SECTION 5.2: SHORT UNION LEAVE (PAID)

The Employer shall grant up to fifteen (15) paid shifts per contract year per program covered by this Agreement for employees to engage in public advocacy for quality long-term care, as agreed between the Employer and the Union. The Employer shall make a good faith effort to maximize the number of employees released on unpaid leave to attend one of the main days designated as public advocacy days by the Union. The Union will provide verification of attendance of employees within two weeks of the public advocacy event. The Union will make a good faith effort to ensure that the Employer is paying only for employees' paid shifts who are working the majority of their hours, or specifically the hours that have been cancelled as a result of the Union business, with the Employer.

SECTION 5.3: EXTENDED UNION LEAVE

Any employee elected or appointed to an office or position in the local Union shall be granted a leave of absence for a period of continuous service with the Union not to exceed two (2) years, except in cases where the term of office exceeds this period. The Employer and the Union shall cooperate in the scheduling of substitutes, so that employees on leave can return to their job positions upon ending their leave. If this leave lasts more than sixty (60) calendar days' the Employer will not be able to guarantee home care workers a return to work with the same clients. If the Employer determines it will harm client services, the Employer may delay a leave request to the employee serving the affected client, until the Employer can find a suitable substitute. If more than one leave of this kind is taken per year by the same employee, the second or additional leave request shall be at the sole discretion of the Employer.

An employee on an approved union leave shall continue to accrue seniority at the same rate of their accrual immediately preceding the leave. The Union or the Employee shall reimburse the Employer for benefit costs incurred by the Employer for employees on extended union leave. For purposes of Union Leave, all hours worked for the Union shall count as "hours worked" as defined in this Agreement to a maximum of the employee's regularly scheduled hours per month, including wage progression, seniority, benefit eligibility, and leave accrual, but excluding eligibility and contributions to the Training Partnership, and Secure Retirement Trust. The Union or the Employee shall provide documentation of extended union leave hours worked at a regular interval that corresponds with the Employer's payroll timeline.

ARTICLE 6: DEFINITIONS

The Employer may extend the probationary period for up to an additional ninety (90) days. Such an extension must be presented to the employee in writing along with a written explanation of the reason(s) for the extension. The Employer shall not unreasonably or arbitrarily extend a probationary period

Those who are reclassified to a benefit-eligible regular full-time or regular part-time status shall begin to accrue seniority for purposes of wages and benefits accruals at the time of the reclassification.

SECTION 6.5: BARGAINING UNIT WORK

The Employer recognizes importance of the integrity of the Bargaining Unit work. Bargaining Unit work shall be performed by classified regular full-time, regular part-time and on-call employees in the Bargaining Unit.

The Employer will not assign bargaining unit work to non-Bargaining Unit employees or volunteers except as noted in Section 6.6 and when temporary work relief is required for a period

of time no longer than thirty (30) days or for emergency.

No employee shall be hired in a temporary status.

SECTION 6.6: USE OF VOLUNTEERS (AMERICORPS, JESUIT VOLUNTEER CORPS, LUTHERAN VOLUNTEER CORPS)

The Employer and the Union agree that while volunteers provide a valuable resource to the Employer, volunteers shall not be used to replace bargaining unit workers, supervise or manage them.

In order to satisfy state's requirements for Adult Day Health sites operation, the Employer may continue to utilize volunteers in two (2) bargaining unit classifications, Case Manager and Program Assistant, within Adult Day Health program, limited to a total 1.5 FTE per Adult Day Health site for both classifications (example: 1.0 FTE Case Manager Volunteer and 0.5 FTE Program Assistant Volunteer per site).

ARTICLE 7: SENIORITY, LAYOFF, AND LOW CENSUS

SECTION 7.1: SENIORITY AND LONGEVITY DEFINITIONS

Longevity is defined as the employee's continuous service with the Employer from the employee's most recent date of hire. The longevity date will be used as defined in this Agreement.

SECTION 7.2: APPLICATION OF SENIORITY

In all cases of job openings, promotion, transfer, layoff, recall, vacation preference, shift or schedule change, seniority and then longevity will be the determining factor as explained below and elsewhere in the Agreement.

SECTION 7.3 AVAILABLE HOURS OF WORK

The Employer shall be bound by the seniority provisions of this Agreement in the assignment of regular hours to full-time and part-time employees as such hours become available and are desired by such employees.

SECTION 7.4: TERMINATION OF SENIORITY AND LONGEVITY

Seniority and longevity shall be broken only by the following:

- a. Resignation
- b. Discharge for Just Cause
- c. Retirement
- d. Layoff for more than twenty-four (24) months
- e. Failure to return in accordance with a leave of absence or when recalled from layoff
- f. Illness or injury of more than one (1) year duration, unless approved by the Employer

SECTION 7.5: LAYOFF OR RECALL

Layoff is defined as an involuntary separation from service, not reflecting the performance of an employee. In the event of layoff, employees shall be laid off by classification. Seniority of those employees within a job classification shall be the determining factor in such layoff, unless the ability and the performance record of the employee with less seniority is appreciably superior to the employees with more seniority and can be clearly demonstrated and supported by the Employer upon Union's request.

SECTION 7.5.1 NOTICE OF LAYOFF

Regular full-time and part-time employees shall be entitled to receive thirty (30) calendar days' notice of layoff or pay in lieu thereof, plus any accrued PTO leave.

The Employer shall notify the Union, in writing, no less than thirty (30) calendar days before the layoff of a bargaining unit employee.

After layoff notices are sent, the Employer shall make a concerted effort to place interested

employees in positions outside of their original programs if they become available. Employees hired for positions other than their original positions would be placed on the corresponding wage scale. The Employer will endeavor to assist displaced employees in finding other employment opportunities with other social service providers.

SECTION 7.5.2: RECALL

Employees who have been laid off pursuant to Section 7.5 shall, for a period of time up to twenty-four (24) months, be subject to recall to regular job openings in their former classification or any other classification for which they are qualified. Recall from layoff shall be in order of seniority.

Any notice of recall to an employee shall be sent to the last known address of the employee by certified mail return receipt requested, or by email to the last known email address of the laid off employee. A copy of the letter shall be sent to the Union. It is the responsibility of the employee to notify the Human Resources Department of any change in address.

If the employee does not respond to a communication sent by mail or email within seven (7) calendar days from the receipt of the recall notice, the employee will be removed from the recall roster and such employee's personnel records shall be adjusted to reflect the employee's discharge from employment with the Employer.

SECTION 7.6: PROGRAM CLOSURE

In the event that the Employer chooses to close an entire program, the Employer will follow the requirements of the Federal WARN legislation (or subsequent state legislation), which provides a sixty (60)-day notice of closure or pay in lieu of notice.

SECTION 7.7: JOB FAIR

The Employer shall work with the Union to set up a "Job Fair", providing area Employers an opportunity to recruit the employees who are being laid off, and publicizing the assistance of programs for dislocated workers.

SECTION 7.8: LOW CENSUS

Low census shall be defined as a decline in client care requirements resulting in a temporary staff

decrease. Reduction of hours due to low census does not have any notice requirements. After the schedule is posted, in the event the Employer reduces the workforce in a job classification on a given shift due to low census, scheduled hours will be reduced in the following order:

First Cut: Agency Personnel

Next Cut: Employees working in an overtime pay condition

Next Cut: Employees working a scheduled extra pickup shift which will result in overtime during the pay period

Next Cut: Employees that volunteer to take a low census day

Next Cut: Employees working a scheduled extra pickup shift which will not result in overtime during the pay period

Next Cut: Non-voluntary rotational cut of full-time and part-time employees in a job classification on the affected shift by using the seniority list in that job classification. The list will be created with the employee who was hired last being the first to take a low census day when the facility is overstaffed. Such employee's name will then be removed from the seniority list. If the next day the facility is overstaffed, the employee who was hired second to the last will be asked to take a low census day off, etc. until each employee has taken their turn. After every employee has taken their turn, the list will start over again.

For employees that have volunteered to take a day off or for employees that have agreed to work an alternate day or shift prior to their name being called on the seniority list, that employee's name will be crossed off from the list, and when their turn comes up, staffing will skip their name and proceed to the next employee.

Employees subject to low census may elect to utilize earned PTO benefits which are otherwise available for scheduling.

ARTICLE 8: DISCIPLINE AND DISCHARGE

SECTION 8.1: JUST CAUSE AND RIGHT TO REPRESENTATION

SECTION 8.1.1: JUST CAUSE AND PROGRESSIVE DISCIPLINE (CORRECTIVE ACTION)

Non-probationary employees may only be disciplined or discharged for just cause. Communications between supervisors and employees about disciplinary matters shall be respectful. Discipline shall be, for the purpose of improving employee performance.

In general, "Just Cause" shall include the concept of Progressive Discipline. Progressive Discipline shall be defined as a graduated system of discipline where the consequences increase (i.e. verbal counseling, written warning(s), unpaid or paid suspension and discharge) upon repeat occurrences of the same kind. The Employer will endeavor to use this form of discipline to correct the behavior rather than to punish the Employee. In the case of serious misconduct, or for disqualifying crimes as defined in statutes applied to the licensed provision of long-term care services, the Employer may, for reasonable cause, bypass any one or all of the steps of progressive discipline.

In cases of any form of discipline, the employee's corrective action shall include a description of the conduct that is the basis for the corrective action(s). The Employer will strive to identify specific corrective action(s) that the employee is expected to take to improve their performance. Employees who are discharged will be sent a final paycheck by mail within fourteen (14) calendar days of the date of the termination of their employment. This final paycheck will include payment for all hours worked and not paid, as well as payment for any accrued personal leave.

SECTION 8.1.2: FACTFINDING

Prior to issuing any form of corrective action to an employee, the Employer shall meet with the employee to investigate and gather facts. The Employer shall advise the employee of the purpose of the investigatory meeting and that the meeting could lead to corrective action, and shall advise the employee of their right to request the presence of a Union Advocate or Union representative in the meeting. If the employee prefers to communicate in a language other than English, the Employer will encourage the employee to utilize union representation and interpretation

provided by the Member Resource Center during the meeting. If an employee requests the presence of a Union advocate, Union Interpreter, or Union representative, the meeting will be scheduled when the participating Advocate and employee are available to meet.

The unavailability of a union Advocate or representative for a meeting date shall not unreasonably delay or impede the Employer's investigation or decision to take corrective action.

Suspension may be used to conduct an investigation. Investigations regarding alleged misconduct or client care issue shall be completed in no more than five (5) business days (except in the event the Employer is relying on an investigation by an outside agency per Section 8.5). Employees who are suspended may use any accrued, paid leave during their period of suspension unless offered other shifts or work by the Employer while the investigation is ongoing. Should an undue burden occur during the investigation, the time period may be extended. The Employer will put in writing to the employee why the investigation took longer than five (5) days. All hours missed while on an employer-imposed suspension shall be paid at the employee's regular hourly wage in the event the employee is cleared of the allegation.

SECTION 8.1.3 REMOVAL OF DISCIPLINE

A record of disciplinary action shall be removed from an employee's personnel file twelve (12) months after it was issued, except when an employee receives a related discipline during the following twelve (12) month period, or except when the level of discipline is greater than a written warning. Except in the cases listed below, all other discipline will be removed from an employee's personnel file eighteen (18) months after it was issued. This provision shall not apply to disciplines issued for client abuse, client neglect, sexual or racial or discriminatory harassment, medication errors, or other behavior that violates state or federal law. Files that are not removed after the periods mentioned herein shall be considered as if they had been removed.

SECTION 8.2: NOTIFICATION OF FORMAL DISCIPLINARY/CORRECTIVE ACTION/Written JUSTIFICATION FOR DISCIPLINE FOR CAUSE

If the supervisor has reason to discipline a Bargaining Unit Employee, they shall make a reasonable effort to impose such discipline in a timely manner. In the case of any written warning, suspension, economic sanction, or discharge for cause, the Employer shall give a copy of the

disciplinary/corrective action to the employee and send a copy to the Union, stating the reasons for the discipline. The document shall include a line for the signature of the employee and the immediate supervisor or manager responsible for the decision to issue discipline, including the following notice:

“Signing this document indicates that you have received a copy of the document but does not indicate that you agree or disagree with its contents. If you believe this action violates the Union contract or Employer policies, you have the right to contest this action by filing a grievance. You may contact your Union advocate or the SEIU Member Resource Center (MRC) at 1-866-371-3200.”

The lack of the employee’s signature on the notice shall not be grounds for nullifying or challenging the notice or any ensuing disciplinary action where reasonable evidence shows that the Employer attempted to inform the employee of the investigation, pending or actual discipline.

SECTION 8.3: DISCIPLINARY SUSPENSION OR DISCHARGE

Within forty-eight hours after any suspension or discharge for cause, the Employer shall notify the Union in writing (by fax or email) of the suspension or discharge and the reason for this action and shall attach a copy of the disciplinary notice signed by the employee or provided to the employee. This time limit herein shall be deemed exclusive of Saturdays, Sundays and holidays.

An employee may opt to use PTO for unpaid days due to a disciplinary suspension.

SECTION 8.4: INVESTIGATION OF JUST CAUSE BY UNION

An advocate or Union representative shall have the right to interview employees and management personnel and gather information concerning specific and identifiable disciplinary matters. Such interviews shall not interfere in any way with the Employer’s business activity. Should a client complaint be involved, the Employer will attempt to provide a copy of the clients’ written complaint, if any, with all identifiers removed, so long as the removal of identifiers adequately protects the confidentiality rights of the client and the provision of the complaint does not violate federal, state, local laws or regulations.

SECTION 8.5: APS OR REGULATORY INVESTIGATIONS

Should Adult Protective Services or another regulatory agency (such as Children’s Administration or the Division of Developmental Disabilities) initiate an investigation of a worker that requires suspension or removal of that worker from any client, but does not require suspension or removal from all long term care work, the Employer will attempt to assign the employee other suitable work until the investigation is complete if permitted by state law or regulation.

If, following the conclusion of an APS or other regulatory investigation, it is determined by the Employer, or APS or other regulatory agency that the employee is to be disciplined, up to and including discharge, the notification provisions of section 8.2 will apply.

If the investigation indicates that disciplinary action is unnecessary, the Employer will make reasonable efforts to reinstate the employee to the same hours/position with the original client. If the client should decline to be served by the employee, the Employer will make reasonable efforts to assign suitable and available client hours to the employee, until they are employed at the same number of hours as before the investigation.

SECTION 8.6: LICENSE AND BACKGROUND CHECKS

The Employer may discharge employees who fail to meet professional licensing requirements and mandatory background checks after forty-five (45) days of inactivity and failure to communicate with their supervisor regarding steps being taken to provide necessary licensing requirements and/or background checks.

ARTICLE 9: LEAVES OF ABSENCE

Leave for a serious health condition of the employee, spouse, domestic partner, parent or child, or a qualifying service member may be taken on an intermittent or reduced schedule when medically necessary.

Leaves of absence shall not be construed as a break in service. All leaves of absence will be without pay, except where leave is covered by accrued PTO and/or extended sick leave or as provided by workers' compensation. Employees on leave shall retain their seniority.

SECTION 9.2: HEALTH INSURANCE WHILE ON FMLA OR WPFLA

The Employee's health insurance benefits will continue should the employee be enrolled at time of leave. In accordance with applicable law, a leave of absence will be granted upon request of the employee for the period of disability for maternity purposes without loss of benefits and seniority accrued to the date such leave commences. Upon return from this maternity leave, the employee shall be given the same or similar job she vacated, and one of equal pay. If the employee's absence from work for maternity reasons does not exceed the period of the employee's temporary disability, the employee will return to her prior position and former full time or part time status. The employee will use previously accrued PTO/ESL during the period of disability and to the extent accrued. Prior to the employee's return from a maternity leave, the Employer may require a statement from the attending physician verifying the leave period and attesting to the employee's capability to perform the work required of her position.

Pregnant employees may also qualify for additional leave under the Washington State Family Leave Act (FLA).

SECTION 11.2: MEAL AND REST PERIODS

Employees shall be allowed an unpaid meal period of at least thirty (30) minutes which commences at least two (2) hours after the start of the shift and not more than five (5) hours from the start of the shift. Meal periods shall be paid by the Employer when the employee is required to remain on duty on the premises or at a prescribed worksite in the interest of the Employer. No employee shall be required to work more than five (5) consecutive hours without a meal. Employees required to work through their meal periods shall be compensated for such time at regular or overtime rates as may be appropriate.

Employees shall be allowed a paid rest period of fifteen (15) minutes for each four (4) hours working time which may be taken intermittently. Break period shall be scheduled as near as possible to the midpoint of the work shift. Meal and rest periods shall be coordinated by a supervisor.

ARTICLE 12: CLIENT RIGHTS AND CARE PLANS

The Employer and the Union are committed to quality care of clients and ensuring the comfort and individualized care needed by clients. It is the right of clients, in the privacy of their home, to choose the caregiver with whom they feel the most comfortable.

The Parties will uphold and support client rights. If a client wishes to change caregivers, for any reason, the Employer will respect the right of the client to do so. If a client chooses to change caregivers, the caregiver who is being unscheduled shall be eligible for another client(s) or equivalent hours as available. The Employer will make a good faith effort to provide support for a successful caregiving relationship, if in the judgment of Full Life Care supervisors the regularly scheduled caregiver might succeed with the client if either or both the client and/or caregiver is guided with some coaching. At the discretion of the parties, Full Life Care and the Union may explore through the Labor Management Committee methods of coaching, counseling or mediation to assist in the resolution of client/worker conflicts to help ensure consistent service delivery with minimal worker reassignment.

In order to help assure the best quality of care, and continuity of care, upon receiving assignment to a client, the supervisor will review with the employee a detailed care plan (service plan) designating what specific care is required for each particular assigned client. Home care aides are not authorized to make any changes to the care plan. If problems arise with a client's or employee's understanding of the care plan, the Employer will take all reasonable steps to assist the client and/or employee to understand and/or update (if applicable) the care plan. Any changes to client care plans will be reviewed with the assigned employee(s) and the appropriate supervisor, who shall identify and offer any further training needed by the employee(s) to meet the changed client need(s).

The Employer will make a good faith effort to follow-up with the employee after a new assignment to assess the employee's assignment, including compatibility, workplace environment, questions the employee may have about the client or the client's care plan and anything else which could improve quality care. Employees are always encouraged to contact their supervisor regarding client care issues. If the employee contacts a supervisor to raise concerns, the Employer will follow-up with the employee prior to that employee's next shift with the client.

ARTICLE 13: TRAVEL PROVISIONS

SECTION 13.1: TRAVEL PAY AND MILEAGE

A. WINDSHIELD TIME: Employees shall be paid at their regular rate of pay per hour, while traveling between assigned work locations or clients. ARTICLE 15: HIRING RATES, WAGES AND DIFFERENTIALS

SECTION 15.1: HOME CARE ASSISTANTS

Home Care Assistants covered by this Agreement shall be compensated according to the provisions of this article and wage schedules set forth in Appendix "A" to this Agreement.

SECTION 15.1.1 PRIVATE PAY

Home Care Assistants providing services to Private Pay clients will be paid \$19.97/hour for Private Pay hours served OR their regular rate of pay if their regular rate of pay including differentials

exceeds \$19.97/hour. The hourly rate is intended to be a flat rate and not to be inclusive of other differentials. This rate is intended to be in effect for Private Pay clients who are paying our regular, hourly Private Pay rate. This rate is not intended for services provided at DESC, Seattle Housing Authority, or other low-income housing settings where Full Life Care is providing Private Pay services at a discounted rate. In those situations, an HCA's regular rate of pay would apply or, in the case of DESC, the special DESC wage rate would apply. Effective January 1, 2025 and annually thereafter, the rate shall be adjusted to reflect the Seattle minimum wage.

SECTION 15.1.2 WAGE PROGRESSION

Employees shall advance along the wage scale based upon hours of service with the Employer including any credit in section 15.1.4 and in accordance with Appendix A. An employee's total career hours with Full Life Care (actual and/or imputed) shall be itemized and labeled as such on the employee's paystub.

SECTION 15.1.3 PLACEMENT OF NEW AND RETURNING EMPLOYEES ON THE WAGE SCALE/PROFESSIONAL CREDIT

All new and returning employees shall be placed on the wage scale schedule set forth in Appendix A at the step appropriate to their verifiable experience as home care workers (for example, a new employee with between 8,001 and 10,000 hours of verifiable experience as a home care aide would be placed on Step 5 of the wage scale upon hire). An employee will provide evidence of previous work-hours, trainings, and licenses within ninety (90) days of their date of hire.

SECTION 15.1.4 PEER MENTORSHIP/ADVANCED TRAINING DIFFERENTIAL

Home care aides who have completed the 12-hour Peer Mentorship program offered by the Training Partnership will be paid a wage differential of ten cents per hour (\$0.10/hr) in addition to their regular rate of pay for all hours worked.

ADVANCED TRAINING (Completed Before February 2017)

Home care aides who have completed the Advanced Training program operated by the Training Partnership will be paid a wage differential of twenty-five cents per hour (\$0.25/hr). The Employer will honor completed Advanced Training at the time of hire for new employees with

verification from the employee or the Training Partnership.

SECTION 15.1.5 HOME CARE AIDE CERTIFICATION/ NAR/CNA DIFFERENTIAL

Employees who are certified Home Care Aides (HCA's) or who hold and submit a valid Certified Nurses Assistant (NAC) license or higher medical license shall receive a twenty-five cent per hour (\$0.25/hr) differential.

SECTION 15.1.6 NURSE DELEGATION

Any employee that has a nurse delegation certification shall receive a differential of fifty cents (\$0.50) per hour, which will only apply to hours worked for a client that requires nurse delegation.

Effective July 1, 2024, any employee that has a nurse delegation certification shall receive a differential of seventy-five cents (\$0.75) per hour, which will only apply to hours worked for a client that requires nurse delegation.

SECTION 15.1.7 DIFFERENTIAL FOR EXTRAORDINARY CARE

The Employer, in its discretion, may pay an additional hour wage differential of one dollar (\$1.00) per hour to employees assigned to clients identified by the Employer as having the following extraordinary care needs:

- Shifts between 9pm and 7am
- Total Toileting
- Total Transfer
- Difficult Behaviors

Such wage differential shall be paid only for those hours spent serving the identified client, not for all hours worked. The Employer may use criteria it deems necessary to determine which clients shall be identified as having extraordinary care needs. This differential will not stack upon itself and would be inclusive of multiple extraordinary care needs.

Effective July 1, 2024, the Extraordinary Care differential will be increased to one dollar and fifteen cents (\$1.15). All other provisions of this Section remain in effect.

SECTION 15.1.8 MENTOR, PRECEPTOR OR TRAINER PAY DIFFERENTIAL

Employees who serve as peer mentors will receive a twenty-cent per hour (\$0.20/hr) wage differential for all home care hours served.

SECTION 15.1.9 CHORE WORK ASSIGNMENT DIFFERENTIAL

For the duration of their assignment, an employee who is assigned to perform Chore Work services shall be paid either their Home Care hourly wage, or the equivalent of “Step 4” in accordance with Appendix A, whichever is higher. Employees who are assigned to perform Chore Work services will not receive pay differentials while doing chore work, but will be entitled to pay differentials while working with COPES clients. Rates will be adjusted relative to the Seattle Minimum Wage as required.

SECTION 15.1.10 SPECIAL ASSIGNMENT DIFFERENTIAL

The Employer, when working with community partners and local care authorities to provide specialized services, may in its discretion, pay employees an additional hour wage differential beyond the extraordinary care rate. Any differential paid will be consistent for all employees regardless of tenure, and will be offered to all relevant employees to ensure equal opportunity.

Such wage differentials shall be paid only for those hours spent serving the identified client/entity, not for all hours worked. The Employer may use criteria it deems necessary to determine which assignments shall be identified as being a Special Assignment. This differential will not stack upon itself, but will stack upon other applicable differentials.

The Employer will notify the Union of the amount of the Special Assignment Differentials as soon as possible and will track its use for the duration of this Agreement, and upon request of the Union, the Employer and the Union will discuss such Special Assignment Differentials for the sole purpose of clarifying any qualifications or requirements.

SECTION 15.1.11 CLIENT/SERVICE INACCESSIBLE PAY

If an employee is unable to provide service to a client due to the client’s failure to answer the door, or if the client is not home, the employee shall notify the Employer by telephone promptly. If the Employer is unable to provide a substitute assignment, the employee shall be paid at the

straight time hourly wage rate for one (1) hour show-up-no access pay. Employees may elect to use their PTO to supplement for missed hours of work in case when the Employer was unable to provide a substitute assignment. If same shall occur with the same client three times, the employee may request reassignment.

SECTION 15.1.12 STACKING DIFFERENTIALS

Employees shall receive all differentials for which they qualify, and such differentials shall stack, except total toileting and total transfer do not stack; and HCA Certification and CNA do not stack.

SECTION 15.2: ADULT DAY PROGRAMS

Employees in Adult Day Programs covered by this Agreement shall be compensated according to the provisions of this article and wage ranges set forth in Appendix "B" to this Agreement. Employees may be hired at a rate on the basis of their relevant experience, provided by the Employee upon hire. No newly hired employee will be hired at a rate which is higher than an incumbent employee who has the same experience. If it is considered necessary to hire an employee at a rate that exceeds their experience, incumbent employees with the same or greater experience will have their rate adjusted upwards to meet or exceed the rate of the newly hired employee. Upon ratification of this agreement, employees will have their rate adjusted to the appropriate rate of the wage range based on their years of service and/or experience.

Employees will be paid at no less than the midpoint of their classification pay range, if they have been employed in the classification with the Employer for at least four (4) years and at the top of the classification range after at least nine (9) years in the classification.

All Adult Day Programs employees will receive an increase on their anniversary of three percent (3%).

The parties acknowledge that during the negotiations that resulted in this July 1, 2023 to June 30, 2025 CBA, each had the unlimited right and opportunity to make demands and proposals with respect to all lawful subjects or matters of collective bargaining regarding wages for Adult Day Health, and that this July 1, 2023 to June 30, 2025 CBA sets out the parties' complete agreement. For the duration of this July 1, 2023 to June 30, 2025 CBA, neither party shall be required to

bargain regarding Adult Day Health wages for union employees.

SECTION 15.2.1 NEW HIRES

If a new employee is hired at a higher hourly wage between base and mid ranges than other employees previously hired with equal level of experience, the Employer must increase the previously hired employees' hourly wage to match the newly hired employee. Level of experience is defined for 1) the new hire - by years of experience in a similar job classification in a similar setting; for 2) previously hired employees – by years of experience with the Employer added to years of experience in a similar job classification acquired prior to the employment with the Employer. Years of previous experience for new hires will be verified by the Employer prior to hire. The Employer shall not hire new employees above mid-range without discussing first with the Union.

SECTION 15.2.2 LEAD PAY

The Employer may temporarily assign an employee lead responsibilities. Such employee shall be compensated the lead premium rate of one dollar (\$1.00) per hour in addition to their regular rate of pay for all hours worked as “Lead Person”. Lead assignment shall be based upon the complexity of the job responsibility. When assigning a lead rate of pay, the Employer will notify the Union of the assignment.

SECTION 15.2.4 TEMPORARY ASSIGNMENT TO A HIGHER PAID POSITION

An employee assigned to work in a higher paid position for one (1) day or longer shall be compensated in the equivalent range of the higher position.

ARTICLE 16: PAID TIME OFF AND HOLIDAYS

SECTION 16.1 ACCRUAL

SECTION 16.1.1: HOME CARE

Effective the date of ratification of this Agreement all regular full-time and part-time Homecare Aides will accrue PTO at one (1) hour for every twenty (20) hours worked. PTO hours can accumulate up to one-hundred and twenty-five (125).

SECTION 16.1.2: ADULT DAY HEALTH PROGRAMS

Paid Time Off (PTO) benefits shall be earned by non-Homecare employees based upon their length and status of employment. *Based on full-time (40 hours per week) employment. These numbers will be pro-rated for non-Homecare employees working less than 40 hours per week. Maximum PTO hours a regular fulltime employee may have on record is 125.

Regular part-time non-Homecare employees who work less than twenty-two (22) hours per week shall accrue one (1) hour of PTO for every twenty-five (25) hours worked. Maximum PTO hours a regular part-time employee may have on record is 80 hours.

SECTION 16.2: PTO SCHEDULING

PTO schedules shall be established taking into account the wishes of the employees and the

needs of the Employer.

Requests for PTO will be considered on first-come-first-served basis. Where there is a conflict in choice of vacation time among employees, seniority shall prevail. All requests for PTO must be approved by the supervisor of the work site and/or administration prior to becoming effective. Employees will be notified in writing as soon as feasible but no later than within seven (7) calendar days after the request is submitted as to whether the PTO is granted. Reasonable effort will be made by the Employer to approve requests for PTO.

Adult Day Health: To provide a fair method of allowing ADH employees to schedule PTO during the traditional winter holiday season, PTO will be scheduled as follows:

- a) No employee will be granted the same holiday off two (2) years in a row.
- b) No employee will be granted two (2) consecutive holidays off in a row (for example: an employee may request time off at Christmas every even year and the same employee may request time off at Thanksgiving every odd year).
- c) Conditions listed in a) and b) may be nullified if agreed to by all affected staff in a specific site.
- d) Each employee will be guaranteed no less than one (1) of the above holidays off, except in extreme circumstances beyond the Employer's control.

Paid Time Off can be taken in 1-hour increments.

SECTION 16.3: PTO CASH OUT

Full-time and part-time employees, who complete twelve (12) months of service, upon voluntary termination of employment are eligible to cash out maximum of 80 hours of earned, unused Paid Time Off.

Employees with less than twelve (12) months of full-time or part-time services are not eligible for PTO cash out.

All accrued and unused PTO will be paid out at 100% at separation of employment due to:

Retirement at the standard retirement age;

Permanent Disability which is diagnosed by a health care provider as long-term or permanent,

which renders employee unable to perform the essential functions of the position and which cannot be reasonably accommodated;

Reduction in force (including layoffs);

Employee's death.

If an employee changes their status from benefit eligible to benefit ineligible position, the employee's earned and accrued PTO hours will be cashed out.

At separation of employment, an employee may cash out their PTO balance only if the employee was in a benefit eligible position for at least 1 year before changing status.

Home Care Aides may also utilize accrued PTO hours to maintain healthcare eligibility.

SECTION 16.4: HOLIDAYS

Home care employees may work on a Holiday only with prior authorization by the Employer. Home care employees who are required to work on a holiday will be compensated time and a half of their hourly rate of pay. Home care aides who are not authorized to work may make up

the hours during the month, so long as it does not result in overtime, unless authorized.

SECTION 16.4.2 USE OF PTO FOR RECOGNIZED HOLIDAYS

Employees have the option of taking an unpaid day (and saving their PTO until a later date) in lieu of any recognized holiday. Employees who choose not to use PTO for the recognized holidays must notify their supervisor and/or administration in writing seven (7) calendar days in advance of the holiday. In the absence of a written request from an employee any of the above listed holidays shall be covered by PTO, unless an employee was required to work.

SECTION 16.5: EXTENDED SICK LEAVE

Full-time employees also accrue Extended Sick Leave at .023 hours for each hour worked (about 6 days per year for a full-time employee). No more than 500 hours of Extended Sick Leave may be accrued. Extended Sick Leave hours are for absences of more than 3 consecutive work days (prorated for part time employees) due to:

- a. Employee's own illness
- b. Illness of a family member (partner/spouse, child or parent, parent-in-law or grandparent)
- c. Maternity/paternity leave, the birth or placement through adoption or foster care of a child
- d. Absences due to job-related injuries

The initial 3 consecutive work days must be claimed as PTO. If an employee does not have enough PTO hours to cover for the initial 3 consecutive days, the first three days' time off must be without pay.

Extended Sick Leave hours may be used for time missed due to on-the-job injury and for follow up medical appointments that are directly related to treating the injury, only if employee was not awarded L&I payments for the injury. Employees must contact Human Resources for approval. To apply Extended Sick Leave to those absences, the employee must cooperate in developing and following a return-to-work plan. The return-to-work plan is created with input from employee, supervisor, Human Resources Director, and in consultation with the employee's physician. If an employee fails to comply with the plan, time away from work will be covered by Paid Time Off or be without pay if no PTO hours are available.

Extended Sick Leave can be accessed immediately in the following circumstances:

From the first day of employee's hospitalization, or outpatient surgical procedure where moderate sedation is used.

To request Extended Sick Leave hours, employees must complete Extended Sick Leave Request" form in the event of illness or injury in excess of three (3) working days in duration, the Employer may require doctor's verification. If the number of hours of absence due to illness exceeds the amount of accrued Extended Sick Leave, employees are required to use Paid Time Off and then take the additional time without pay. Employees may qualify for Paid Family Medical Leave.

When employees are absent due to planned Paid Time Off, Extended Sick Leave is not applicable, except in cases of FMLA or PFML.

Extended Sick leave is not paid at the time of termination.

A regular full-time or part-time employee who is injured on the job and who after treatment for the injury is directed by a licensed medical doctor or by a hospital not to continue to work shall be paid straight-time pay for any hours the employee was scheduled to work on the day on which the injury occurred, which shall not be charged to his PTO or Extended Sick Leave.

A grievance is defined as a claim by an employee or the Union that the Employer has violated an express provision of this Agreement, Employer policies or specific past practices of the Employer if not addressed in this Agreement. The Union and the Employer are mutually committed to resolving disputes at the lowest level possible, where practicable, and in an expedient manner.

SECTION 21.2: TIME LIMITS

The purpose of time limits within the Grievance Procedure is to encourage the swift resolution of disputes. Time limits may be extended or waived at any step in the grievance procedure by mutual written agreement of an authorized Employer representative and the Union. The Union may withdraw a grievance at any step in the grievance process. The parties agree that the grievance may be resolved at any stage of the grievance process provided that all appeals are timely. If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure. The parties may conduct meetings in person, by phone or video conference or may waive meetings by mutual agreement.

SECTION 21.3: GRIEVANCE STEPS

The written grievance must contain the following information:

- (a) the act or acts alleged to be violations of the Agreement;
- (b) the identity of the grievant or grievants;
- (c) the article or provision of this Agreement alleged to have been violated;
- (d) the remedy proposed to attempt to resolve the grievance.

The written grievance need not be on the Union's grievance form, as long as it contains the information above.

The written grievance must be signed by the grievant or authorized by an Advocate or Union Representative.

An employee who attends meetings outside of scheduled working hours shall be paid for the time spent at their normal rate of pay. This provision shall not apply to an employee discharged for cause.

Grievances shall be handled in the following manner:

STEP ONE: The grievant, Advocate and/or Worker Representative shall present a grievance in writing to the grievant's site manager or supervisor within thirty (30) calendar days from the date of the occurrence or from the date the employee learned of the event giving rise to the grievance, whichever is later.

The employee and the site manager or supervisor, and the Union Representative or Worker Representative, if requested by the employee or Union Representative, shall meet to try and resolve the grievance, typically within ten (10) calendar days from receipt of the written grievance.

The site manager or supervisor shall respond in writing to the grievance not later than ten (10) calendar days of the meeting. The Employer's response will propose a resolution of the grievance which may include but is not limited to: agreeing to the remedy proposed by the grievant or the Union; proposing a remedy other than that proposed by the grievant or the Union; or denying the grievance. The Employer's response shall be addressed to the grievant and/or the Advocate or Union Representative.

STEP TWO: Should the procedure of the previous step fail to resolve the grievance, the grievance shall be presented in writing within fourteen (14) calendar days after the receipt of the site manager's decision from Step One. A meeting with the Executive Director or his/her representative, the grievant and the Union Representative or Worker Representative shall be held not later than ten (10) calendar days after receipt of the written grievance.

The Executive Director's response shall be addressed to the grievant and the Union. Within ten (10) calendar days after such meeting, the Executive Director or Employer representative shall send to the grievant and/or the Union Representative a written response to the grievance. The Employer's response will propose a resolution of the grievance which may include but is not limited to: agreeing to the remedy proposed by the grievant or the Union; proposing a remedy

other than that proposed by the grievant or the Union; or denying the grievance. The Employer's response shall be addressed to the grievant and/or the Advocate or Union Representative.

GRIEVANCES INITIATING AT STEP 2: Group grievances alleging the same contract violation but involving employees who work at more than one site or under more than one site manager may be filed initially at Step Two. Multiple individual grievances alleging the same violation that are filed during the same time frame may be combined into a group grievance and commenced at Step Two.

SECTION 21.4: MEDIATION (OPTIONAL)

Mediation may be mutually agreed upon by the Union and the Employer to resolve grievances following Step Two. A mediator shall be selected by mutual agreement of the Employer and the Union within five (5) calendar days of advancement of a grievance to mediation, from a list of trained mediators provided by the Federal Mediation and Conciliation Service by mutual agreement. The function of the mediator is to provide the Parties with possible win/win resolutions of the issue and to offer skilled advice as to what is likely to happen in an arbitration hearing in order to make a settlement of the grievance(s) more likely. The mediator shall hear the presentation of the grievance within ten (10) calendar days of the date of selection and shall issue a recommendation that day or on a timely date mutually agreed to by both parties. Should the mediation resolution be unacceptable to the Union, the Union shall reserve the right to proceed to arbitration.

SECTION 21.5: ARBITRATION

If the grievance is unresolved through Steps 1 and 2 and/or mediation, the Union may proceed to arbitration within thirty (30) calendar days of the date the Employer response is received or due in Step 2, or within thirty (30) calendar days from the date a mediated resolution is rejected.

An arbitrator shall be selected by mutual agreement of the Employer and the Union.

In the event mutual agreement is not reached on selection, an arbitrator shall be selected from a list of seven (7) arbitrators provided by the Federal Mediation and Conciliation Service (FMCS). The arbitrator shall be selected by alternate strikes of the list; the party to strike first shall be

determined by a coin toss.

The parties will identify date(s) for the arbitration and shall convene the arbitration typically within thirty (30) calendar days from the date of selection. The arbitrator shall issue a final and binding decision within thirty (30) calendar days from the date of conclusion of the arbitration proceedings.

The arbitrator's power shall be limited to interpreting the Collective Bargaining Agreement, the Employer's Handbook or policies, as applied to the grievance dispute before the arbitrator. The arbitrator's decision shall be final and binding upon the parties.

The Employer and the Union shall each bear the cost of its own arbitration presentation, including the costs of witnesses, and shall bear equally the fees and cost of the arbitrator.

ARTICLE 22: SEVERABILITY

SECTION 22.1: ADHERENCE TO EXISTING STATUTES

The parties agree to abide by all applicable municipal ordinances and state and federal statutes and regulations, including but not limited to any and all statutes pertaining to discrimination in employment.

SECTION 22.2: INVALIDATION OF A PROVISION OF THE AGREEMENT

In the event any Article, Section or portion of this Agreement, or the applications of such provision to any person or circumstance is declared invalid by a court of competent jurisdiction or is in contravention of any applicable local, state or federal law, the remaining provisions of this Agreement shall not be invalidated and shall remain in full force and effect. In the event of such invalidation or injunction, the parties shall promptly meet to negotiate a substitute provision.

ARTICLE 23: SUBCONTRACTING

In subcontracting any work covered by this Agreement, the Employer shall subcontract work to persons, firms, or companies meeting not less than the terms and conditions of this Agreement relating to wages, hours, and working conditions. In the event the Employer subcontracts work to persons, firms or companies, the subcontractor shall hire any and all displaced employees. All

subcontracted employees shall continue to remain in and become part of the existing bargaining unit. Additionally, the subcontractor shall agree to be bound by all the terms and conditions of this agreement and the serviced facilities policies and procedures.

ARTICLE 24: NO STRIKE OR LOCKOUT

During the life of this Agreement, the Union agrees that there shall be no strike, and the Employer agrees that there shall be no lockout because of a dispute arising under this agreement. The Union agrees that it will not recognize any jurisdictional strike or picket line.

ARTICLE 25: DAMAGE TO PERSONAL PROPERTY

Employees are expected to exercise reasonable care to prevent property loss or damage. For example, it is not considered "reasonable" for an employee to leave property in an empty, unlocked car; or for an employee to wear expensive clothing or jewelry to work with clients whose behavior may be unpredictable.

If an employee's personal property is damaged or made to need replacement or cleaned beyond the normal capacity of the employee while performing work duties, the employee shall inform the supervisor immediately. The employee shall submit an incident report in writing to their supervisor or Human Resources as soon as possible, but no later than forty-eight (48) hours, providing the following information: date, location, approximate time the incident occurred, how the damage occurred and approximate value of the loss, if known. If an estimate is required to determine the value of the damage, the employee may submit this claim later, but no later than thirty (30) days after the submission of the incident report. The Employer shall investigate the claim and issue a written response within fifteen (15) business days of receiving all information. Nothing in section precludes the Employee or Employer from complying with the Employer's policies and procedures. Additionally, automobiles or vehicles are not personal property for the purposes of this section, any claim, or request for reimbursement, unless authorized by the Employer.

ARTICLE 26: TERM OF AGREEMENT

This Agreement shall become effective upon ratification and shall continue in full force and effect through June 30, 2025.

In the event that during the term of this Agreement, the State substantially changes the anticipated and/or established vendor rate for contracted services provided by the Employer and/or there is any other change that lowers or increases the level of reimbursement established at the time of the signing of this Agreement, the Parties agree to reopen this Agreement immediately for negotiations on all economically impacted sections.

Negotiations for a successor Agreement for the Union and the Employer shall commence no earlier than May 1, 2025, and no later than one month following Legislative approval or rejection of the pattern home care Agreement between the State of Washington and the Union. Should the Parties reach an impasse and fail to reach agreement by March 1, 2026, the Parties may mutually agree to submit outstanding issues to interest arbitration.
