The Union agrees that the Employer may undertake such reasonable accommodations notwithstanding the terms and conditions of this Agreement, with the exception of seniority rights, which will be taken into account to the extent required by applicable law when the Employer assesses the reasonableness of any potential accommodation and any burden on the Employer that may result from the accommodation.

Agency Caregivers who are on a leave of absence shall not be construed as a break in service. All leave of absences will be without pay, except where leave is covered by accrued vacation. Caregivers who return to employment shall be reinstated with tenure. The Employer may temporarily transfer the caregiver to another available position with equivalent pay and benefits that better accommodate the caregiver's scheduling needs.

9.2 UNPAID PERSONAL LEAVE OF ABSENCE (Agency based only)

A. An unpaid Personal Leave of Absence (PLOA) may be granted to non-probationary full-time employees in cases of a life-altering event or as an extension of another employer-provided leave. PLOAs will not be granted to attend school or other educational programs, or so that the employee may perform work for any other employer, including state and municipal entities, or as an independent contractor. Each situation is reviewed on a case-by-case basis and the granting of any PLOA shall be at the Employer's sole discretion but refusal shall not be unreasonably denied.

B. All requests for a PLOA shall be in writing, and include sufficient documentation from which the Employer can evaluate the request and confirm the need for the PLOA. Any available PTO will run concurrently with a PLOA and must be used at the start of the PLOA. An approved PLOA assures the employee's continuation of employment, as long as the employee meets the conditions of the PLOA. PLOA's will be available for preauthorized specific periods, up to a maximum of thirty (30) days. In extraordinary circumstances, the Employer may extend an approved PLOA an additional thirty (30) days.

C. Employees on a PLOA shall be returned to their former position and assignment (when possible) upon completion of the PLOA. The employee shall have all seniority and benefits accrued prior to the PLOA reinstated upon return from the PLOA.

9.4 TIME OFF TO VOTE (Agency based only)

If an Agency Based Traditional Caregiver is unable to vote in an election during non-working hours, with advanced notice (at least fourteen (14) calendar days prior to the Election Day) given to the caregiver's supervisor, caregivers may arrange with their supervisor to utilize one hour during their scheduled shift to vote. Unless otherwise required by applicable law, time off to vote will be unpaid.

9.6 RETURN FROM LEAVE OF ABSENCE (Agency based only)

The caregiver returning from an authorized leave of absence is entitled to return to his/her same position. The Employer will make a good faith effort to reinstate Caregivers returning from an authorized leave of absence to their previous or similar assignment and schedule. A caregiver who fails to return to work within 3 working days of the expiration of a leave, and/or has not obtained an extension of the leave prior to its expiration will be considered to have voluntarily terminated employment.

The Employer will comply with all federal and state laws regarding workplace injuries.

9.8 UNION LEAVE

Thirty (30) days written notice must be given the Employer before the caregiver takes leave to accept such office or position, or before such caregiver returns to work. Such leave of absence shall be without pay.

A leave of absence without pay shall also be granted to no more than ten (10) caregivers per year and no more than five (5) caregivers at the same time to temporarily work with the Union for up to ninety (90) days, provided the Union has made the request to the Employer on behalf of the member(s) in writing and with no less than thirty (30) business days from the first expected day of absence. The Employer and the Union shall cooperate in the scheduling of substitutes, so that caregivers on leave can return to their job positions upon ending their leave. The Employer can not guarantee the caregiver a return to work with the same clients. If the Employer determines it will harm client services, the Employer may delay a leave request to the caregiver serving the affected client, until the Employer can find a suitable substitute.

An Agency caregiver on an approved union leave shall continue to accrue seniority at the same rate of their accrual immediately preceding the leave.

9.9 BEREAVEMENT LEAVE (Agency based only)

Agency Based Traditional Caregivers are eligible for up to three (3) days of unpaid bereavement leave for members of the caregiver's immediate family and one (1) day of unpaid funeral or bereavement leave for close relatives, and long-term clients; however, caregivers may choose to utilize available Paid Time Off for bereavement leave. The definition of "long-term" clients shall include any caregiver who has served a client for more than twelve (12) months on a regular basis. For purposes of this bereavement leave policy, "immediate family" includes the caregiver's children, adoptive children, step---children or other children living in the household, parents, step-parents or adoptive parents,

parents---in---law, spouse or partner, grandparents and siblings or step-siblings. “Close relatives” includes the caregiver’s aunts, uncles, cousins, nieces, nephews, and siblings---in---law.

The Employer agrees to grant up to two days of leave unpaid for each calendar year for the general purpose of public action and advocacy to improve the quality of long term care. Caregivers may choose to utilize Paid Time Off when available. The Union shall designate in writing to the Employer the caregivers who are requesting such leave at least thirty (30) calendar days in advance. Leave requests shall take client needs into consideration but shall not be unreasonably denied by the Employer. The Employer shall communicate promptly with the Union concerning any difficulties in granting leave requests. Caregivers on paid leave for advocacy activities shall receive their regular rate of pay for the number of scheduled hours normally worked on that day. Such paid leave time shall not be counted for the purpose of overtime computation.

Caregivers will be subject to a progressive discipline system for violating the Caregiver Handbook and policies and procedures as of December 1, 2022:

The Caregiver should contact CDMT as soon as possible but no later than the next business day to explain the situation. The Caregiver will be paid for all hours worked and paid overtime if their hours exceed 40 hours in the week.

ARTICLE 18: GRIEVANCE AND DISPUTE RESOLUTION

18.1 DISPUTE RESOLUTION PHILOSOPHY

The Employer and the Union commit to address and resolve issues in a fair and responsible manner at the lowest possible level, and to use mediation and conflict resolution techniques when possible. Our relationship depends on mutual respect and trust based on our ability to recognize and resolve disagreements rather than avoiding them.

Prior to filing a grievance, the Union and the Employer will attempt wherever possible to resolve problems informally and not to resort to the formal grievance procedure.

18.2 GRIEVANCE DEFINITION

A grievance is defined as a contention of a misapplication or violation concerning the application or interpretation of this Agreement.

18.3 GRIEVANCE/DISPUTE RESOLUTION PROCEDURE

Step 1. Informal Resolution

The caregiver and/or a Union representative may confer with the Employer's designated representative and attempt to resolve the issue informally. Cases submitted for potential resolution as a part of the informal process will not be assumed to be covered under a formal written grievance unless specifically stated in the written grievance.

The Union shall have up to forty-five (45) calendar days from the alleged violation, or up to forty five (45) calendar days from when the caregiver or the Union could reasonably have been aware of the incident or occurrence giving rise to the grievance, to engage in the informal process, if it so chooses. If the issue is not resolved informally, and/or remedies are not granted, the Union shall have forty-five (45) additional calendar days to submit a written grievance, in accordance with Step 2 of Article 18.3.

Step 2. Written Grievance

If the grievance is not resolved at Step 1, the caregiver and/or Union representative shall set forth the grievance in writing including the identity of any affected grievant(s) if known by the Union, a

statement of the pertinent facts surrounding the grievance, the date on which the incident occurred, the alleged violations of the Agreement, and the specific remedy requested. The provision of identities of affected individuals in the grievance is without prejudice to which caregivers are ultimately covered by the grievance.

The written grievance shall be submitted to the Employer within forty-five (45) calendar days of the occurrence of the alleged violation or within forty-five (45) calendar days of when the caregiver or the Union could reasonably have been aware of the incident or occurrence giving rise to the grievance. Caregiver grievances shall be submitted by email to LaborCDMT@consumerdirectcare.com.

The Employer or the Employer's designee shall meet with the grievant and their Union representative within fourteen (14) calendar days of receipt of the written grievance, in order to discuss and resolve the grievance. Subsequent to this meeting, if the grievance remains unresolved, the Employer will provide a written response to the grievance by email within twenty-one (21) calendar days from the date the parties met to discuss the grievance. If the response does not resolve the grievance, the Union may, within fourteen (14) calendar days of receipt of the response, proceed to Step 4, Arbitration.

Step 3. (Optional) Mediation

As an alternative prior to final and binding arbitration in Step 4, if the matter is not resolved in Step 2 the parties may choose by mutual agreement to submit the matter to mediation in order to resolve the issue. The party requesting mediation of the dispute must notify the other party by email no later than fourteen (14) calendar days of receipt by the Union of the emailed response from the Employer in Step 2. The party receiving the request for mediation must notify the other party by email within fourteen (14) calendar days of receipt of the request whether or not it agrees to mediate the dispute. If the party receiving the request does not agree to mediate the dispute, the Union may, within fourteen (14) calendar days of the email notification of the decision not to mediate, proceed to Step 4, Arbitration.

If the parties agree to mediation, they shall select a neutral mediator. Both parties shall submit a statement of their position on the issue. The mediator may also bring the parties together in person to attempt to resolve the issue.

The parties shall each pay one-half (1/2) the costs or fees, if any, of the neutral mediator. Each party shall be responsible for its own costs, including the costs of representation, advocacy and the costs of that party's appointed representatives.

If the issue is successfully resolved by mediation, the decision shall be binding on all parties, and shall, unless specifically agreed otherwise, form a precedent for similar issues. If the issue is not successfully resolved through mediation, the Union may, within fourteen (14) calendar days of receipt of a written declaration of impasse or rejection of a settlement offer from either party, proceed to Step 4, Arbitration.

Step 4. Arbitration

If the grievance is not settled at Step 2 or 3, it may, within the time frames noted above, be referred by the Union to final and binding arbitration. The arbitrator shall be mutually agreed upon by the parties, within thirty (30) calendar days of the request for arbitration, or, upon failure to agree upon an arbitrator, the Union shall, within forty-five (45) calendar days of the original request for arbitration, request a list of seven (7) arbitrators from the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS). The parties shall select an arbitrator within fourteen (14) calendar days of receiving the list by alternately striking names from the list of seven (7) arbitrators. A coin toss shall determine which party shall first strike.

The award of the arbitrator shall be final and binding upon both parties. The parties shall each pay one-half (1/2) the costs of the arbitration, including the fees of the arbitrator and the proceeding itself, but not including the costs of representation, advocacy, or witnesses for either party. The arbitrator shall have no power to add to, subtract from, or change any of the terms or provisions of this Agreement.

18.4 TIME LIMITATIONS

The parties agree that the time limitations provided in this Article are essential to the prompt and orderly resolution of any grievance, and that each will abide by the time limitations. To this end, grievances must be processed within the periods of time specified above. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day that is not a Saturday, Sunday or holiday. Any grievance not properly presented in writing and within the time limits specified, or any grievance not moved to the next step within the specified time limits shall be considered to have been withdrawn. If the Employer fails to meet the time limitations specified, the Union may move the grievance to the next step. Time limitations may be extended by mutual agreement of the parties.

ARTICLE 19: HEALTH AND SAFETY

19.1 GENERAL PROVISIONS

The Employer and the Union recognize the importance of working conditions that will not threaten or endanger the health or safety of employees or clients.

Such situations include but are not limited to: illicit activity; threats of bodily harm to the employee; abusive behavior (including verbal and mental abuse) and/or sexual harassment of the employee by the client or persons in the household.

Any employee who believes in good faith that his/her health and/or safety is in imminent danger at a work location, may leave that location and shall immediately report the incident to the Employer and

notify the Employer of any working conditions that threaten or endanger the employee's health or the safety of the employee or client. If the employee believes the client may be in danger, the employee should call 9-1-1 or other emergency services. If after review and investigation of the incident giving rise to the belief of imminent danger it is determined that the employee acted reasonably and promptly reported the incident to the Employer, the employee shall be paid for his/her entire scheduled assignment or typical shift, including all travel time and travel miles (except for errands not performed) he/she would have been paid had the assignment or shift been completed as scheduled.

19.2 PERSONAL PROTECTIVE EQUIPMENT

Personal Protective Equipment (PPE) shall be provided by the client. If the client does not have sufficient PPE to perform a caregiver's required tasks, the caregiver is not required to perform the tasks for which the PPE is not provided. However, the caregiver should report the lack of sufficient PPE to the Employer after the caregiver's shift.

ARTICLE 20: LABOR MANAGEMENT COMMITTEE

20.2 MEETINGS

The parties shall meet quarterly unless otherwise mutually agreed. Meetings should be held at mutually convenient times and ADA accessible locations or via an online platform, such as Zoom. The parties are encouraged to select participants for these discussions who are representative of the

issues to be discussed and who bring to the discussion the authority to make decisions on behalf of the parties. The Labor Management Committee (LMC) shall consist of up to five (5) representatives of the Union and up to five (5) representatives of the Employer. The Labor Management Committee (LMC) shall be co-chaired by a representative designated by the Union and a representative designated by the Employer. Caregivers serving as representatives of the Union as described above shall be paid their highest wage, including mileage driven to the meeting, by the Employer for their time spent in LMC meetings. The parties will be solely responsible for determining dispensations, if any, of other expenses of their respective representatives and/or resource persons as attendees.

ARTICLE 21: CLIENT ASSESSMENTS

21.1 CLIENT ASSESSMENTS

Self-Directed Care and Agency caregivers shall not be prohibited by the Employer from participating in the client assessment process. Caregivers will be paid for time worked when providing paid care during the consumer assessment process. Self-Directed Care caregivers and Agency caregivers will be provided copies of a client's plan of care at the worksite, which will inform caregivers of new behaviors, changes to existing behaviors and behaviors that pose a risk to the caregiver.

ARTICLE 22: CONSUMER RIGHTS

22.1 INFORMATION REGARDING CLIENTS

This Agreement shall not be interpreted as to require the Employer to release confidential personal information regarding any client of in-home care services to the Union without the written permission of any such consumer client. 22.3 NON-WAIVER

The above enumerations of clients' rights are not inclusive and do not exclude other rights not specified, including those rights and authority provided under the law. The exercise or non-exercise of rights retained by the clients shall not be construed to mean that any right of the clients is waived; including, but not limited to the statutory right of clients and prospective clients to select, hire, supervise the work of, and terminate any caregiver.

22.4 CONSUMERS NOT SUBJECT TO GRIEVANCE PROCEDURE

No action taken by the clients with respect to this Article or any clients rights shall be subject to the grievance and arbitration procedures provided for in this Agreement.

ARTICLE 23: TRAINING

23.1

CDMT will provide training pursuant to all state and federal requirements.

The Parties recognize the significance of developing a well-trained workforce in the caregiving sector to professionalize caregiving and provide specialized training to meet the diverse needs of clients. The Parties agree to utilize the Labor Management Committee meetings as necessary to explore various training options and opportunities to enhance the skills of agency and self-directed caregivers. Either party may request the attendance of external parties (such as representatives of the SEIU 775 Training Partnership) to Labor Management Committee meetings to facilitate discussion of training-related topics.

ARTICLE 24: RETIREMENT

24.1 INTENTION FOR NEW MODEL OF RETIREMENT BENEFITS

It is the intent of the parties to develop a new model of retirement benefits which would strive to provide retirement security for home care workers and manage risk for the Employer and Union members. This model would strive to provide secure retirement income for home care workers, mandatory employer and voluntary worker contributions, portability, lifetime retirement benefits, prudent asset investment management, cost effectiveness, joint governance, and effective communication and education. The parties commit to work jointly to develop this model.

24.2 RESEARCH AND STAFF SUPPORT

The Union shall, through its national benefits staff, arrange for research and staff support to the parties to support the joint effort of the parties to develop this new model of retirement benefits.

24.3 NON-BINDING

The language contained herein shall be non-binding nor is subject to the grievance procedure and is only meant to show the parties willingness to pursue retirement benefits to home care workers. Once the parties develop and implement this benefit, the retirement language shall replace this article in its entirety.

ARTICLE 25: POLICIES AND PRACTICES

25.1 CASH AND COUNSELING

In the event that the Employer implements or expands any “Cash and Counseling,” New Freedom or similar program, or self-directed or individual budget home care options or similar program, workers employed by clients under such program(s) shall be members of the bargaining unit and this Agreement shall be in full force and effect with respect to all covered hours of work for such workers.

In the event the Employer sells, transfers, leases or assigns the operations covered by this Agreement to any other entity, the Employer shall, as a condition of such sale, transfer, lease, or assignment, require that the purchaser, transferee, lessee, or assignee a) adopt and agree to be bound by this Agreement, without change in any of the Agreement's terms and obligations, b) do so through a contractually binding written instrument, c) recognize the Union as the exclusive bargaining representative of all employees covered by the Agreement, and c) hire all Consumer Direct Care Network Montana (“CDMT”) caregivers covered by this agreement currently employed by CDMT on the date of the sale, transfer, lease, or assignment of assets. **MEMORANDUM OF UNDERSTANDING BETWEEN SEIU 775 AND CONSUMER DIRECT
MONTANA**

EFFECTIVE DATE: JANUARY 1, 2024

This Memorandum of Understanding (MOU) is entered into between SEIU 775, hereinafter referred to as the "Union," and Consumer Direct Montana, hereinafter referred to as the "Employer," collectively referred to as the "Parties."

ARTICLE I – Direct Care Worker "Wage Increase" and "Base Funding"

Commencing on January 1, 2024, all employees governed by this agreement shall be entitled to a wage add-on of three dollars and nineteen cents (\$3.19), to be provided in addition to their base rate of pay, for each hour worked, not to include portal to portal or on-call per-diems.

For employees providing most Medicaid services, this funding is supported by the 2023 Montana Legislature. The 2023 MT Legislature authorized the Department of Public Health and Human Services (Department) funding under House Bill 2 to allow for wage increases or lump sum payments (base funding) to workers who provide direct care and ancillary services to Medicaid recipients. For employees providing non-Medicaid or excluded Medicaid services, Consumer Direct Montana will fund the wage increase for employees not provided under HB 2 funding.

In the event of remaining base funding provided by HB 2 at the end of the fiscal year, Medicaid Workers, as defined by DPHHS in the DCW application, will receive a bonus payment. Workers providing Non-Medicaid services and excluded Medicaid services will not receive a bonus payment.

ARTICLE II – INCLUSION OF PTO, OVERTIME AND HOLIDAY PAY

The wage add-ons specified in Article I of this MOU, shall be included in calculations related to overtime, Paid Time Off (PTO), and holiday pay (time and a half) accrued by the employees.

ARTICLE III - CHANGE IN FUNDING AND NOTIFICATION

CDMT will in good faith apply for DCW Wage Increase Funding and DCW Base Funding annually. In the event that CDMT is not awarded funding, employees will no longer be entitled to the \$3.19 wage add on. In the event that funding or caregiver census changes resulting in the need to adjust the distribution amount, CDMT will provide the union fourteen (14) days' notice of its intent to pay any corresponding bonuses or DCW wage change pursuant to the awarded funding. This notice shall include details about the bonus or wage amount, how it will be distributed and the scheduled payment date/start date. After receiving details of the amount and how it will be distributed, the Union may request a meeting with the Employer to discuss the distribution/payment.

In the event of a change in funding affecting the wage add-ons mentioned in Article I of this MOU, the Employer shall comply with notification to the Union as outlined in Article XX.D of the Collective Bargaining Agreement.

ARTICLE IV - DURATION OF MOU

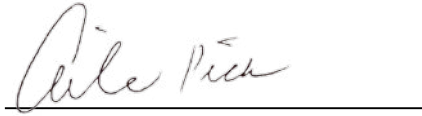

The terms and conditions of this MOU shall remain in effect until a new MOU is mutually agreed upon by both Parties.

IN WITNESS WHEREOF, the Parties hereto have executed this Memorandum of Understanding as of the
