## PROPOSED MOU

The parties agree to the following Memorandum of Understanding (MoU). To the extent this MoU conflicts with the current Collective Bargaining Agreement, these MoU provisions govern.

### **1. ICE/DHS access to workplace**

The employer shall refuse access to immigration enforcement agencies and their representatives, including the Department of Homeland Security (DHS) and Immigration and Customs Enforcement (ICE), to any non-public areas of the workplace unless they provide a judicial warrant signed by a judge or magistrate.

The Employer shall notify the Union as soon as the Employer becomes aware that the DHS or any other federal government agent appears on or near the employment premises, to enable a Union representative or attorney to protect the rights of employees.

To the extent permitted by law, the Employer shall not infringe the privacy rights of workers by revealing to any immigration agent, including DHS or ICE, any employee name, address, or other similar information.

The Employer shall, as soon as practicable, and to the extent not prohibited by law, notify the Union of any immigration-related enforcement action by law enforcement or immigration officials, such as an I-9 audit, raid or detention, affecting bargaining unit members.

### **2. Inspections and Audits**

The Employer shall permit inspection of Form I-9s only after a minimum of three days written notice by the DHS or subpoena where the employee is specifically named and where the production of the I-9 Form is required; the Employer shall provide no documents, or other information about bargaining unit members, except Form I-9s unless required by a subpoena. The inspection may not occur in a location where the DHS or other immigration officials may likely interact with bargaining unit employees.

### **3. Work Authorization and Reverification**

The Employer shall not impose work authorization verification or reverification requirements greater than those required by law.

I-9 retention policies. The employer will maintain employee I-9 forms in a file separate from personnel records, as required by law. The employer will not duplicate, either by photocopy, electronically or any other method, the documents provided by the employee in connection with the I-9 process, and will not retain any copies, however obtained, in any files. The employer will notify and bargain with the union before implementing any change to the retention of I-9 forms, including but not limited to retention on microfilm or microfiche.

- For purposes of verification or reverification, an employee shall not be considered a new hire as provided in 8 CFR § 274a.2(b)(1)(viii).
- A worker going through the verification or reverification process shall be entitled to be represented by a Union representative. The employee shall have the right to choose which work authorization documents to present to the Employer during the verification or reverification process.
- Upon request, the Employer agrees to meet and discuss with the Union the implementation of a particular verification or reverification process.
- The employer shall provide the employees with a reasonable opportunity of not less than two weeks to present other documents as listed on Form I-9 to establish their employment

authorization when DHS notifies the employer that certain employees do not appear to be authorized for continued employment.

- Nothing in this provision shall be interpreted to limit the employee's rights to continued employment under the "receipt rule," which grants employees ninety (90) days to present to the company a replacement document of a previously issued but expired employment authorization.

#### **4. SSA No-Match Letters or Other No-Matches**

Except as required by law, a Social Security Administration "no-match" letter, a phone or computer verification of a no-match, or an IRS no-match shall not constitute a basis for taking any adverse employment action against an employee, for requiring an employee to correct the no-match, or for re-verifying the employee's work authorization. Upon receipt of a no-match letter, the Employer shall notify the employee and provide the employee and Union with a copy of the letter.

The employer will not contact DHS, the SSA, or any other governmental agency after receiving notice of a "no match" from the IRS.

#### **5. Change in Name or Social Security Number**

Except as prohibited by law, when an employee presents evidence of a change in name, social security number, or updated work authorization documents, the Employer shall modify its records to reflect such change and the employee's seniority will not be affected. Such change shall not constitute a basis for adverse employment action, notwithstanding any information or documents provided at the time of hire.

#### **6. Participation in E-Verify and Similar Programs**

The Employer shall not participate in E-Verify or other similar federal, state or local program unless required by law.

If participation is required by law, or the Employer is already participating in E-Verify, the Employer shall:

- a. Provide the Union a copy of its E-Verify of other Memorandum of Agreement with the relevant government agency;
- b. Not use E-Verify except for new hires, unless required by law. For purposes of federal E-Verify, an employee shall not be considered a new hire as provided in 8 CFR § 274a.2(b)(1)(viii);
- c. Not misuse E-Verify, including but not limited to verifying employment status before making an offer of employment and before hire; and
- d. Provide copies of "tentative non-confirmation" notices, and any other relevant information, to affected employees.

#### **7. Work authorizations issues**

The Employer shall provide to the bargaining unit member and the Union written notification when it contends that the employee's work authorization documents or I-9 Form are deficient, or that the employee must reverify a work authorization, specifying:

- a. the specific document or documents that are deemed to be deficient and why the document or documents are deemed deficient;
- b. what steps the worker must take to correct the matter;
- c. the employee's right to have a union representative present during the verification or

- reverification process and;
- d. any rights which the worker may have in connection with the verification or reverification process under this MoU.

In the event that an employee does not provide adequate proof that they are authorized to work in the United States after their probationary or introductory period, and their employment is terminated for this reason, the employer agrees to immediately reinstate the employee to their former position, without loss of prior seniority upon the bargaining unit member providing proper work authorization documentation within 24 months from the date of termination.

### 8. Immigration-Related Leave

The Employer shall not penalize an employee for an absence related to attendance of any immigration-related appointment, interview, or proceeding. Upon request, employees shall be released for a total of five (5) unpaid working days during the term of this Agreement in order to attend such immigration-related matters for the employee only.

If an extended leave of absence is necessary, the Employer shall reinstate any employee who is absent from work due to court or agency proceedings relating to immigration matters and who returns to work within 24 months of commencement of an extended absence. The Employer may require documentation of appearance at such proceedings.

### 9. Management Training

The employer shall train all managers and supervisors on the requirements of this MoU within 15 days of its execution, and thereafter within 1 month of hiring any new manager or supervisor.
