Preamble

This Agreement is made and entered into between Providence Mount St. Vincent (hereinafter referred to as the “Employer”) and Service Employees International Union 775 (hereinafter referred to as the “Union”). The purpose of this Agreement is to set forth the understanding reached between the parties hereto with respect to wages, hours and other terms and conditions of employment. The parties to this Agreement support and endorse the values of personal dignity, respect, compassion and excellence in their working relationships together and with respect to the residents we serve.

ARTICLE 1: RECOGNITION

The Employer recognizes the Union as the sole and exclusive bargaining agent for all regularly scheduled full-time and part-time licensed practical nurses and service employees designated by the job classifications set forth in the attached wage schedule, excluding other technical employees, professional employees, business office and clerical employees, guards and supervisors as defined in the Act, and all other employees.

ARTICLE 2: UNION MEMBERSHIP AND DUES DEDUCTION

SECTION 2.1: MEMBERSHIP

All full-time and part-time employees who are members of the Union at the time of the signing of this Agreement, and all full-time and part-time employees who voluntarily join the Union during the term of this Agreement must retain their membership in good standing. Good standing is herein defined as the tendering of Union dues on a timely basis. Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) days after receipt of written notice to the Employer from the Union, unless the employee fulfills the membership obligation set forth in this Agreement within that thirty (30) day period. Any employee who is a member of the Union may voluntarily withdraw from the Union by giving written notice to the Union and the Employer within thirty (30) days of the termination date of this Agreement.

SECTION 2.2: DUES AND COPE DEDUCTION

During the term of this Agreement, the Employer shall deduct dues from the pay of each

member of the Union who voluntarily executes a wage assignment authorization form. When filed with the Employer, the authorization form will be honored in accordance with its terms. Deductions will be transmitted to the Union by check made payable to its order each month. The Employer shall deduct the sum specified from the pay of each member of the Union who voluntarily executes a COPE wage assignment authorization form.

When filed with the Employer, the authorization form will be honored in accordance with its terms. The authorization form will remain in effect until revoked in writing by the employee. The amount deducted and a roster of all employees using payroll deduction for COPE contributions will be promptly transmitted to the Union by separate check made payable to its order. The parties recognize that the Union is obligated under the Federal Election Campaign Act (FECA) to reimburse the Employer for its reasonable cost of administering the COPE check off in the parties' Collective Bargaining Agreement. The Employer and the Union agree that one-quarter of one percent (0.25%) of all amounts checked off is a reasonable amount to cover the Employer's cost of administering this check off. Accordingly, the parties agree that the Employer will retain one-quarter of one percent (0.25%) of all amounts deducted pursuant to the COPE check off provision in the parties' Collective Bargaining Agreement to reimburse the Employer for its reasonable costs of administering the check off.

2.2.1: HOLD HARMLESS

Upon issuance and transmission of a check to the Union, the Employer's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of Union dues, fees and COPE deductions hereby undertake to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that shall arise against the Employer, including the cost of defending against such action, for or on account of any deduction made from the wages of such employee.

SECTION 2.3: BARGAINING UNIT AND DEDUCTION ROSTER/REPORT

Upon the effective date of this Agreement the Employer, shall monthly, targeting the 10th day of the month following the month for which the roster/report was created, provide to the Union a list of all employees covered by this Agreement. The list shall be an electronic copy emailed to the Union, in a commercially available format to be agreed upon by the Employer

and the Union. The list shall include each covered employee's name (first, middle, and last), if available, mailing address, telephone number (numbers shall conform to xxx-xxx-xxxx format), and personal email address on file in the Employer's HRIS system, date of birth, gender, social security number, hire date, date of termination, beginning and actual return date of approved extended leaves of absence (with the exception of intermittent leave), employee number, seniority date, FTE, job classification(s), department, shift(s), gross earnings (year-to-date), hourly rate of pay for all job classifications, actual hours paid for the pay period(s) during the month, actual hours worked during the pay period(s), amount of Union deduction(s), type of Union deduction(s), and pay period(s) for which the deduction(s) occurred.

ARTICLE 3: UNION REPRESENTATION

SECTION 3.1: ACCESS TO PREMISES

Duly authorized representatives of the Union may have access at reasonable times to those areas of the Employer's premises which are open to the general public for the purpose of investigating grievances and contract compliance. Union representatives shall not have access to those areas of the Employer's premises which are not open to the general public, including but not limited to work areas, employees' lounges, nursing units or other patient care areas unless advance approval has been obtained from the Employer. Approval will not be unreasonably withheld. Access to the Employer's premises shall be subject to the same general rules applicable to other non-employees and shall not interfere with or disturb employees in the performance of their work during working hours and shall not disrupt the residents or interfere with resident care or the normal operation of the Employer.

SECTION 3.2: OFFICERS, ADVOCATES

The Union will designate its officers and advocates from among the employees in the bargaining unit. The Employer will not recognize these officers and advocates until the Union has given the Employer written notice. The Union shall designate up to ten (10) advocates. The advocate is the employee representative position responsible for handling grievances and disciplinary issues with the Employer. Unless otherwise agreed to by the Employer, the investigation of grievances and other Union business will be conducted only during non-working

times.

SECTION 3.3: BULLETIN BOARDS

Bulletin board space shall be designated for the use of the Union in prominent locations including the area of the time clocks outside the first (1st) floor employee lounge, outside the entrance to central laundry on the first (1st) floor, and the kitchen. A notice shall be posted at the 2N time clock indicating the location of Union bulletin boards. Such bulletin board space shall be used for announcements and notifications pertaining to Union business. All materials posted on designated bulletin boards shall reflect the Mission and Values of the Sisters of Providence. A copy of all postings shall be given to Human Resources for their records and all postings will be signed by a designated Union representative or designee. The Union agrees to confine its postings to the designated bulletin boards. If Human Resources deem a posting inappropriate, Human Resources will notify the Union and both parties will mutually agree on the posting.

SECTION 3.4: NEW EMPLOYEE ORIENTATION

An ~~steward-advocate~~ or union representative may meet with new employees during the facility's orientation to introduce employees to the Union and the Union Contract. The meeting will last up to ~~fifteen-thirty (1530)~~ minutes in duration prior to the lunch break during the first day of New Employee Orientation held at the ministry. The Advocate will be released from work to participate in this orientation subject to resident, client, or patient needs. The Employer shall compensate the Advocate and any new bargaining unit employee at such employee's regular rate of pay up to ~~fifteen-thirty (1530)~~ minutes for the time to introduce the new employee to the Union and the Union Contract.

The Employer shall provide to the Union a roster of those on-call and temporary employees who transfer into a bargaining unit position at the end of the payroll period in which the transfer occurs. Subject to resident, client, or patient needs, the Employer shall facilitate an employee's request to schedule their break in order to meet regarding Union orientation within seven (7) calendar days of receiving such request.

SECTION 3.5: SHORT UNION LEAVE

With thirty (30) days' notice to the Employer and upon Employer approval, employees who are attending the Union's annual convention, the convention of SEIU, or who are requesting other time off for Union business, shall be granted unpaid release time for the duration of the Convention or event. Such leave shall be granted on a first-come, first-serve basis. If there are staffing problems, the Employer may limit the number of employees granted Union leave at any one time to no more than five (5), and no more than three (3) from nursing and no more than one (1) from any other department. This limit shall not apply to negotiations. Employees on unpaid Union leave may utilize any earned PTO while on leave.

ARTICLE 4: DEFINITIONS

SECTION 4.1: INTRODUCTORY EMPLOYEE

An employee who has been hired on a full-time or part-time basis and who has been continuously employed by the Employer for less than ninety (90) days is an introductory employee. After ninety (90) days of continuous employment, the employee shall become a regular employee unless the introductory period is extended by mutual agreement.

During the introductory period, an employee may be terminated without notice and without recourse to the grievance procedure.

SECTION 4.2: REGULAR FULL-TIME EMPLOYEE

An employee regularly scheduled not less than forty (40) hours per week or eighty (80) hours per fourteen (14) day period is considered a regular full-time employee.

SECTION 4.3: REGULAR PART-TIME EMPLOYEE

An employee so classified on the Employer's personnel records, and who is regularly scheduled to work on a continuous basis less than forty (40) hours per week or eighty (80) hours per fourteen (14) day pay period is considered a regular part-time employee. Only part-time employees assigned to an FTE of 0.5 or greater shall be entitled to pro rata benefits accrual. Regularly scheduled part-time employees working less than twenty (20) hours per week shall not be eligible for benefit accruals as set forth in this Agreement.

SECTION 4.4: FLOAT EMPLOYEE

An employee who is newly hired or who transfers from another position to the Float Pool and

who works at least two (2) different shifts within a normal work period is considered a float employee. Such employment status shall be documented and maintained in such employee's personnel file by the Employer.

SECTION 4.5: TEMPORARY AND ON-CALL EMPLOYEES

Temporary and on-call employees shall be excluded from this bargaining unit.

4.5.1: TEMPORARY EMPLOYEE

A temporary employee shall be defined as an employee hired for a specific length of time not to exceed six (6) consecutive months unless extended with the consent of the Union. A temporary employee who has worked twenty (20) hours or more per week on a regular basis and who is subsequently reclassified to a regular full- time or part-time position without a break in service shall be given credit for time spent as a temporary employee for purposes of wages, benefits and seniority.

4.5.2: ON-CALL EMPLOYEE

An on-call employee shall be defined as an employee not regularly or consistently scheduled to work and/or an employee called in to work on an unscheduled, intermittent basis. On-call utilization will be reviewed for reclassification purposes if any employee is scheduled to work on the same basis as a benefit eligible full- time or part- time employee for more than three (3) consecutive months.

If selected (in accordance with Article 5.1) an employee who is reclassified to a benefit- eligible full-time or part-time status shall be given credit for time spent as a temporary or on-call employee in the same job classification for the purposes of wages and PTO accrual. The employee shall be subject to the introductory period set forth in Section 4.1 (Introductory Employee) unless the employee is in the same job classification.

SECTION 4.6: PRECEPTOR

A preceptor is an experienced employee proficient in [the responsibilities of their department clinical teaching and](#) who is assigned by the Employer the responsibility for planning, organizing and evaluating the new skill development of an employee enrolled in a defined program, the

parameters of which have been set forth in writing by the Employer. The preceptor is responsible for the specific, criteria-based and goal-directed training for an identified period of time. [Clinical Management](#) will determine the need for preceptor assignments. When feasible, the Employer will notify employees of their preceptor assignment before the start of their shift. The Employer shall provide preceptor training.

It is understood that employees in the ordinary course of their general professional responsibilities will be expected to participate in the orientation process. These orientation responsibilities will include such things as providing informational assistance, support and guidance to new employees.

SECTION 4.7: LEAD ASSIGNMENT

The Employer may temporarily assign an employee lead responsibilities to provide specific training or supervisory tasks as assigned by such employee's supervisor. Such employee shall be compensated the lead premium rate (Article 8.6), in addition to the employee's regular rate pay, for all time worked while assigned lead responsibilities. The employee shall not be compensated for facility/department orientation including: activities designed to familiarize new employees with the objectives and philosophy of the facility and department services; orientation of new employees to facility/departmental policies and procedures; instructing new employees as to their functions and responsibilities to enable them to work independently.

~~[This Section shall not apply to employees listed in Appendix D.](#)~~

SECTION 4.8: MONTH AND YEAR

For purposes of this Agreement and the method of computing longevity steps and benefits provided within this Agreement, a "month" shall be defined as 173.3 hours of work, and a "year" shall be defined as 2080 hours of work. Time paid for but not worked (excluding standby pay) shall be regarded as time worked for purposes of computing wages and benefits. Time worked which is paid on an overtime basis shall count as time worked for purposes of computing wages and benefits not to exceed 2080 hours within any twelve (12) month period. An employee may not receive more than one (1) longevity step per anniversary year of employment.

SECTION 4.9: BUSINESS DAY

The term “business day” refers to the days of the week from Monday through Friday, excluding Saturday, Sunday, and holidays as defined in Section 8.11 of this Agreement.

SECTION 4.10: REGULAR RATE OF PAY

The regular rate of pay will be defined to include: the employee’s hourly wage rate, any applicable shift differential outlined in Article 8 of this Agreement; lead or charge pay if regularly assigned as a lead or charge.

ARTICLE 5: EMPLOYMENT PRACTICES

SECTION 5.1: JOB POSTING

The Employer will make a good faith effort to post job openings within the bargaining unit online for no less than five (5) business days prior to being filled on a regular basis.

Seniority shall be the determining factor in filling a job opening, providing skill, ability, experience, past performance and/or quality of work are substantially equal in the opinion of the Employer. The Employer’s decision shall be exercised in good faith and be based on established criteria. Positions may be filled at the Employer’s discretion on an interim basis until a regular placement is made. [If a bargaining unit applicant believes that the Employer did not fully consider their application, they may request to meet with their Employer and the Union Representative to discuss the decision.](#)

SECTION 5.2: NOTICE OF LAYOFF

Regularly scheduled full-time and part-time employees shall receive two (2) weeks’ notice of layoff or two (2) weeks’ pay in lieu of notice, plus any accrued PTO.

SECTION 5.3: NOTICE OF RESIGNATION

Employees shall be required to give at least fourteen (14) calendar days’ written notice of resignation. The fourteen (14) day notice requirement shall not include any PTO. Failure to give the required notice may result in loss of accrued PTO. The Employer will give consideration to situations that would make such notice by the employee impossible.

SECTION 5.4: RECOGNITION OF TREATABLE PROBLEMS

The Employer and the Union recognize that alcohol and chemical dependency are chronic and

treatable conditions. The Employer and the Union support efforts which will enable the chemically impaired employee to remain employed so long as performance expectations are maintained and the employee does not require supervision in a position where working independently is a part of the employee's job responsibilities.

Efforts should be made by the employee to identify these conditions and the treatment options at an early stage to prevent or minimize erosion on work performance when applicable. The Employer and the Union will encourage and support employee's participation in the Employee Assistance and/or State substance abuse monitoring/rehabilitation program, including individually tailored return to work agreements, through which employees may seek confidential assistance in the resolution of chemical dependency or other problems which may impact job performance.

The Employer further acknowledges that alcoholism and chemical dependency are health conditions for which the employee is eligible for accrued paid time and/or health leave of absence under the same terms as other health conditions provided the employee is participating in an approved treatment/rehabilitation program.

It is the intention of the Employer to work with an employee to adjust their work schedule on an ad hoc or temporary basis to support the chemically dependent employee's participation in prescribed treatment programs.

The Employer and the Union acknowledge that employees continue to be responsible for maintaining satisfactory job performance and attendance and for compliance with the Employer's policies and procedures.

The parties agree to utilize the Labor Management Committee to consider other qualifying factors beyond alcohol and chemical dependency.

SECTION 5.5: DISCIPLINE OR DISCHARGE

No employee covered by this Agreement shall be discharged except for just cause. "Just cause" will include the concept of progressive discipline (such as verbal and written reprimands, the possibility of suspension and termination). Which level of progressive discipline the Employer

will use in a situation will depend on the circumstances and severity of the regular employee's conduct or work performance as evaluated by the Employer. Employees shall receive a copy of all progressive discipline warnings to be placed in their personnel file. Employees shall be required to sign the written warnings within forty-eight (48) hours for the sole purpose of acknowledging receipt thereof. The Employer agrees to provide a copy of the written disciplinary action to the Union within ninety-six (96) hours of issuance. The inadvertent failure to provide the Union with a copy of the disciplinary action will not be the basis to overturn the discipline for just cause. However, if such failure causes the Union to miss the deadline to file a grievance for the discipline, the deadline shall be extended for that amount of time.

Progressive discipline will not be applied when the nature of the offense is just cause for immediate suspension or discharge. Employees who have been discharged by the Employer shall, upon request by the employee, be given a written statement of the cause of discharge by the Human Resources Department at the time of discharge or within a reasonable time thereafter.

Employees may request in writing to have written disciplinary action in their personnel file removed if ~~eighteen (18)~~twelve (12) months have passed without a related discipline. Such request will not be unreasonably denied.

SECTION 5.6: PERSONNEL AND DEPARTMENT HEAD EMPLOYEE FILE(S)

Employees have the right to access their own personnel file and their file held by their Department Manager, except where State, Local, Federal or other regulations apply. The employee may view these files in the presence of the Department Manager and/or Human Resources Representative upon a written request to their immediate supervisor or Human Resources Representative. Files must be available within five (5) business days of receipt of written request. References to other person(s) found in any file(s) may be omitted for confidentiality. Employees will be given the opportunity to provide a written rebuttal to any materials to be placed in their Personnel or Department Manager File.

SECTION 5.7: JOB DESCRIPTION

The Employer shall maintain job descriptions for all positions covered by this Agreement. Upon

employment, transfer to a different position, or change in the job description, the Employer shall provide a job description to the employee for the position. Copies of all job descriptions shall be made available to employees and the Union upon request.

5.7.1: NEW POSITIONS

In the event that new positions are created by the Employer that would be similar in responsibility, duties, scope or performance to those of existing positions covered under this Agreement, the Employer agrees to notify and inform the Union of the new position. The Employer and the Union will discuss which job classification and grade on the wage scale the position should be placed within this Agreement.

SECTION 5.8: EVALUATIONS

The Employer will endeavor to evaluate employees in writing prior to completion of the introductory period and every two (2) years thereafter. The evaluation is a tool for assessing the professional skills of the employee and for improving and recognizing the employee's performance. The employee will be given a copy of the evaluation. At the time of the evaluation, employees will be given the opportunity to provide a written response to the evaluation which will be retained with the evaluation in the employee's personnel file.

SECTION 5.9: POSTING OF SCHEDULES

The Employer shall determine and post monthly work schedules by the twentieth (20th) of the month immediately preceding the month in which the schedule is effective. The Employer retains the right to adjust work schedules to maintain an efficient and orderly operation. However, once the schedule is posted, both the Employer and its employees will attempt to adhere as closely as possible to the posted schedule. The Employer will in good faith give consideration to employee circumstances when changing work schedules or reassigning work. If the Employer is required to change the schedule after it has been posted, the employee and the Employer must mutually agree upon that change.

SECTION 5.10: LOW CENSUS STAFFING

Staff levels are maintained house-wide within the budgeted allowance of hours per resident per

day. Each neighborhood will be staffed according to staffing levels determined to be adequate based on level of care required by the residents of the neighborhood. Staffing levels are determined by the Neighborhood Coordinators or Program Manager by shift.

If staff levels are higher than necessary to maintain the budgeted HPPD due to a temporary decrease in census, the following actions will be implemented by the Staffing Coordinator or designee by shift:

1. On-Call employees will be asked to reduce their hours.
2. Employees on overtime or premium shifts will be asked to reduce their hours.
3. If no On-Call employees are scheduled and there are no employees on overtime or premium shifts, regular full-time and part-time employees will be offered the opportunity to voluntarily reduce their scheduled hours. Employees may choose to use accrued PTO to make up for the loss in compensation.
4. Temporary or Agency personnel will be asked to reduce their hours.

~~1. On-Call employees will be asked to reduce their hours.~~

~~2. If no On-Call employees are scheduled, regular full-time and part-time employees will be offered the opportunity to voluntarily reduce their scheduled hours. Employees may choose to use accrued PTO to make up for the loss in compensation.~~

~~3.1.~~

If no volunteers are found, the Employer will equitably rotate low census on each shift by using the seniority list combining all licensed employees and NACs subject to staff availability and assignment on a particular day and shift. Such list will be created with those employees who were hired last being the first to take a low census day when the facility is overstaffed, subject to the above considerations. Such employee will then be removed from the seniority list. If the next day the facility is overstaffed, the person who was hired second to the last will be asked to take a low census day off, etc. until each employee has taken their turn. After each employee on the list has taken their turn, the list will start over again.

~~4.2.~~

or employees that have volunteered to take a day off or for employees that have agreed to work an alternate day or shift prior to their name being called on the seniority list, that employee's name will be crossed off from the list, and when their turn comes

up, staffing will skip their name and proceed to the next employee on the list.

5-3.

icensed staff regularly assigned to the Transitional Care Unit are excluded from the Low Census Staffing, Section 5.10.

6-4.

ACs regularly assigned to the Transitional Care Unit are included in the Low Census Staffing, Section 5.10.

SECTION 5.11: STAFFING

It is the intent of both the Union and the Employer to endeavor to provide a level of staffing consistent with safe care of residents. The parties are committed to the proposition that adequate staffing is necessary to meet the needs of our residents and to provide quality care.

The parties acknowledge that it is in the best interest of the residents, the facility and the staff that vacant positions be filled as soon as possible.

Both parties acknowledge that the changes in resident acuity, census and staff availability and workload requirements can happen rapidly, requiring mutual understanding, communication and flexibility.

Employee(s) who have concerns about staffing or workloads are encouraged to address the issues directly with their supervisor. Many staffing/workload issues, if addressed with the supervisor at the time of occurrence, can be resolved through adjustments in assignments or through the use of other staffing resources.

The employee(s) involved in the staffing concern may request the issue be presented to the Labor-Management Committee. Upon request by the Labor-Management Committee, the Employer will, within a reasonable amount of time, provide information on what constitutes adequate staffing levels for each department.

Final staffing decisions shall be made by the Administrator. The determination of staffing (mix of employees, ratios, numbers) shall not be subject to grievance or arbitration.

SECTION 5.12: EQUAL OPPORTUNITY & NONDISCRIMINATION

No worker covered by this Agreement shall be discriminated against because of membership in the Union or activities on behalf of the Union. The Employer and the Union agree not to discriminate or condone harassment in any manner, in conformance with applicable federal, state, and local laws, against any employee on the basis of [their](#) race, registered domestic partner, color, religion, creed, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, genetic information, veteran status, age or disability, subject to occupational requirements and ability to perform job requirements.

Any form of unlawful harassment will not be tolerated.

It is the responsibility of the Employer to ensure that all employees are aware of the Employer's sexual harassment policies and procedures, including reporting, and properly trained on the content of such policies. The parties agree that this Section 5.12 will not be the basis of any grievance proceeding, though the Union does not waive any defenses that may arise regarding the training referenced herein.

SECTION 5.13: NIGHT SHIFT LICENSED STAFF, PREMIUM FOR ADDITIONAL DUTIES

Once the Employer is informed of a Night Shift Licensed Staff unscheduled absence, the Employer will make a good faith effort to add an additional Certified Nursing Assistant to the night shift area impacted.

In addition, if a Licensed Staff employee is required to work additional neighborhoods to accommodate the unscheduled absence, the employee shall receive one and one-half times (~~1.5-~~[1.5](#)~~x~~) their regular rate of pay for the time performing the additional duties.

SECTION 5.14: SCHEDULING OF EMPLOYEES OFF PREMISES

If an employee is scheduled to work at the Employer's premises on a posted date and time, that employee, upon mutual agreement, may be asked to work at a different location.

SECTION 5.15: EMPLOYER OFFERED TRANSPORTATION SUBSIDY

The Employer agrees to continue to provide a transportation subsidy. The Employer will not reduce the total subsidy to the employee during the life of this agreement.

Should the Employer decide to change this subsidy, the Employer shall provide the Union forty-

five (45) days advance written notice of the change.

ARTICLE 6: SENIORITY

SECTION 6.1: DEFINITION

Seniority shall be defined as continuous length of service with the Employer from most recent date of hire for all employees covered by this Agreement. Seniority shall not apply to an employee until completion of the required introductory period. Upon satisfactory completion of this introductory period, the employee shall be credited with seniority from the most recent date of hire.

SECTION 6.2: TRANSFERS-JOB RECLASSIFICATION

When an employee transfers to a new job classification, that employee will be subject to a ninety (90) day review period. During this review period, the employee shall be evaluated in order to determine that job responsibilities in the new position are being met. The Employer shall be the judge of the employee's competency; provided, however, that such judgment shall be exercised in good faith, e.g., investigative process. If during the ninety (90) day review period the employee does not fulfill job requirements and responsibilities, the employee shall be reclassified to such employee's previous position, if available, or shall be subject to layoff and recall. The review period is not intended to be a probationary period as defined in Article 4, Section 1 (Introductory Period).

SECTION 6.3: TRANSFERS FROM OTHER PROVIDENCE HEALTH SYSTEM FACILITIES

Employees transferring to the Employer from other Providence Health and Services (PHS) facilities shall be credited with length of service for time worked as an employee at those facilities for the purpose of PTO and medical benefit accruals, provided that they have maintained continuous service in accordance with PHS policy guidelines.

SECTION 6.4: LAYOFF

Layoffs shall be by job classification. In the event a layoff (rather than a reduction in hours) is determined to be necessary by the Employer, seniority of those employees within a job classification shall be the determining factor in such layoff, providing skill, ability, experience, past performance, and/or quality of work are substantially equal in the opinion of the Employer

based upon objective job-relevant criteria.

SECTION 6.5: RECALL

Employees who have been laid off pursuant to Section 6.4 shall, for a period of up to twelve (12) months, be subject to recall to regular job openings in their former classification and department for which they are qualified in the order of seniority after internal posting of the job opening. Employees on layoff shall not accrue but shall retain past service credits for seniority, wage and benefits purposes. Any notice of recall to an employee shall be sent to the last known address of the employee by certified mail return receipt requested. If the employee does not respond to a communication sent by mail within seven (7) calendar days from the receipt of the recall notice, the employee will be removed from the recall roster and such employee's personnel records shall be adjusted to reflect the employee's separation discharge from employment with the Employer. [Prior to the discharge in this manner, the Employer shall make best efforts to contact the employee at their last known phone number.](#)

SECTION 6.6: APPLICATION OF SENIORITY

Seniority shall be broken only by the following:

- a. Resignation
- b. Discharge
- c. Retirement
- d. Layoff of more than twelve (12) months
- e. Failure to return in accordance with a leave of absence or when recalled from layoff
- f. Illness or injury of more than one (1) year's duration

SECTION 6.7: EMPLOYEE RESPONSIBILITY

It shall be the obligation of an employee to keep the Employer notified of a current mailing address and home telephone number. In addition, the following are a partial list of employee responsibilities required to maintain an employee's position at the facility. These are in addition to all the responsibilities found in such employee's job description. Employees shall keep current on all professional licenses, certification, licensing, health tests and any permits or other regulatory requirements that are required as a condition of employment or by law, e.g., NAC [3141603v23141603v23141603v1](#)

license, Food Handlers Permits, tuberculin test. Failure to comply with the above requirements shall result in a suspension from work without pay. If the employee does not comply with these requirements within two (2) business days after the suspension, the employee shall be discharged from employment with the Employer. Employees shall adhere to all facility Policies and Procedures; however, this does not prohibit an employee from utilizing the grievance procedure set forth in this Agreement.

SECTION 6.8: POTENTIAL STATUS CHANGE VIA HOURS REDUCTION

In the event of a reduction in hours which results in a change in an employee's FTE status, the Employer shall make a good faith effort to reduce the hours of the least senior employee on a shift within the affected job classification and facility. Seniority of those employees within a job classification shall be the determining factor in such reduction of hours, providing skill, ability, experience, past performance and/or quality of work are substantially equal in the opinion of the Employer based upon objective job-relevant criteria.

6.8.1: SUB-ACUTE MEDICAL UNIT

Licensed Staff regularly assigned to the Transitional Care Unit are excluded from the Hours Reduction, Section 6.8.

NACs regularly assigned to the Transitional Care Unit are included in the Hours Reduction, Section 6.8.

ARTICLE 7: HOURS OF WORK AND OVERTIME

SECTION 7.1: NORMAL WORK DAY

A normal workday shall consist of eight (8) hours of work and an unpaid meal period of one-half (1/2) hour. Some employees in Assisted Living and Dining Services work a normal workday of ten (10) hours with an unpaid meal period of one-half (1/2) hour. All other employees may choose to apply to a ten (10) hour shift when a ten (10) hour shift is available and posted.

SECTION 7.2: WORK PERIOD

The Employer shall continue in full force and effect its tax deferred annuity (TDA) plan, making whatever changes may be required to comply with applicable laws and regulations. The Employer will match the TDA contributions of employees.

SECTION 14.2: RETIREMENT PLAN

[3141603v23141603v23141603v1](#)

The Employer shall continue in full force and effect its retirement plan, making whatever changes may be required to comply with applicable laws and regulations.

SECTION 14.3: PLAN CHANGES

In the event the Employer modifies its current plans or provides an alternative plan(s), the Employer will review the plan changes with the Union prior to implementation. The Employer shall notify the union at least forty-five (45) days prior to the intended implementation date.

ARTICLE 15: LABOR MANAGEMENT COMMITTEE (LMC)

The Employer and the Union will establish a Labor Management Committee (LMC) to assist with issues of mutual concern.

The purpose of the Labor Management Committee is to foster improved communications between the Employer and the employees covered by the Agreement, to recommend solutions to issues identified by the Committee, and to make recommendations for the improvement of working conditions.

The Labor Management Committee will consist of up to five (5) representatives of the Employer and up to five (5) representatives of the Union and shall meet quarterly at the request of either party.

The function of the Labor Management Committee shall be advisory only.

ARTICLE 16: GRIEVANCE PROCEDURE

SECTION 16.1: GRIEVANCE DEFINED

A grievance is defined as an alleged violation of the express terms and conditions of this Agreement. If any such grievance arises it shall be submitted to the following grievance procedure.

SECTION 16.2: GRIEVANCE TIME LIMITS

Time limits in the following steps may be extended by mutual written consent of the Employer and the Union. Failure of an employee to file a grievance on a timely basis or to timely advance a grievance in accordance with the time limits set forth below will constitute a formal withdrawal of the grievance by the employee and the Union. Failure of the Employer to comply with the time limits set forth below shall result in the grievance being automatically elevated to the next step without any action necessary on the part of the employee.

SECTION 16.3: GRIEVANCE PROCEDURE

A grievance shall be submitted to the following grievance procedure:

Step 1: Immediate Supervisor. The grievance in the first instance will be presented to the employee's supervisor in writing within fourteen (14) business days of the alleged breach of the express terms of this Agreement or within fourteen (14) business days of the date the employee knew or should have known of the alleged breach. The employee and the immediate supervisor shall meet within fourteen (14) business days from the supervisor's receipt of the grievance to try and resolve the grievance. The employee may request the presence of a Union representative at such meeting. Every effort shall be made to settle the grievance at this Step 1. Within ten (10) business days after such meeting, the immediate supervisor shall send to the employee and the Union representative (if present at the Step 1 meeting) a written response to the grievance.

Step 2: Administrator. If the grievance is not resolved in Step 1 to the satisfaction of the employee within fourteen (14) business days from receipt of written response from the immediate supervisor, the grievance may be presented to the Administrator or designated representative in writing setting forth the detailed facts concerning the nature of the grievance, the contractual provision allegedly violated of this Agreement and relief sought. Upon receipt of the written grievance, the Administrator or designated representative shall within fourteen (14) business days meet with the employee and representative of the Union in an attempt to resolve the grievance.

Within fourteen (14) business days after such meeting, the Administrator or designated representative shall send to the Union and the involved employee a written response to the grievance.

Step 3: Arbitration. If the grievance is not resolved in Step 2, the grievance may be submitted in writing to an arbitrator as hereinafter provided, providing it is filed within fourteen (14) business days following receipt of the written reply from the Employer. The parties shall select a disinterested party to serve as arbitrator. In the event the Employer and Union are unable to agree upon an arbitrator, the arbitrator shall be selected by the process of elimination by striking from a panel of seven (7) arbitrators furnished by the Federal Mediation and

[3141603v23141603v23141603v1](#)

Conciliation Service. The arbitrator shall render a decision as promptly as possible and in any event within thirty (30) days from the close of the hearing or the receipt of post-hearing briefs, whichever is later. The arbitrator shall confine himself/herself to the issue submitted for arbitration and shall have no authority to determine any other issue not so submitted to him/her. The arbitrator shall have jurisdiction and authorization only to interpret, apply or determine compliance with the specific terms of this Agreement and shall not have jurisdiction to add to, detract from or alter in any way the provisions of this Agreement. The arbitrator is not authorized to make a back pay award for any period earlier than the date the grievance was first presented to the Employer at Step 1 of this grievance procedure. Any decision within the jurisdiction of the arbitrator shall be final and binding upon the parties. The expenses and fees incumbent to the services of the arbitrator shall be equally shared by the Employer and the Union. All other fees and expenses, including attorney's fees, will be borne by the party who incurs them.

SECTION 16.4: ELECTRONIC COMMUNICATION

Notifications of grievances and notifications of arbitrations may be presented by either party in an email instead of in writing.

ARTICLE 17: NO STRIKES

During the term of this Agreement, neither the Union nor its members, agents, representatives, employees or persons acting in concert with them shall incite, encourage, or participate in any strike, sympathy strike, walkout, slowdown or work stoppage of any nature. In the event of any strike, sympathy strike, walkout, slowdown or work stoppage or threat thereof, the Union and its officers will do everything within their power to end or avert such action. Any employee participating in any strike, sympathy strike, walkout, slowdown or work stoppage shall be subject to immediate dismissal. No lockouts shall be entered upon by the Employer for the term of this Agreement.

ARTICLE 18: MANAGEMENT RESPONSIBILITIES

The Union recognizes that the Employer has the obligation of serving its residents with the highest quality of care, efficiently and economically and/or meeting medical emergencies. The

Union further recognizes the right of the Employer to operate and manage its facilities including but not limited to the right to require standards of performance and to maintain order and efficiency; to direct employees and determine job assignments and working schedules; to determine the materials and equipment to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine the kind and location of facilities; to determine whether the whole or any part of the operation shall continue to operate; to discipline, demote or discharge employees for just cause; to lay off employees for lack of work, to recall employees, to require reasonable overtime work of employees; to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised as to violate any specific provisions of this Agreement. The parties recognize that the above statement of management responsibilities is for illustrative purposes only and should not be construed as restrictive or interpreted so as to exclude those prerogatives not mentioned which are inherent in the management function. All matters not covered by the language of this Agreement may be administered by the Employer on a unilateral basis in accordance with such policies and procedures as it from time to time shall determine.

ARTICLE 19: GENERAL PROVISIONS

SECTION 19.1: COMPLETE AGREEMENT

The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right and opportunity are set forth in the Agreement. Therefore, the Employer and the Union for the duration of this Agreement each voluntarily and unqualifiedly agree to waive the right to oblige the other party to bargain with respect to any subject or matter specifically discussed during negotiations or covered in this Agreement unless mutually agreed otherwise.

SECTION 19.2: SEPARABILITY

If an Article of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any Article should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby and the parties

shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article.

SECTION 19.3: PAST PRACTICES

Unless specifically provided herein to the contrary, past practices shall not be binding on the Employer.

ARTICLE 20: DURATION

This Agreement shall be effective upon the date of ratification and shall continue in full force and effect through December 31, ~~2025~~2028. Should either party desire to modify or terminate this Agreement three years after the ratification date, it shall serve written notice at least ninety (90) days prior to that date. Failure of such notice to be served shall result in this Agreement being renewed to and including January 31, ~~2026~~2029.

MEMORANDUM OF UNDERSTANDING – HEALTH AND SAFETY

The parties agree and understand that employee safety, including the presence of security and premises safety, will be standing agenda items for the Labor-Management Committee. During these meetings, Employees are encouraged to raise safety concerns and to propose solutions, which will be considered in good faith by the Employer. Employees also are encouraged to report any safety issues or concerns they may have to their Core Leader and/or the Administrator. When such reports are made, they will be investigated by the Employer. Aggregated results of any investigations or outcomes may be discussed during Labor-Management Committee meetings.

MEMORANDUM OF UNDERSTANDING – IMMIGRATION-RELATED EMPLOYMENT PRACTICES

The parties recognize that the Employer is obligated to follow all applicable immigration-related laws and comply with federal, state and local law enforcement, including immigration-related audits or other enforcement action(s). In the event that the Immigration Customs Enforcement (ICE) conducts an enforcement action on the Employer's premises affecting bargaining unit members, the Employer will provide notice to the Union that an enforcement action occurred, and, if permitted by law and known to the Employer, will disclose to the Union the name(s) of the affected bargaining unit member(s) and their detention location.

MEMORANDUM OF UNDERSTANDING –
CAREER LADDER/LEAD CLASSIFICATIONS

The parties agree that they will begin discussions regarding creation of additional lead classifications (similar to Lead Environmental Services Technician or Lead Food Services Associate) on or before July 1, 2026. The goal of these discussions will be to craft an MOU relating to a pilot or similar time-limited program for implementation in 2026, which may result in creation of career ladder opportunities and/or additional permanent lead positions in areas identified by the parties for the purposes of career development, improved training, and employee growth in critical job roles. For example, exploring new premiums for roles that have more responsibilities or higher workload, such as the former role of “Cook 1.”

The committee will include a minimum of 1 union rep and up to four committee members chosen by the union. Similarly, the Employer will choose up to four management representatives and appropriate HR staff to lead the process, conduct analysis and provide recommendations. The parties will work in good faith to achieve this goal. Failure of the parties to come to an agreement will not be the subject of any grievance or arbitration. Any implementation of a career ladder pilot or similar program will be captured in an MOU.
