction. The Union, therefore, may use electronic records and voice authorization to verify Union membership, authorization for voluntary deduction of Union dues and fees from wages or payments for remittance to the Union, authorization for voluntary deductions from wages or payments for remittance to the Political Accountability Fund (COPE), and authorization for other voluntary deductions from wages or payments for remittance to the Union, subject to the requirements of state and federal law. The Employer shall accept confirmations from the Union that the Union possesses electronic records and/or voice authorizations of such membership and give full force and effect to such authorizations as “written authorization” for purposes of this Agreement.

SECTION 2.6: BARGAINING UNIT INFORMATION AND REPORTING

Employees covered by this Agreement are required to maintain up-to-date personal phone number(s), and home address on file with the Employer. The Employer shall provide a roster of all bargaining unit employees to the Union ten (10) calendar days after each pay period. If the report is delayed the Employer will notify the Union when the report will be delivered. This information shall be transmitted securely in a mutually agreeable format. The roster shall include pay period start and end date, each employee’s ID number, first name (preferred by employee),

middle name (if applicable), last name,, social security number, gender, home address type (mailing, physical) address: city, State, zip, address last updated, home phone number, cell phone number (all phone numbers shall conform to the '(xxx) xxx-xxxx' format), personal email address (if any), office or unit where the employee is assigned, CBA job classification(s), FTE status, shift, rate(s) of pay, differential rate (if applicable), gross pay, pay period hours, total hours accrued as an employee of the Employer or hours credited towards a wage scale step (cumulative career hours balance – rolling total should include the hours worked on each row), amount and rate of any special differential pay, PTO balance (rolling total should include the hours earned/used/forfeited on each_row), PTO hours paid, overtime hours, retro pay amount, retro pay hours, mileage amount paid (number of miles), date of hire, date of birth, amount paid in dues, dues percentage, amount paid in COPE (if applicable), amount paid in any other voluntary deductions(s) (if applicable), and date and reason of termination,-employment or leave status.

The Employer shall facilitate reconciliation of these employment records with the Union, including clarifying whether workers are inactive because of paid or unpaid leave or other reason.

Prior to the transmission of the bargaining unit roster submitted to the Union, the Employer agrees to verify that the Employer's records accurately reflect the membership status of each employee listed. The Employer shall identify any discrepancies between the roster and its records. The sum of the individual Union dues amounts in the Roster/Report shall exactly match the amount of the dues payment(s) remitted to the Union.

The sum of the voluntary deductions in the Rosters/Reports shall exactly match the amount of the voluntary deduction payment(s) remitted to the Union.

If the Dues Report and the Employee Roster are submitted as separate reports, both reports must have a corresponding record, cover the same time period, and must contain the following identical information:

SECTION 2.7: DATA SECURITY

In accordance with state and federal law, the Employer shall utilize industry standards and procedures for the protection of sensitive and personally identifiable information of each of its employees. The Employer agrees that the following information is confidential, and shall not be released by the Employer or its agents to any third party, including any contractor or vendor, except as necessary to comply with the provisions of this Agreement, for the provision of other employment benefits, or by a regulatory agency or court of competent jurisdiction as required by law:

The names, addresses, telephone numbers, wireless telephone numbers, electronic mail addresses, social security numbers, and dates of birth of all employees covered by this Agreement.

The Employer agrees to notify the union within ten (10) calendar days if a third party has requested release of any information about the entire bargaining unit, classification, or branch. In no case, will the Employer release information prior to notifying the Union.

The Employer agrees that the following information is confidential, and shall not be released by the Employer or its agents to any third party, including any contractor or vendor, except as necessary to comply with the provisions of this agreement, for the provision of other employment benefits, or by a regulatory agency or court of competent jurisdiction as required by law: the names, addresses, telephone numbers, wireless telephone numbers, electronic mail addresses, social security numbers, and dates of birth of all employees covered by this agreement.

The Employer agrees that no such information will be provided without written authorization from the employee.

SECTION 2.8: DATA MAINTENANCE

The Union will conduct periodic audits of data related to membership form reconciliation, financial deductions, and Bargaining Unit information. The Employer shall complete and/or reconcile the audit within fifteen (15) days of receiving the audit from the Union.

SECTION 2.9: MEMBERSHIP FORMS

The Employer agrees to distribute membership forms for the Union with the basic employment paperwork required by the Employer. All Union membership forms completed by an employee and returned to the Employer will be forwarded to the Union within seven (7) days of receipt of the form via certified/trackable mail.

ARTICLE 3: UNION RIGHTS

SECTION 3.1: ADVOCATE

For purposes of representation and mutual administration of the contract, the Union will designate advocates from among its members employed by the Employers. The advocate position is the worker representative position responsible for handling grievances and disciplinary issues with the Employers. The Union will notify each Employer when an advocate has been designated.

SECTION 3.2: ADVOCATE RECOGNITION

The Employer agrees to compensate designated advocates at their regular rate of pay for their involvement in representational meetings, contract enforcement, and other meetings as defined in this Agreement. Advocates shall have the obligation to inform their supervisors when they will be utilizing advocate time, and shall follow all usual scheduling procedures to ensure client care coverage. Time spent by worker representatives in representational meetings or other meetings as defined in this Agreement shall be considered hours worked for the purpose of healthcare eligibility (i.e., not for contributions).

SECTION 3.3: BULLETIN BOARDS

Each Employer will provide a bulletin board and place the board in an area easily accessible to employees in each of the Employer's branch offices for union postings.

SECTION 3.4: NEW EMPLOYEE ORIENTATIONS, IN-SERVICE TRAININGS AND CONTINUING EDUCATION

An integral part of each employee's tenure with the Employer is an understanding of this Agreement and the role of the Union in the employment setting. As such, representatives designated by the Union, or Advocates shall be permitted to attend the Employer's new employee orientations, within the first half of every new employee orientation during regular working hours, whenever possible. The Employer will endeavor to provide the Union at least forty eight (48) hours' notice of new employee orientations. The Union representative or Advocate may make its presentation in person, by video conference, or by phone. New employees will be paid by the Employer during these times.

The Employer will, on a weekly basis, provide to the Union new hires information which includes the employee's preferred name, complete mailing address, home and cell phone number, personal email address and partial Social Security number in a secure manner.

The Union shall have the right to include information in each Employer's new employee orientation materials. The Union will provide adequate copies of all documents it wants to be included.

Additionally, new caregivers will be scheduled to attend one thirty (30) minute "union time" presentation during the required basic training of home care workers, such time shall be paid.

Continuing caregivers will be scheduled to attend one fifteen (15) minute "Union time" presentation each calendar year that is connected with a Continuing Education Class, such time shall be paid. An employee or the Union must present satisfactory proof of attendance to be paid for any "Union time" presentation.

Annually, the Employer shall provide the Union with at least ten (10) days' notice of any in-service or all-staff, and the time designated for a thirty (30) minute presentation by a designated Union representative or Advocate, when applicable.

SECTION 3.5: ACCESS TO EACH EMPLOYER'S OFFICES

Each Employer agrees to admit to its offices the authorized worker representative of the Union for the purposes of adjusting grievances and conducting other Union business.

SECTION 3.6: ACCESS TO EACH EMPLOYEE'S FILES

The employee or his/her worker representative shall have the right to examine the employee's personnel file. If the employee is not present, the employee shall provide written authorization to enable the worker representative to examine the file in the absence of the employee. Only appropriate information shall be maintained in an employee's personnel file. Employees may request that a document be removed from their personnel file. Each Employer retains full discretion in determining whether the request is granted. Disputes regarding documents placed in the employee's permanent personnel file are subject to the Grievance Procedure as stated in Article 9. The Union may, during normal business hours, examine time sheets, work production or other records that pertain to an employee's compensation and/or fringe benefits, in case of a dispute as to contributions and/ or pay. The Union shall not exercise this right so as to be disruptive of the Employer's business.

Upon request from the employee in writing, the Employer shall provide the employee a copy of the personnel file within fourteen (14) calendar days. Copies may be emailed upon request by the employee.

SECTION 3.7: PAYCHECK DISTRIBUTION

The Union may be present at in-person paycheck distributions or when employees are dropping off timesheets (unless the implementation of an all-electronic payroll system makes this

provision obsolete). The Employer shall display a link to the Union contract website on the opening webpage of the online payroll website, when feasible.

The Employers will not be expected to pay Union worker representatives for their presence at in-person paycheck distributions or timesheet drop-offs.

SECTION 3.8: MEETING ROOMS

The Union may use meeting rooms of the Employer in its offices for meetings of the unit, provided sufficient advance request for meeting facilities is made to the designated administrator in the and space is available.

ARTICLE 4: EQUAL OPORTUNITY AND NO DISCRIMINATION

The parties agree to work jointly to establish, through the application of this agreement, positive and progressive Affirmative Action in order to redress the effects of possible past discrimination, eliminate any possible present discrimination, to prevent further discrimination and to ensure equal opportunity in the application of this Agreement.

The Employer agrees that qualified applicants for employment will be considered without regard to race, ethnicity, color, physical and/or mental disability (except as exempted by a bona fide occupational qualification), marital status, national or tribal origin, ancestry, gender, sexual orientation or perceived sexual orientation, gender identity or perceived gender identity, age, religion, creed, citizenship status, veteran status, active service in the Armed Forces of the United States, lawful political beliefs or actions, union membership or activities, or other characteristics or considerations made unlawful by federal, state, or local law or by government agency regulations.

The Employer further agrees that they shall not discriminate in terms or conditions of employment on the basis of the aforementioned characteristics (except for bona fide occupational qualifications or client preference). The Employer and the Union also commit to support equal employment opportunity and affirmative recruitment to ensure a diverse workforce. All employees share the responsibility of maintaining a work environment that is

supportive of equal employment opportunity. Employees shall be treated fairly and with dignity and respect.

The Employer and the Union shall develop a way to produce the parties' collective bargaining agreement in multiple languages to ensure inclusion and acknowledgement of employees who wish to read the contract in a different language other than English; this topic can be a subject for discussion at the Labor Management Committee.

SECTION 4.1: PRIVACY RIGHTS AND IMMIGRANT SAFETY

The Union is obligated to represent all workers without discrimination based upon national or ethnic origin. The Union is therefore obligated to protect workers against violations of their legal rights occurring in the workplace, including unreasonable search and seizure. The Employer is obligated to comply with all applicable federal, state, and local regulations in addition to operating within all parameters and specific conditions set in their private compliance agreement with federal state and local regulatory officials.

To the extent permitted by law, the Employer shall notify the Union as quickly as possible, if any D.H.S. (Department of Homeland Security) or ICE (Immigration and Customs Enforcement) agent contacts the Employer to enable a Union representative or attorney to take steps to protect the rights of workers. Additionally, to the extent permitted by law, the Employer shall notify the Union immediately upon receiving notice from the D.H.S. or ICE, or when an SSA audit of worker records (for any purpose) is scheduled or proposed and shall provide the Union with any list received from such governmental agencies identifying workers with documentation or social security problems.

To the extent permitted by law, the Employer shall not infringe the privacy rights of workers, without their express consent, by revealing to the D.H.S. or ICE any worker name, address, or other similar information. To the extent permitted by law, the Employer shall notify the affected worker and the Union in the event it furnished such information to the D.H.S. or ICE.

To the extent permitted by law, the Employer may provide paid or unpaid leaves of absences for any worker who requests such leave in advance because of court or agency proceedings relating

to immigration matters as outlined in its Employer Policies and consistent with all state and federal leave requirements.

To the extent permitted by law, workers shall not be discharged, disciplined, suffer loss of seniority or any other benefit or be otherwise adversely affected by a lawful change of name or social security number. Workers who have falsified any records concerning their identity and/or social security number will be terminated. Nothing in this section shall restrict the Employer's right to terminate a worker who falsifies other types of records or documents.

ARTICLE 5: CLIENT RIGHTS

The Employer and the Union are committed to quality care of clients. It is the right of clients, in the privacy of their home, to choose the employee with whom they feel the most comfortable. The Parties support client rights. If a client wishes to change employees, for any reason, the Employer will respect the right of the client to do so. If a client chooses to change employees, the employee who is being unscheduled shall be eligible for another client(s) or equivalent hours as available. The Employer will make a good faith effort to provide support for a successful employee/client relationship(s). At the discretion of the parties, the Employer and the Union may explore through the Labor Management Committee methods of coaching, counseling or mediation to assist in the resolution of client/worker conflicts to help ensure consistent service delivery with minimal worker reassignment.

ARTICLE 6: PROBATION

The first ninety (90) days of employment with the Employer shall be the probationary period for all new employees. During this period the Employer shall provide specific orientation to the job performance expectations, to the agency and to the agency's services and programs, and to the people/clients served by the agency. Supervisors shall monitor performance during this time and will provide appropriate feedback to the employee, to help the employee successfully complete the probationary period. If requirements of the job are not being met, the Employer shall seek to counsel the employee to correct the defined deficiencies. If satisfactory improvement does not

result, the probationary employee may be disciplined or terminated in the sole discretion of the Employer without further notice or recourse to the grievance procedure. The discipline or discharge of an employee who is in probationary status shall not be in violation of this Agreement. Probationary employees are covered by the terms and conditions of this Agreement except as specifically noted and retain the same legal rights as other employees under the National Labor Relations Act and applicable local, State and Federal laws. Employees completing the probationary period shall be credited with seniority retroactive to date of hire. If an employee has not worked for the Employer for longer than a year, except for reasons related to an injury on the job covered by workers' compensation, he or she will begin the probationary period on the first day of the return to work.

ARTICLE 7: SENIORITY

Seniority shall be defined as the employee's date of hire with the Employer. Continuous service shall be defined as no break in service for longer than one month with the exception of a Union-related leave of absence, military duty, leave under the Family Medical Leave Act, a layoff of less than twenty-four (24) months, or any other extended leave approved by an Employer. Seniority shall be used to determine entitlement to or accrual of other benefits as described in this agreement. Seniority shall also be a factor in determining work assignments, layoffs and recalls. The pay rate of the employee is determined by the number of verifiable cumulative career hours as a home care worker (per Article 20 – Wages and Premiums).

ARTICLE 8: DISCIPLINE AND JUST CAUSE

SECTION 8.1: JUST CAUSE AND RIGHT TO REPRESENTATION

Just Cause and Progressive Discipline

Employees who have completed the Introductory Period may only be disciplined or discharged for just cause. Communications between supervisors and employees about disciplinary matters shall be respectful. The purpose of progressive discipline is to improve an employee's performance and not for it to be intended punitive in nature. Progressive discipline shall be used,

with the general progression as follows: verbal warning, written reprimand or warning, unpaid or paid suspension, and termination/discharge (firing).

Serious Misconduct

In the case of serious misconduct, or for disqualifying crimes as defined in statutes applied to the licensed provision of home care services, the Employer may bypass any one or all of the steps of progressive discipline for reasonable cause.

Fact-finding

Prior to issuing any form of disciplinary action to an employee, an Employer shall meet with the employee to investigate and gather facts. If the employee speaks a language other than English, the Employer will provide interpretation during the meeting. The Employer shall inform the employee of the purpose of the investigatory meeting and that the meeting could lead to disciplinary action. The Employer shall inform the employee of his/her/their right to request representation of an advocate or Union representative in the meeting. If an employee requests representation of an advocate or Union representative, the meeting shall be scheduled when a union advocate or representative can be present. The unavailability of an advocate or Union staff representative for a meeting date shall not unreasonably delay or impede the Employer's investigation or decision to take disciplinary action. Representation via telephone or video conference shall be facilitated if requested by the Union or advocate.

SECTION 8.2: NOTIFICATION OF FORMAL DISCIPLINARY ACTION/WRITTEN JUSTIFICATION FOR DISCIPLINE FOR CAUSE

In the case of any disciplinary action (written warning, suspension, economic sanction, or termination/discharge) the Employer shall give a copy of the disciplinary action to the employee. The disciplinary action shall be issued to the employee no later than fourteen (14) calendar days from the day the incident is made known to the employer. The document should include the reason(s) for the discipline, date of the infraction, and a line for the signature of the employee and the immediate supervisor or manager responsible for the decision to issue discipline, including the following notice:

“Signing this document indicates that you have received a copy but does not indicate that you agree or disagree with its contents. If you believe this action violates the union contract or Employer policies, you have the right to contest this action through filing a grievance, if you believe this action violates the Union contract. You may contact your Union advocate or the SEIU 775 Member Resource Center (MRC) at 1-866-371-3200.”

This notice will be provided in writing in the employee’s preferred language.

The lack of the employee’s signature on the notice shall not be grounds for nullifying or challenging the notice or any ensuing disciplinary action where reasonable evidence shows that the Employer attempted to inform the employee of the investigation, pending or actual discipline.

The Employer will strive to identify specific corrective action(s) that the employee is expected to take to improve his/her performance.

The Employer will send copies of all corrective actions that employees receive to the Union within forty-eight (48) hours of issuance to the employee. Transmitting disciplinary notices to the Member Resource Center may be the agreed-upon form of notice.

SECTION 8.3: SUSPENSION OR DISCHARGE

Within seven (7) calendar days after any suspension or discharge, an Employer shall notify the Union in writing (by email) of the suspension or discharge and the reason for this action and shall attach a copy of the disciplinary notice signed by the employee or provided to the employee. The Employer will attempt to assign other work to the employee while it is conducting its investigation as long as the employee is licensed to work. If the employee is exonerated after the Employer’s investigation and he or she was not offered other work pending the investigation, the Employer will make a good faith effort to offer to replace the terminating client’s hours and the employee may accept or decline

such offer; such termination from that client will not render the caregiver unable to work for other current or future clients with the Employer unless the termination is rooted from an accusation that places the employee on suspension or Administrative leave.

If the Employer is unable to assign the caregiver to other suitable home care work, the employee may apply for unemployment benefits while suspended from entirely working with the Employer and will also have the option to use any accrued and available PTO.

SECTION 8.4: INVESTIGATION OF JUST CAUSE BY UNION

An advocate or Union representative shall have the right to interview employees and management personnel and gather information concerning disciplinary matters. Such interviews shall not interfere in any way with an Employer's business activity. Should a client complaint be involved, the applicable Employer will attempt to provide a copy of the client's written complaint, if any, with all identifiers removed, so long as the removal of identifiers adequately protects the confidentiality rights of the client and the provision of the complaint does not violate federal, state, local laws or regulations.

SECTION 8.5: EMPLOYER RULES

The Employer may establish reasonable work rules. The Employer may require new employees to sign a form provided by that Employer to confirm their understanding of the work rules. The Employer will advise the Union of any proposed changes to the work rules thirty (30) days in advance. If the rule is a mandatory subject of bargaining, the Union reserves the right to bargain such changes.

SECTION 8.6: PERSONNEL FILES

Any information about the employee may be included in the personnel file, including, without limitation, information regarding disciplinary action, such as client complaints, warnings, placements on probation status, and formal evaluation reports prepared by an Employer shall be

placed in the employee's personnel file. A copy shall be made available to the employee upon the employee's written request. The Employer shall allow the employee and/or his/her representative (if the employee so authorizes in writing or if a Union staff representative is in the process of conducting a grievance on the employee's behalf) to examine the employee's permanent personnel file. Files must be made available within five (5) business days of receipt of a written request at a mutually agreeable time and date. Employees who have a reasonable dispute with information in their personnel file may submit written comments in response to any material in their file, which comments shall also be maintained in their personnel file. Employees may not submit additional written comments regarding disputes which have been resolved through the grievance process.

Should the employee maintain a good record for one (1) year, all identified negative materials shall be removed from his/her/their personnel files, unless otherwise required to be retained by state law or regulation.

SECTION 8.7: APS OR REGULATORY INVESTIGATIONS

Should Adult Protective Services or another regulatory agency (such as Children's Administration or the Division of Developmental Disabilities) initiate an investigation of an employee that requires suspension or removal of that employee from any client, but does not require suspension or removal from all home care work, the Employer will attempt to assign the employee other suitable home care work until the investigation is complete if permitted by state law or regulation.

If the Employer is unable to assign the employee to other suitable home care work, the employee will be advised to apply for unemployment benefits and to have the option to use any accrued and available PTO. If an employee is exonerated and has not received other home care work, they shall receive back compensation of up to sixty (60) days at the employee's regular rate, reduced by the amount of unemployment insurance benefits received by the employee during the term of their suspension. To be eligible for back compensation, the employee shall be required to apply for unemployment insurance benefits and shall provide to the Employer

documentation from the unemployment agency showing payments received by the Employee during the suspension.

If, following the conclusion of an APS or other regulatory investigation, it is determined by the Employer, or APS or other regulatory agency that the employee is to be disciplined, up to and including termination, the notification provisions of Section 8.2 of this Article will apply.

If the investigation indicates that the disciplinary action is unnecessary, the Employer will make reasonable efforts to reinstate the employee to the same hours/position with the original client. If the client should decline to be served by the employee, the Employer will make reasonable efforts to assign suitable and available client hours, until s/he is employed at the same number of hours as before the investigation.

ARTICLE 9: GRIEVANCE PROCEDURE

SECTION 9.1: DEFINITION

A grievance is hereby defined as a claim against, or dispute with, the Employer by an employee or the Union involving an alleged violation by the Employer of the terms of this Agreement, employee handbook, policies or procedures, or past practices of the Employer. The Union and the Employer are mutually committed to resolving disputes at the lowest level possible and in an expedient manner. Grievances concerning discharge or discrimination as defined in this Agreement shall be filed initially at Step Two.

SECTION 9.2: TIME LIMITS, MEETINGS, AND NOTIFICATIONS

The purpose of time limits within the grievance procedure is to ensure the swift resolution of disputes. Time limits may be extended or waived at any step of the grievance procedure by mutual written agreement of the Parties. The party awaiting a response at any step may advance the grievance to the next step once the time limits have expired. The Union may withdraw a grievance at any step in the grievance procedure. The Parties agree the grievance may be resolved at any step of the grievance process provided that all appeals are timely.

The parties may conduct meetings in person, by phone, video conference, or waive meetings by mutual agreement. Email is a valid form of notification under this Article.

An employee who attends any meetings (in person or virtual) outside of scheduled working hours shall be paid for the time spent at their normal rate of pay.

SECTION 9.3: GRIEVANCE STEPS

Grievances shall be handled in the following manner:

Step One: The grievant, advocate and/or Union staff representative shall present a grievance to the grievant's immediate supervisor within thirty (30) calendar days from the date of the alleged violation or from the date the alleged violation first became known, whichever is later. The supervisor shall have ten (10) calendar days from receipt of the grievance to meet with the grievant(s) and his/her/their union representative to hear the grievance and to attempt to resolve the dispute. The supervisor shall respond in writing to the grievance within fifteen (15) calendar days of the Step 1 meeting to agree to resolve the grievance or to deny the grievance. The supervisor's response shall be addressed to both the grievant and the Union. Should the supervisor fail to respond within this time frame, the Union shall have the right to forward the grievance to the next step.

Step Two: If no resolution or settlement is reached between the grievant(s) and the supervisor, the grievant(s) or the Union may file a written appeal of the supervisor's decision rendered in Step One to the appropriate Program Director or his/her/their designated representative. The grievant or Union shall file this written grievance within fifteen (15) calendar days after his/her/their receipt of the supervisor's decision from Step One. A meeting with the appropriate Program Director or his/her/their representative, the grievant and the advocate or Union staff representative shall be held not later than ten (10) calendar days after receipt of the written grievance. The appropriate Program Director's response shall be addressed to the grievant and the Union. The appropriate Program Director's response shall be final and binding on the

employee, the Union, and the Employer unless it is timely appealed to arbitration by the Union in accordance with this Article.

Grievances concerning discharge or discrimination shall be filed initially at Step Two. Group grievances claiming the same alleged conduct involving employees who work under more than one supervisor may be filed initially at Step Two. Multiple individual grievances alleging the same violation that are filed during the same time frame may be combined into a group grievance and commenced at Step Two.

SECTION 9.4: WRITTEN GRIEVANCE

The written grievance must contain the following information:

- (a) the exact nature of the grievance;
- (b) the act or acts alleged to be violations of this Agreement, employee handbook, policies or procedures, or past practices of the Employer not specifically addressed in this Agreement.
- (c) when the alleged act(s) occurred;
- (d) the identity of the grievant(s);
- (e) the specific Article or provision of this Agreement or the past practice alleged to have been violated;
- (f) the remedy proposed to attempt to resolve the grievance.

The written grievance must be signed by the grievant or authorized Union representative.

SECTION 9.5: REQUEST FOR ARBITRATION

If no resolution or settlement is reached within fifteen (15) calendar days of the Step 2 meeting, or if no response is received by the Union within the time limits, then the Union shall have the right, within the next fifteen (15) calendar days, to advise the Director or his/her/their designee that the Union is forwarding the grievance to a neutral arbitrator for final and binding settlement.

The time limits for filing for arbitration may be extended by mutual agreement of the official representative of the Parties.

SECTION 9.6: ARBITRATION

In the event that a grievance proceeds to arbitration, the Parties shall make a good faith effort to agree on an arbitrator and proceedings shall be held in a mutually agreed upon location. In the event the Parties are unable to agree, and not later than five (5) calendar days from receipt of the request by the Union for arbitration, the Parties shall select an arbitrator as follows:

The Federal Mediation and Conciliation Service (FMCS) shall provide a list of five (5) arbitrators to the Union and to the Employer.

Within five (5) working days after receipt of the list of arbitrators, the Parties shall select an arbitrator through the process of elimination by alternately striking names. The Party to strike first shall be selected by a coin toss.

OR

The Parties may mutually agree to a list of arbitrators to be used during the term of this Agreement and shall select any arbitrator whose schedule permits timely hearing of the grievance.

The jurisdiction of the impartial arbitrator is limited to:

- Adjudication of the grievance setting forth the issue or issues to be arbitrated;
- Interpretation of the specific terms of this Agreement or past practices of the Employer which are applicable to the particular issue presented to the arbitrator;
- The rendering of a decision or award that in no way modifies, adds to, subtracts from, changes or amends any term or condition of this Agreement or that is in conflict with any of the provisions of this Agreement;
- The rendering of a decision or award based solely on the evidence and arguments presented to the arbitrator by the respective Parties; and,

- The rendering of a decision involving the administration or interpretation of insurance plans or contracts. The arbitrator shall not have jurisdiction over internal rules of the insurance plans or contracts which are outside the Employer's or the Union's control.

SECTION 9.7: ARBITRATION DECISION AND COSTS

The arbitrator will render a decision within thirty (30) calendar days after the conclusion of the hearing or within thirty (30) calendar days following any period allowed for the filing of post-hearing briefs. The decision shall be final and binding upon the Employer, the Union and the employee(s) affected.

The Employer and the Union shall each bear the cost of its own arbitration presentation, including the costs of witnesses, and shall bear equally the fees and cost of the arbitrator.

ARTICLE 10: VACANCIES

SECTION 10.1: OPEN POSITIONS

In order to ensure that all interested employees are advised of employment opportunities, notice of job vacancies for regular full or part time positions will be sent to the Union, and job announcements will be posted on designated bulletin boards in the office. In addition, information about all job vacancies will be available to employees by calling the office and in pay envelopes. All regular full or part-time vacancies will be posted and filled in accordance with this Agreement. Postings will include position requirements, minimum qualifications, substitute and preferred qualifications (if any) and base rate of pay.

SECTION 10.2: NOTIFICATION OF AVAILABLE HOURS

An employee seeking to work additional hours will notify his/her supervisor(s) of a desire to work additional hours, and schedule availability. Employees who are seeking to qualify for healthcare coverage shall indicate that they are seeking additional hours in order to qualify for health care

coverage. Such notification will be made at least once a month. It is the responsibility of the employee to notify their immediate supervisor when their schedule changes. When a client ends services with the Employer, the Employer will notify all affected caregivers before the start of their next shift, or when the Employer becomes aware, whichever is first. The Employer will publish information, by office, regarding available hours via designated bulletin boards and other means which will assist employees in obtaining more hours. The means used to notify employees of available hours may also be referred to the appropriate Labor Management Committee for development following the ratification of this Agreement. The principle of client choice shall be the determinative factor for assignment of worker(s). All other factors and qualifications being equal, the Employer shall offer additional hours first to those workers seeking enough hours to qualify for healthcare coverage, employees who lost client hours through no fault of their own and thereafter the Employer shall use seniority as the factor in assigning additional hours, up to a maximum of forty hours per week.

In order to ensure that client hours are assigned on a regular basis by seniority and other factors as called for in this Section, the Employer may temporarily assign any employee for up to seven (7) calendar days to newly available clients while determining which regular employee shall be assigned the newly available hours.

SECTION 10.3: JOB DESCRIPTIONS

Each Labor Management Committee shall review, change, and/or develop new job descriptions for the classifications covered by this Agreement. Job descriptions shall be reviewed by management annually. Each Labor Management Committee shall meet to review and adopt proposed changes when necessary.

SECTION 10.4: RIGHT TO REPLACEMENT HOURS When an employee's client assignment is reduced involuntarily through no fault of their own, the Employer shall attempt to assign replacement client hours to this employee and will prioritize placement of the displaced employee. It is understood that an employee may be required to work fill-in shifts until a permanent client can be assigned.

ARTICLE 11: LABOR / MANAGEMENT COMMITTEE

SECTION 11.1: PURPOSE

The Parties shall establish one Labor Management Committee per Employer in this Agreement. The purpose of the Committees shall be to consider matters affecting the relations between the applicable Employer, and the employees, and to recommend measures to improve the quality of client care in specific and throughout the industry; provided, however, the Committees shall not engage in negotiations, nor shall the Committees consider matters which are the subject of a grievance unless mutually agreed by the Parties.

SECTION 11.2: COMPOSITION, SCHEDULE, AND PROCESS

Each Committee shall be composed of the following members:

Amicable:	up to four (4) Union representatives, and up to four (4) representatives of management
-----------	--

In addition, the President or Executives of the organizations, or their designees may attend the meetings. Other provisions for these Committees are as follows:

- a) Each Committee shall be co-chaired by one of the Union representatives and one of the Employer representatives. The Committee may also decide to rotate facilitation of meetings.
- b) Each Committee may meet quarterly, but no less than twice per calendar year, at a time mutually convenient to the Union and the Employer.
- c) The Union and the Employer co-chairs for each Committee will prepare an agenda to be presented to their Committee at least three (3) working days prior to the scheduled meeting.
- d) Employee Committee member will be paid their regular hourly rate of pay for participation for any scheduled hours of work that the worker foregoes by service on a Committee. The

Union and the Employer shall pay any travel expenses for the participation of their respective representatives.

SECTION 11.3: EMPLOYEE HANDBOOK

The Employer shall allow the Labor Management Committee an opportunity to assist in writing the Handbook. Should the Employer create an Employee Handbook or modify an existing one, the Employer will send the Union a copy of the new handbook at least 30 days in advance of the effective date.

The Union shall have the right to demand to bargain over any mandatory subjects of bargaining included or proposed in such a Handbook.

SECTION 11.4 RELATION TO POLICIES

The Employer shall implement a plan to prevent and protect employees from abusive conduct, to assist employees working in environments with challenging behavior, and work to resolve issues impacting the provision of personal care as required by SB 6205. This plan should be reviewed and updated as necessary and at least once every three years. The plan shall be developed and monitored by a workplace safety committee organized by the parties as regularly as the LMC.

SECTION 11.5 NEGOTIATIONS

The Labor/Management Committee shall not meet while any section of this Agreement is open for negotiations.

ARTICLE 12: HEALTH AND SAFETY

SECTION 12.1: RIGHT TO SAFE WORKING CONDITIONS

The Employer and the Union recognize the importance of working conditions that will not threaten or endanger the health or safety of employees or clients. No employee shall be required to work in any situation that would threaten or endanger their health or safety and the Employer

shall notify employees of any health or safety risks and client behavior included in the care plan prior to a client assignment and employees have the right to decline working for a client who lives in a situation which could threaten their health and safety.

Such situations include but are not limited to: bodily harm to the employee; threatening behavior of the client or other in their home to the employee; sexual harassment of the employee by the client or by persons in the household, clients with symptoms or conditions communicating their needs to the employee in ways that the person providing care may experience or interpret as harassment; or any other situation that would be a threat to the employee's health.

Caregivers shall be provided updated care plans for their assigned clients, inclusive of notification of all known health and living conditions which could affect the health and safety of the employee including but not limited to the use of cigarettes or e-cigarette products, use of drugs or alcohol, insects or rodents (bed-bugs, lice, etc.), mold, HIV/AIDS, MRSA, C. diff.

In any event, employees should not have to experience discrimination, abusive conduct, and challenging behaviors without assistance or redress and will immediately report to their Employer any working condition that the employee believes threatens or endangers the health or safety of the employee or client.

If the supervisor or other Employer representative deems the situation to be unsafe, and the employee is directed to leave the client's home, the employee shall be offered a substitute position to make up for the hours scheduled, or be paid for his/her entire scheduled assignment for that day, including all travel time and travel miles (except errands not performed) that he/she would have been paid had that assignment been completed as scheduled.

Following receipt of such report, the Employer will investigate the report, including review with the employee, client, and appropriate referral agency. Appropriate action will be taken by the Employer, based on the facts identified during the review of the investigation, the provisions of the program under which the client is being served, and the requirements of the contract between the Employer and the referral agency. The Employer shall provide copies of any

documentation related to the incident to the Union upon request. The Employer does, however, reserve the right to protect client confidentiality in the release of this information.

If the client continues to be served by the Employer, the Employer will make sure any future employees assigned to that client shall be provided with copies of any documentation related all previous incidents, training, equipment, or direction necessary to address any future incidents in a safe manner before the employee is required to begin the assignment. The Employer shall obtain in return from the employee a signed acknowledgement of receiving such documentation. A verbal approval from the employee that is documented by the employer is also acceptable. The Employer reserves the right to protect client confidentiality in the release of this documentation.

The Employer shall comply with all requirements under SB 6205, including:

- A. Effective July 1, 2021, the Employer shall develop a comprehensive written policy concerning how the Employer shall address instances of discrimination, abusive conduct, and challenging behavior and work to resolve issues impacting the provision of personal care, and the policy must include stated permission and a process for allowing workers to leave situations where they feel their safety is at immediate risk. This process must include a requirement to notify the Employer and applicable third parties as soon as possible.
- B. The Employer may not terminate an employee, reduce the pay of an employee, or not offer future assignments to an employee for requesting reassignment due to alleged discrimination, abusive conduct, or challenging behavior.
- C. The Employer must inform an employee of instances of discrimination and abusive conduct occurring in or around the client's home care setting prior to assigning the employee to that client, and throughout the duration of service, if those instances are:

- a. Documented by the Employer; or
 - b. Documented by a third party and communicated to the Employer.
- D. The Employer must inform an employee of a client's challenging behavior prior to assigning the employee to said client if it is documented:
- a. In the client's care plan;
 - b. By the Employer; or
 - c. By a third party and communicated to the covered Employer.
- E. The Employer must keep a record of any reported incidents of discrimination or abusive conduct experienced by an employee during the provision of paid personal care services. The records must be kept for at least five years following the reported act.
- F. The Employer must provide a list of resources about discrimination and harassment for employees to utilize. At a minimum, the resources must include contact information of the equal employment opportunity commission, the Washington State Human Rights Commission, and local advocacy groups focused on preventing harassment and discrimination and providing support for survivors.

SECTION 12.2: SAFETY EQUIPMENT & SUPPLIES

No employee shall be required to provide at his/her own expense safety equipment, supplies, or protective garments, including, but not limited to gloves and/or masks, to perform any task for a client. The Employer shall provide both latex-free and powder-free options for gloves, and shall dispense the gloves in such a manner as to safeguard the sterile conditions. If such a situation arises where there are insufficient supplies or materials, the employee will report the situation immediately to his/her supervisor.

The Employer will make a good faith effort to provide assistive technology and training, (i.e., Hoyer lift, lift belts, etc.) for client transfer.

SECTION 12.3: CLEANING EQUIPMENT & SUPPLIES

No employee shall be required to provide at his/her own expense cleaning equipment, supplies, or protective garments to perform any task for a client. If such a situation arises where there are insufficient supplies or cleaning materials, the employee will report the situation immediately to his/her supervisor.

SECTION 12.4: VACCINATIONS

The Employer shall provide notice and offer, for employees who request them and at no cost to the employee, Hepatitis A and B vaccinations for employees caring for high-risk clients and who are not otherwise covered by health insurance. The Employer and the Union will work together to find a way to offer, tuberculosis (TB) and pneumonia vaccinations for employees who request them. Employees shall receive, upon request, flu shots as prescribed by medical standards. The Employer will continue to follow federal and state guidelines for Infection Prevention and Control Recommendations in Response to COVID-19 Vaccination.

SECTION 12.5: SAFETY COMMITTEE

Adequate preparation of caregivers helps both the caregiver and person receiving care. Caregivers should be equipped with information, including relevant care plans and behavioral support interventions, existing problem-solving tools, and strategies to improve safe care delivery.

The Labor Management Committee and the Safety, No Harassment and No Discrimination Committee for the Employer shall function as its Safety Committee, and, consistent with applicable state and/or federal laws, shall provide input to be used by the Employer's Safety

Committee as required by SB 6205. Participation in a Safety Committee shall be considered time worked.

SECTION 12.6: ON CALL SUPPORT

At least one supervisor from each office of the Employer shall be required to carry a cell phone during non-business hours. Employees will be able to contact this supervisor in cases such as, but not limited to, illness, client emergencies requiring extra hours, and any other situation in which an employee would need to speak with his/her supervisor.

SECTION 12.7: IMMINENT DANGER

Any employee who believes in good faith that his/her health and/or safety is in imminent danger at an assigned work location may leave that location immediately and contact a supervisor. If the employee believes the client may be in danger, the employee should call 9-1-1 or other emergency services.

SECTION 12.8 VIOLENCE IN THE WORKPLACE

Threats, threatening behavior, or acts of violence by or against employees, visitors, clients, residents, vendors, independent contractors, or others doing business with the company will not be tolerated. Such actions include but are not limited to: verbal or physical harassment or abuse, attempts at intimidation, sabotage, destruction of property, menacing gestures, possession of weapons, stalking, coercion, pushing or shoving, horseplay, or other hostile, aggressive, harmful and destructive actions.

Some employees are known to be at risk because they are subject to violence, threats, or harassment from a current or former client, spouse, partner, or other non-employee. Human Resources and Security personnel work with at-risk employees and their supervisors to develop safety plans that address the specific risks the employee faces while at work.

Victims of violent incidents in the workplace might have to contend with a variety of medical, psychological, and legal consequences. The Employer shall work with victims of workplace violence by:

- Referring victims to Health Care Center and a Labor and Industries (L&I) report will be filed immediately.
- Cooperating with an investigation as much as needed;
- Debriefing with employees within one business day.

SECTION 12.9: ANNUAL SAFETY TRAINING AS PART OF CONTINUING EDUCATION

The parties shall work with the Training Partnership to establish an annual, required health and safety module as part of the continuing education program.

The pay schedule shall be as outlined below, unless such pay schedule is altered by agreement between the Parties.

Amicable	5 th and 20 th of each month

Timesheet is electronic or paper as the Employer determines.

The timesheet due dates shall be as outlined below, unless such timesheet due dates are altered by agreement between the Parties.

Amicable	1 st and 16 th of each month
----------	--

The Employer shall make the pay schedule available to all employees, published as a yearly calendar with pay days and mandatory due dates for submission of timesheets.

SECTION 13.3: CHECK CORRECTIONS

In the event an employee does not receive his/her paycheck on payday or is underpaid due to administrative error, a new check shall be issued within (3) business days from the pay date as long as the Employer is made aware of the problem on the pay date or the first business day following the pay date. If the underpayment is for a small amount, the Employer may ask the employee if the corrected amount may be paid on the next subsequent paycheck.

SECTION 13.4: DIRECT DEPOSIT

Direct deposit shall be required for employees, unless an employee elects to receive a debit card instead. All payments in an electronic payroll system will be made by direct deposit (or by debit card payment for employees without bank accounts). Pay stubs will be maintained and distributed in an electronic format, to any employees who desire electronic communication, employees who do not indicate they wish such communication shall receive their printed payroll statement mailed to their home address. The Employer shall provide computer access at each of its offices for employees to access their pay records. This computer access shall be available on request, provided such requests occur during regular business hours. Any reference to “paycheck” in this Agreement shall mean the direct deposit (or debit card payroll payment) and/or the associated electronic payroll statement.

Employees who wish to receive a “live” check will provide the Employer with written notice of this option.

In the event that the Union establishes a credit union or other financial institution during the term of this Agreement, the Employer agrees to facilitate institution of direct deposit of all paychecks through the Union’s designated credit union upon authorization from the employee(s).

ARTICLE 14: JOB DESCRIPTIONS AND CARE PLANS

All employees will be provided with a written job description stating what will be required of them in the job position and classification. Upon receiving assignment to a client, the employee will review with his/her supervisor a detailed care plan (service plan) designating what specific care is required for each particular assigned client. Employees are not authorized to make any changes to the care plan. If problems arise with a client’s or employee’s understanding of the care plan, their Employer will take all reasonable steps to assist the client and/or employee to understand the care plan. Any changes to client care plans will be reviewed with the assigned employee(s) and the appropriate supervisor, who shall identify and offer any further training needed by the employee(s) to meet the changed client need(s).

ARTICLE 15: UNPAID LEAVES

For all leaves of absence, the Employer will be proactive in providing information or resources to employees who may qualify for leave, including the Employer's Human Resources Department and the Union's Member Resource Center.

SECTION 15.1: UNION LEAVE

Leave to Hold Office/Employment: Any employee elected or appointed to an office or position in the Union, or working for the Union shall be granted a leave of absence for a period of continuous service with the Union not to exceed two (2) years. The leave may exceed two (2) years in cases where the term of office exceeds this period. Thirty (30) days written notice must be given to the Employer before the employee takes leave to accept such office, position, or work with the Union. Such leave of absence shall be without pay, without loss of seniority, and without the need to start the probation period upon return.

Leave to Conduct Union Business: A leave of absence without pay shall also be granted for no more than ninety (90) days to conduct Union business provided fifteen (15) days written notice is given. The Employer and the Union shall cooperate in the scheduling of substitutes, so that employees on leave can return to their job positions upon ending their leave. This leave may be extended upon mutual agreement.

Seniority Accrual and Benefits: An employee on an approved Union leave shall continue to accrue seniority at the same rate of their accrual immediately preceding the leave. For the purposes of Union Leave all hours worked for the Union shall count as "hours worked" as defined in this Agreement to a maximum of the employees regularly scheduled hours per month per employee, including wage progression and leave accrual, but excluding eligibility and contributions to the Health Benefits Trust and Training Partnership. In order to ensure continuity of benefits from the Health Benefits Trust and the Training Partnership of up to six months for each Union Leave, all hours worked for the Union shall count as "hours worked" as defined in this Agreement, and the Union shall make contributions directly to the Training Partnership and Health Benefits Trust, as if it were the Employer, on all hours worked. In no event shall benefits

from the Health Benefits Trust and the Training Partnership under this provision continue for more than six consecutive months, unless mutually agreed.

SECTION 15.2: BEREAVEMENT LEAVE

Employees are eligible for up to five (5) days of unpaid funeral or bereavement leave for members of the immediate family, two (2) days of unpaid funeral or bereavement leave for close relatives and one (1) day of unpaid leave for the funeral or bereavement of other relatives or close friends or clients. Employees shall be entitled but not limited to all rights and privileges provided in the Washington Paid Family and Medical Leave Act, and other federal and state laws regulating pregnancy and/or medical leave as outlined by the Employer's policy or defined by statute.

Types and Definitions of Leaves of Absence: Employees may request a leave of absence without pay by presenting a written request to their immediate supervisor along with any supporting documentation. The decision to grant a leave of absence without pay shall be at the discretion of the Employer except that the Employer shall grant leave of absence without pay for the following reasons and minimum lengths of time:

- a) Family leave – 6 months or as provided by law, whichever is greater;
- b) Medical leave – length of leave as certified by a physician; and
- c) Military and active duty leave as provided by federal law.

Leaves of absence shall not be construed as a break in service. All leaves of absence will be without pay, except where leave is covered by paid time off or accrued paid sick time. Employees on leave shall retain their seniority. An intermittent leave or reduced leave schedule may be

granted if the leave is due to the Employee's own illness or the illness of a child, spouse or parent of the employee, or at the discretion of the Employer, for the illness of another immediate family member, such as siblings, step-children, and step parents. When an intermittent leave is requested, dates on which treatment is expected to be given and the duration of the treatment must be submitted to the Employee's supervisor. An Employer may temporarily transfer the employee to another available position with equivalent pay and benefits that better accommodate the Employee's scheduling needs.

Return from Leave of Absence: The employee taking a leave of absence is entitled to return to his/her same position. The Employer will make a good faith effort to reinstate Employees returning from an authorized leave of absence to their previous or similar assignment and schedule.

Return to Work Program: When feasible an Employer will provide alternative work opportunities to employees injured on the job. The Employer shall work closely with the employee and his/her physician to determine if and when the employee can return to modified duty, and what assignments and/or activity level is appropriate.

SECTION 15.4: MILITARY CAREGIVER LEAVE
